83rd Year- No. 24

Belleville, Michigan- Wednesday, September 18, 1968

28 Pages - 15¢ Per Copy

PRE-FLOOR PLAN DISCUSSION — Romulus Township officials and officers of Romulus Building Authority posed with pre-floor plans for the proposed Municipal Building for Romulus following a meeting at the Romulus Branch of the Manufacturers Bank, last Friday. Left to right are Joseph Wallis, township treasurer; Edward L. Stuart, authority's secretary; Howard Dubisky, president of the authority; Edmund L. Glazaka, authority's treasurer; Alfred J. Perry, Township Clerk. Seated is Edmund Bizek, Township Supervisor. The schematic design on the left is what the new structure may be and the design on the right is a proposed interior layout. (See story page 2)

LANSING MEET SCHEDULED

Classroom Sessions Begin for Sumpter Elementary Students

BELLEVILLE — Monday, Sept. 16, was the first day of school for 300 students of the former Sumpter School District.

School began for them was made possible by the "quick action" taken by the administrative staff of the Van Buren Public Schools in preparing for classroom sessions an elementary school building, located at 23501 Sumpter Road, that was in bad need of repair.

Dale E. Kaulitz, school superintendent, commended the employees and staff members for renovating the school structure in the short time of eight days.

Junior high and high school students of the Sumpter District were absorbed along with Van Buren School System's enrollment at both the Belleville Junior and Belleville High Schools when

the schools opened for studies on Sept. 5.

A COURT SUIT filed by Van Buren Board of Education asking for a court determination on the rights and responsibilities of school districts that were ordered to take over the impoverished Sumpter School System, delayed the physical take-over of the elementary school structure until a quick renovation program and the hiring of some of the Sumpter School District's teachers (six were hired so far) were accomplished.

A subsequent decision by the State Court of Appeals reversed a Wayne County Circuit Court order that dismissed a motion by the state attorney's office to dismiss the Van Buren suit.

Eleven classrooms have been put into use at Sumpter's Elementary School and Van

Buren's Curriculum Center. Federal Aid Programs Department and other miscellaneous units have been transferred to this building, James Egan, business manager of the Van Buren Public Schools, reported.

Meanwhile a meeting with Lt. Gov. William G. Milliken on financing aspects of the new burden assumed by three of the four school districts taking over portions of the territory and students of Sumpter will be held.

Senator William Faust arranged the meeting in his efforts to obtain required appropriations through the governor's office by legislative action when the legislature resumes sessions in January.

The State Board of Education recommended that the sum of \$476,237 be paid Van Buren. This sum as yet has to be paid.

VB School Board Approves Custodial Work Agreement

BELLEVILLE — A two-year agreement embracing a salary increase and other fringe benefits for custodial and maintenance employees of the Van Buren Public Schools has been approved by the Board of Education.

The pact provides for a 25 cents an hour across-the-board pay hike for the first year of the agreement and for a 20 cents across-the-board increase the second year, James Egan, business manager for Van Buren Schools, reported.

Negotiations that led to a final settlement began last June and covers 43 employees.

School Board negotiators

were: Mrs. Doris Roe, Gerald Williams, chairman; and James Egan. For the employees was a team headed by Roy Austin. Employees ratified the pact Sept. 7.

Starting salary range begins at \$2.53 to \$3.28 per hour the first year and jumps to a range of \$2.73 to \$3.48 the second year.

An additional paid holiday (Friday after Thanksgiving) was also approved.

A full-time non-teaching employees insurance benefits will be opened for consideration next year, Egan said.

The employees already have

Blue Cross up to \$255 coverage.

Remaining employee consideration includes some 38 school secretaries and 30 cafeteria employees, Egan reported. These matters are being studied by the School Board.

Lions Elect First Slate

BELLEVILLE — The recently organized Belleville Area Lions club announced last week the election of its first slate of officers and directors.

Elected officers were: James Egan, president; Tom Warner, first vice-president; Jerry McKelvey, second vice-president; Bob Cook, third vice-president; Ron Nash, secretary; Burt Griffith, treasurer.

Howard was elected Tail Twister; and Allen Berlin, Lion Tamer. Directors are Chub O'Neil, Larry Allbritton, George Eastman and Henry Koski.

THE NEXT meeting of the club will be held Sept. 25, at 7 p.m. at Rogalle's Lounge.

The club meets every fourth Wednesday of the month. Officials have extended an invitation to all interested persons.

A Charter Night will be held Oct. 12 at 7 p.m. at the Belleville High School Cafeteria.

December Vote on City, Township Merger Seen

Annexation Petition's Signatures Certified

Incorporation Would Include The Complete Areas of Both

BY HENRY CANTIN
ANP Staff Writer

BELLEVILLE — An annexation petition seeking the merger of the City of Belleville and the Township of Van Buren into one incorporated government unit will be up for voters' decision in early December, Mayor Royce E. Smith reported.

The Wayne County Board of Supervisors Monday, Sept. 16, referred the annexation petition to the Ways and Means Committee of the Board of Supervisors for study and recommendation and also for the setting of an election date on the proposition.

The legality of the petitions and the more than required number of voter signatures have been checked by the Wayne County Prosecutor's office and found to be in order.

The signatures were also certified by the Wayne County Bureau of Taxation as valid holders as required by law.

The Ways and Means Committee is to return their recommendation to the full Board of Supervisors by Sept. 30 for final approval.

AN ELECTION date is seen for the early part of December, Smith said.

Bob Hay Re-Locates Home of Wetherell

(See picture page 15)

BELLEVILLE — Moving a two-story residence down a city street is a rare event these days especially in the Belleville area.

And this is what actually happened last Thursday (Sept. 12) when the West Side Home Moving and Raising Company of Detroit re-located the former home of Harold O. Wetherell from 476 Columbia street to 78 Wabash street, a distance of several blocks.

Wetherell, who retired recently as superintendent of Van Buren Public Schools after 14 years, sold his former home and its land site to Robert A.

Hay, secretary of the Van Buren Township Board of Education.

Hay hired the Detroit firm to move the structure to a vacant lot that he owned on Wabash street where the home will be put to tenant use as soon as possible.

Hay announced that he plans to construct some apartment dwellings at the Columbia street location as the area is zoned for multiple dwelling.

An attempt to have city fathers rezone the Wabash lot for multiple units was unsuccessful because of resident objections.

LIST GROWS TO 15

Nine Seek Post on Charter Commission

ROMULUS — Nine more Romulus Township residents have taken out nominating petitions for appointment to a proposed City Charter Commission.

With the deadline for procuring petitions Sept. 17 at 4 p.m., the number of persons seeking Charter Commission posts totaled 15 as of edition time deadline Monday. The latest to take out petitions are:

Alfred J. Perry, 37600 Castle Drive, Romulus Township's present clerk; Terry L. Trout, 16325 Farnum; Jesse L. Tryon, 28350 Eureka Road; Alfred A. Lucke, 10636 Inkster Road;

Gordon Zavits, 6640 Gloria; Joseph Saval, 37535 Castle Drive; Don Treder, 36899 Mario Anne Court; Mrs. Zenobia Jones, 35680 Goddard Road; Mrs. Mickie Lopota, 6711 Merriman Road and Gerald Budd, 12103 Schultz.

OTHERS THAT have taken out petitions are:

Charles J. Dick, Jr., 3449 California; Felix F. Rogalle, 36510 Goddard Road; Garnet Bunnell, 12100 Elmview; Emory M. Seestadt, 11576 Olive Street; Mrs. Marie DeBuyscher, 37839 Westvale.

Voters in the township will vote on a proposed City Incorporation Proposition and a nine-member (not 20 member as originally reported) Charter Commission in the Nov. 5 general election.

If voters approved both issues, those elected to the Charter Commission will prepare a Charter for the new city which will later be submitted to voters for their approval or rejection.

Recommended

BELLEVILLE — The appointment of Walter Hink of 42541 Expressway to the Zoning Board of Appeals of the Willow Run Airport Commission was recommended by Louis A. Toth, Van Buren Township supervisor.

EXCELLENT VIEW—Walter Hink Jr., 12, son of Walter Hink of Belleville views activity at the Air Show last Saturday from the wing of a F-4C Phantom Jet. Left is Capt. Frank Goseco and right is Capt. Robert Meehan. Both Air Force pilots have just returned from Vietnam. They are stationed at Seymour Johnson AFB, North Carolina.

Also Funds For Master Plan

Sumpter Gets Federal Grant for Water Lines

SUMPTER — Federal funds for the construction of additional water lines in Sumpter Township have been approved, Mike Kozma, township supervisor, reported Monday.

A federal grant in the amount of \$431,000 has been

authorized by the U.S. Department of Housing and Urban Development and verified this week by township officials.

These funds along with \$569,000 representing township's share of the \$1,000,000 water line project will complete approximately 6 per cent of the township's water system, Kozma stated.

The new program will bring water to 1200 people of which 700 are non-white residents and will be located in the southern portion of the township. The residents at present have no water lines.

THE \$569,000 will be paid out of an existing \$1,500,000 bond issue and will mean no increase in millage. It will add

12 miles of water extensions, Kozma said.

The Wayne County Road Commission, agent for the township, will receive the Federal monies to finance the construction under their supervision.

When the money is received, construction bids will be advertised and work is expected to begin in the Spring.

Kozma also disclosed approval of a second federal grant of \$12,000 for the preparation of a master plan for the township. This will be added to \$6,000 share of the township.

The township at present has no master plan donating zoning classifications and codes. Officials are currently operating by ordinances.

OFFER RECEIVED

Van Buren Recreation Moves Suggestion Box

BELLEVILLE — "I teach baton and drill teams. I would be willing to devote my time to organize a drill team. There are very few activities for the girls of Belleville. The only problem is having a place to hold them. If my services are wanted please contact me at OX 7-7251."

This one of the suggestions placed in the Suggestion Box by Van Buren Township - Belleville Area residents in a campaign by the Van Buren Recreation Commission for a year-round recreational programs and events. The programs would be for all township residents, old and young alike. The above suggestion and offer of services

was made by Mrs. Penny Pearson of 59 Henry Street.

Raymond Florian, chairman of the Recreation Commission is spearheading the proposed year-round recreation and urging voter approval of a proposed one-mill levy to finance the recreation programs and activities. It will be on the Nov. 5 ballot.

The Suggestion Box, at the Belleville Branch of the National Bank of Detroit during the past week will be re-located and placed in the Van Buren Township Hall, located at 46425 Tyler Road.

The ideas and suggestions are being sought by the commission in its efforts to prepare a program to meet the recreational needs.

Invitation

An open invitation has been extended by the Van Buren Civic Association to all area residents to attend a public meeting to be held at the Belleville High School Cafeteria tomorrow night (Thursday, Sept. 19) at 8 p.m.

The meeting is being called to present an opportunity to residents to voice pro and con opinions on the new and revised rezoning petition on McMullan Point for the construction of multiple dwellings.

The rezoning request is up for decision by the Van Buren Township Board Sept. 24.

James L. Borst, vice-chairman of the Association, who extended the open invitation, reported that numerous meetings have already been held but Thursday's meeting is being held to determine what is best for the Township from all citizens of the township.

All Township Board members, Planning Commission members, Petitioner Frank Volk, Sr., Dearborn land developer, and counsel are to be available at the meeting.

2 Arrested In Dope Raid; Guns Seized

Wayne County Sheriff Roman S. Gribbs has announced that his Deputies assisted by Federal Agents arrested two persons during an early morning narcotic raid in Ecorse.

The arrests were the result of a six-week investigation of a supplier who sold narcotics to a multi-city area.

Ecorse police requested the Sheriff's office to handle the case when it was found that their men were too well known in the area.

This morning's raid (Sept. 10) made at 12:40 a.m. at 3866 16th Street, Ecorse, resulted in the arrest of Willie B. Murray, 43; and Annie Doris Carter, 19, both of that address.

CONFISCATED DURING the raid was a shopping bag of marihuana, an arsenal of six firearms, pistols, and rifles and nearly \$1,000 in cash.

Warrants for the arrests were obtained following a purchase of marihuana by an undercover man of the Sheriff's office.

Sheriff Gribbs advised the Federal Bureau of Narcotics Agents who worked in cooperation with Sheriff's Deputies, and Ecorse police.

The defendants were arraigned on a charge of sale and possession of marihuana before Romulus Justice of Peace Felix Rogalle. Bonds were set at \$2,500 pending trial.

Correction

ROMULUS — In a photo published in the Enterprise-Roman of Associated Newspapers' Courtesy Flyer the operator was identified as Charles Dick, Jr.

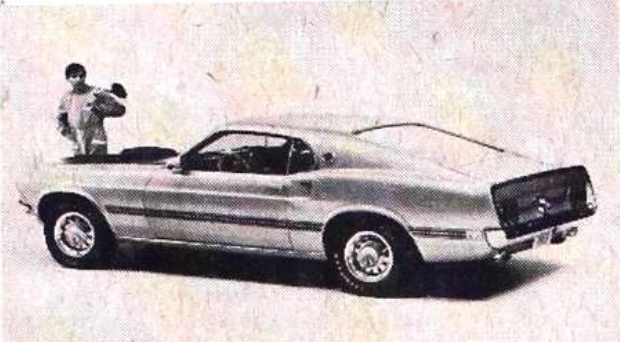

We have been told that this was in error. The operator was John Steinhart of 6690 Niagara, Romulus. The flyer was being used in St. Aloysius Catholic Church's Festival.

MUSTANG GRANDE — The person seeking a car with the handling and feel of a sports car and the plushness of a luxury car will find both in Ford's new 1969 Mustang Grande. The Grande includes teakwood grain interior trim, hopsack cloth and vinyl seats, a modified rear suspension system, a distinctive narrow paint stripe along the fender line, wire wheel covers and more than double the standard amount of sound insulating material. It can be seen at your nearest Ford Dealer - Atchinson Ford Sales.

FORD'S HOT new Mustang model, the Mach I, is a performance-oriented car from the word go. Available with a 335-horsepower 428 Cobra Jet Ram-Air engine, the Mach I features GT handling suspension, racing-type exposed hood locking pins, color-keyed dual racing mirrors, special ornamentation and striping, highback bucket seats, and simulated teakwood grained accents on the floor console, instrument panel and door panels.

CITY MERGER

(continued from page 1)

the organizational meeting of the Board.

Many prominent leaders of both areas are reported to be in favor of the merger although a previous attempt in 1963 to annex the south portion of the township by the city was defeated.

Mayor Smith through the columns of the Enterprise-Roman is requesting the people of the township to study all the benefits possible in unity of the areas involved and what it means to the future growth and improvement of the communities.

He stressed that the "city is not trying to steal the township and that the city is not pulling any shenanigans."

He pointed out the merger would eliminate duplication of various services and added:

"City status has a higher priority and is eligible for greater benefits under both federal and state programs and

the move will open more avenues for the improvement and growth of the "combined areas."

HE ALSO stated that the city and city council's feelings towards area residents by stating that during his tenure as mayor neither he nor council members raised millage in city operations.

City status would also prevent adjacent communities from gobbling up sections of the township as present reports indicated.

Receives Degree

BELLEVILLE — William Mudlarz, 8701 Belleville Road, was awarded a Bachelor of Business Administration degree from The Detroit Institute of Technology (DIT) at the completion of the summer session at the tri-college Institute.

Meet Set

ROMULUS — The Quarterly Meeting of the Romulus Township Homeowners Association will be held 8 p.m., Wednesday, Sept. 18 at Progressive Hall, 11580 Ozga Road.

All members and prospective new members are urged not to miss this meeting, as it will prove to be lively and most informative.

On the agenda will be:

- A Repeat of the Proper Procedure for Handling Building Complaints.
- A report from the "REACT-KEEP ROMULUS INTACT" Committee.
- Guest Speaker, Francis Duane Ross will explain the establishment and operation of the new 34th District Judicial Court.
- A Question and Answer Session will follow the reports and guest speaker.

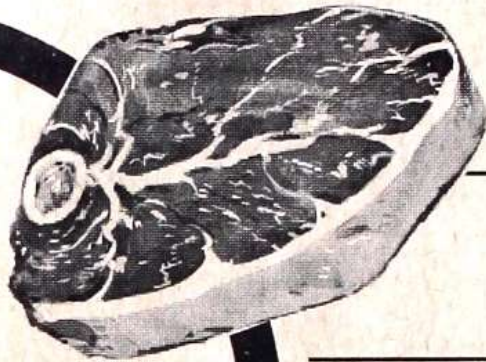

Tickets for the Annual 50-50 Drawing, which will take place at the Dec. 11 meeting, will be available.

MIDDLEBELT ROAD WIDENING — Wayne County Road Commission road workers have started an expansion program on Middlebelt Road south of Goddard Road. The road is being widened from a two-lane hazardous strip to a five-lane highway. Middlebelt Road traffic is being detoured between North Line Road and Goddard Road east via Harrison Road.

Notice is hereby given that in conformity with the "Michigan Election Law" 1, the undersigned Township Clerk, will upon any day, EXCEPT a legal holiday, the day of any regular or special election or primary election, receive for registration, the name of any legal voter in said Township not already registered, who may APPLY TO ME PERSONALLY or (Authorized Substitute) for such registration, providing, however, that I can receive no names for registration during the time intervening between the fifth Friday prior to any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at the Huron Township Hall, 37290 Huron River Drive, New Boston.

SATURDAY, SEPTEMBER 28, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 5:00 P.M., and

FRIDAY, OCTOBER 4, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 8:00 P.M.

For the purpose of REVIEWING the REGISTRATION and REGISTERING SUCH of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefore.

The name of no persons but an ACTUAL RESIDENT of the Township at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

WILMA J. WILSON, Clerk
Township of Huron

OPEN HOUSE—Formal opening of Signet Realty and Investment Company, headquartered in the above remodeled and enlarged office facility was announced by the firm's two partners, Howard Stinehour and Landy W. Box. The event will be held on Saturday, Sept. 21 during the hours of 9 a.m. to 4 p.m. A complete line of service in the realty and investment fields is available at Signet.

Signet Realty to Hold Open House

BELLEVILLE — Formal opening of the Signet Realty and Investment Company, a partnership of two well-known area business leaders, was announced this week.

The Belleville-based firm is located at 255 Main Street in a completely redesigned and enlarged office facility.

Although the company's initial operations began in June, an Open House announcement was delayed pending completion of a renovation building program designed for the utmost convenience and comfort of clientele.

Signet Realty and Investment Company will hold Open House during the hours of 9 a.m. to 4 p.m. on Sept. 21.

CO-PARTNERS Landy Box of 47434 North Shore Drive, owner of Box Jewelry Store, 454 Main Street; and Howard R. Stinehour, of 255 Main Street, a member of the real estate profession in the Belleville area for the last eight years in addition to former affiliations with other real

estate firms, extend an open invitation to visit the new firm's offices and get acquainted.

A modern and complete real estate and investment service and related facilities are available.

Both Box and Stinehour are thoroughly experienced in the real estate and real estate investment fields.

THE FIRM is affiliated with the Nationwide Find-A-Home Service Association and is the

only member of this unique service in the area.

The firm also offers a written guarantee on the sale of homes offered.

All business transactions are conducted with utmost care and integrity and in confidence.

"We are offering the people of Western Wayne County a complete real estate and investment service including trade-ins on all types of property," Box announced.

Building Shows Sharp Rise

ROMULUS — BUILDING in Romulus Township showed a sharp rise during August, Joseph B. Gallagher, manager of the Building Department announced.

Total number of building permits has 114 calling for an estimated construction cost of \$2,094,612. This compares with 73 permits and costs of \$889,604, in July.

Industrial building accounted for major share of the increase, Gallagher reported. This amounted to \$1,247,000.

Residential building totaled \$823,462 as against \$576,492 in July. The August total included \$761,580 in one family houses and \$46,747 apartment building basements.

Total fees collected for building and for other than building permits amounted to \$9,636. This compares with \$7,201 in July.

Among the major industrial building projects were: General Motors Warehouse, \$900,000; warehouse for Pure Oil Division of Union Oil Company, \$118,000; A manufacturing company addition (Milton and Richard Donahey, United Brass) \$49,000; Machine Shop, \$90,000 and an Industrial Lease-Back Corporation project, \$90,000.

Plaque for Servicemen Approved

ROMULUS — A request from the Romulus Service Mothers Club to place a bronze plaque in the Township Hall commemorating servicemen in Vietnam was unanimously approved by the Township Board.

In a communication, dated Sept. 3, to the Township Board, the Romulus Service Mothers Club (mothers of men in service) stated:

"We would like to have a bronze plaque inscribed with names of our servicemen from our Township who have served or are serving anywhere in their country during the Vietnam Conflict to be purchased out of township funds."

Initial Plans for Romulus' Municipal Building OK'ed

ROMULUS — The proposed construction by Romulus Township of its new Municipal Building took another step closer to realization this week.

The township's newly created Building Authority, responsible in seeing that Romulus' proposed Civic Center is built, approved a pre-floor plan for the structure and presented it to the Township Board for its consideration.

The Township Board was scheduled to render a decision Tuesday night.

THE CIVIC CENTER when and if completed will contain besides the Municipal Building, a Library, police department

and a community center.

All to be erected on a 16-acre plot of township owned land, located at the intersection of Wayne Road and Goddard Roads, the southeast side of Wayne Road.

The schematic plans approved by the Authority were designed by Architects-O'Dell, Hewlett and Luckenbach, Inc., of Birmingham, Mich.

The 20,000 square-foot administration building as well as the other structures in the proposed Civic Center will be financed through a bond issue that will be paid off by revenues received by the Authority from rentals, etc.

EDMUND BIZEK, township supervisor, reported that this financing through the Building Authority will not mean any tax increases for township residents.

The pre-floor elevated plans for the new township offices provide for the inclusion of a combined new District Court, and council chambers with related offices. Also a Traffic Violations Bureau.

The council chambers will have a seating capacity for 154 persons in addition to various executive and secretarial offices.

WHEN PLANS are finalized,

architects will determine construction costs prior to preparing financing procedures for the issuance of revenue bonds by advertising for bond bids.

Officers of the Authority are: President Howard Dubisky of 37281 Wick Road, operator of the F and M Market, 11630 Ozga Road; Edward L. Stuart, 18585 Wood, Melvindale, manager of the Romulus Branch of the Manufacturers National Bank, secretary; and Edmund L. Galazka, 27119 Timber Trail, Dearborn Heights, manager of the Romulus Branch of the National Bank of Detroit, treasurer.

IN ROMULUS

Community Relations Board Members Named

ROMULUS — The membership of Romulus' first Community Relations Commission approved by the Romulus Township Board last May has been selected.

The commission initial nine member body will be composed of the following Romulus area residents:

Ronald E. Bird, 9724 Marc, Romulus; Miss Elvera A. Fischer, 30880 Ecorse Road, Inkster; Lester Hart, 34011 Beverly Road, Wayne; Otha Jones, 35680 Goddard Road; Jason Lovette, 35748 Bibbins; Mrs. Ruth McIntosh, 37820 Tyler Road, Romulus; Gene Mulberry, 37815 Wick, Romulus; Mrs. Frankie Shreve, 6063 South Wayne Road, Wayne; and John Wagner, 14735 Huron River Drive, Romulus.

Members are to serve on the commission without compensation.

The Community Relations

Commission was created so that the Township may officially encourage and bring about a mutual understanding and respect among all groups in the Township, eliminate prejudice, intolerance, bigotry, discrimination and disorder.

And to give effect to the guarantee of equal rights for all assured by the Constitution and the laws of this state and of the United States.

Under the Ordinance setting-up the commission, members are required to meet at least 10 times a year.

BROWNFIELD, TEXAS, NEWS: "I'm worried about the recent uprisings in colleges and universities. What sort of an education can students get under such conditions? Judging from what I read, many of the kids are learning the three R's — Rebellion, Rioting, and Ransacking."

ROMULUS BUILDING AUTHORITY — Busy these days studying schematic designs and subsequent procedures on the construction of Romulus' proposed Municipal Building and Civic Center are the men pictured above. They are officers of the newly created Building Authority. Left to Right are: Edward L. Stuart, 18585 Wood, Melvindale, manager of the Romulus Branch of the Manufacturers National Bank, secretary; Howard Dubisky, 37281 Wick Road, operator of the F and M Market, 11630 Ozga Road, president; and Edmund L. Galazka, 27119 Timber Trail, Dearborn Heights, manager of the Romulus Branch of the National Bank of Detroit, treasurer.

Public Hearing Scheduled On McMullan Rezoning

BELLEVILLE — The Van Buren Township Board of Trustees has been requested to delay its decision of a new and revised rezoning petition involving 147 acres of land known as McMullan Pointe.

James Borst, vice-chairman of the Van Buren Civic Association requested the Township Board by letter to Louis A. Toth, supervisor, to hold up making of any decision until after a public hearing

sponsored by the Association and to be held at the Belleville High School cafeteria at 8 p.m. tomorrow (Thursday, Sept. 19).

The Wayne County Planning Commission last Monday, Sept. 9 affirmed a recommendation of the Van Buren Planning Commission approving the rezoning.

The Association that has held several meetings recently on the new rezoning plan scheduled the hearing to permit area residents to voice their views for or against the rezoning as now proposed by

Frank Volk, Sr., a Dearborn, Mich., land developer, who is seeking to construct multiple apartment dwellings on the acreage.

The Township Board is expected to hand down its decision at their Sept. 24 session, Toth reported. A previous attempt to rezone the site ended in a referendum vote and voter defeat in May, 1968.

Since then, Volk's counsel has submitted a new rezoning proposal that reduces the number of dwelling units and sets aside an area for the construction of single homes.

Huron OK's Water Line Contract

NEW BOSTON — The Huron Township Board of Trustees have approved a contract bid for the construction of approximately 89,000 feet of water line extensions, George Angel, supervisor, announced Monday.

The low bid for the two-part water line project was submitted by the Canzano Excavating Company. The bids were \$512,987 and \$635,465.

The water line extensions will be installed throughout the township Angel said. The bond sale to finance the water line extension program is scheduled for Oct. 3.

Library Holdings

Increase at EMU

YPSILANTI — The Eastern Michigan University library added 33,062 volumes to its collection between June, 1967 and June, 1968, Librarian E. Walfred Erickson reported.

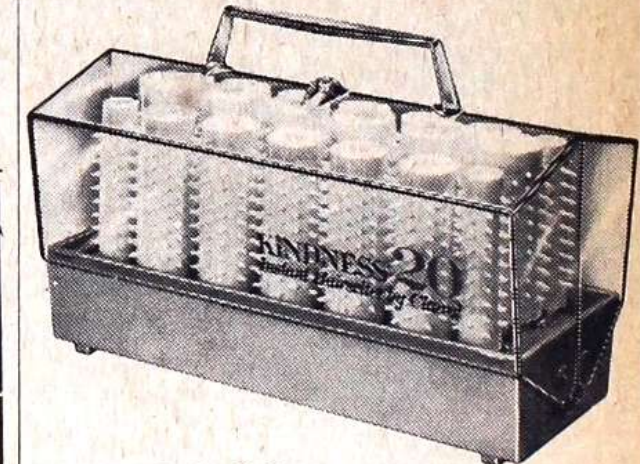

The library has also added 1,757 reels of microfilm and 18,570 pieces of microform, Erickson said in an annual review of library holdings. These acquisitions are at double the rate of the preceding year for books, and the acquisition rate for microfilm and microform increased 25 times, he said.

Whatever you're celebrating, flowers show how important you feel the occasion is. We'll advise you, or follow your specifications, in making the appropriate floral arrangement, well within your budget.

Outside it could be cold on the shady side of the house, colder on the windy side, warmest on the sunny side. But inside—with modern electric heat—you can be cozy and comfortable, all through the house.

That's how it is with electric heat. Electric heat is the cleanest, quietest, most comfortable heat you can get.

And that's not all. The operating cost is guaranteed. For full details, just call Edison or an Edison-Approved Electric Heat Contractor.

So get electric heat. It's ever-ready, always comfortable. It's the even-tempered heat. **EDISON**

Electric heat... the even-tempered heat.

AN EDITORIAL

A National Primary?

Is the national primary election to select presidential candidates for major parties a good idea? We think so, provided it is not entered into hastily or without great planning and preparation.

A few weeks ago most of us watched the Republicans go through the spectacle of a national convention. An impressive and colorful event it was. A serious and thoughtful gathering it didn't appear to be.

In view of what the Republicans did in Miami Beach, the Democrats did something to take some of the gaiety and giddiness out of their Chicago convention. Perhaps they succeeded, but politicians are still quite fond of blowing the horn for their favorites.

Whatever we do, however, let's not rule out the national primary as an answer to the problem of giving the people a real voice in governmental processes. The millions of independent voters in this nation would then be brought into the arena of political activity.

How much would a primary cost the nation and the candidates? A tremendous amount of dollars, and certainly, the national primary would end the fantastic expense of wooing and winning individual delegates.

We think the idea of a national primary for presidential elections show great promise. Let's see more discussion and consideration of this idea.

New Architect Need is Cited

One of the reasons why there will be less heard of government plans to rebuild American cities, wipe out poverty and find jobs for the unemployed in these directions in the past seven years.

According to figures published in U.S. News & World Report, after seven years of striving, the government has achieved little other than to run up huge bills and expand an already gigantic bureaucracy. During this time, the federal debt has risen by \$63 billion, the value of the dollar has declined 13.5 cents, taxes on incomes of individuals have gone up by \$30 billion and on corporations by \$10 billion.

The civilian bureaucracy has increased by 421,000 new jobs.

In spite of all this, big city problems have grown steadily worse, respect for law and order has virtually broken down, and colleges have become headquarters for rioters rather than seats of learning. If nothing else, the past seven years have shown the futility of looking to government as the chief architect of progress.

Grassroots Opinion

GRAFTON, N. D., RECORD: "The march on poverty and those graphic presentations of the conditions some of our less fortunate citizens live under are appearing thick and fast these days. There is just one ingredient missing in these human interest sagas. You never see anyone with a mop or a broom. You never see signs of a desire for a change - active desire. Certainly no one in his right mind would lack for desire to make haste from these slum dwellings, but there

are different kinds of desire. A man may have a passive desire for most anything, but that isn't going to help him achieve it. It is active desire that goads him to act towards achieving his ambitions. A broom, a mop and a bucket of soapy water would be a manifestation of that active desire."

MANCHESTER, GA., MERCURY: "It should become evident sometime that the working few cannot continue to support the peoples of the entire world."

WATERVILLE, MINN., ADVANCE: "Income tax, state tax, federal tax, sales tax, luxury tax, inheritance tax, improvement tax, etc., etc., etc. You name it, we've got a tax on it. Now comes the surtax. Even the citizens' patience is being 'taxed' but that seems to make no difference to our legislators or administration. As long as they can think of anything to tax, they slap it on and then let us worry about finding some way to pay it."

LETTER BOX

To the Editor: In the August 6, 1968 Primary election, a voter who is related to one of the Trustees and voted in this election, although not a resident of this Township, was challenged at the polls. The result of this challenge had not been given to me.

I am wondering how many more voters that voted in the Township election are not legal residents of this Township.

I would appreciate the results of the challenged vote and I presume the rest of the voters in Van Buren Township would like the results also.

Lorenzo Wells

The Ones Who Don't Rebel

By KERYGMA FEATURES

If the world is a wilderness, plant a garden.

Thousands of young people who operate on that premise volunteer for service every year. Arthur Gillette in a new paperback book, "One Million Volunteers," gives an account of their many occupations overseas, and of the perils and rewards of volunteer work, and the generation that eagerly seeks it.

Termed by its author "a phrase book, not a dictionary" of voluntary service, "One Million Volunteers" is a stimulating and comprehensive history of the movement that began with a work-camp rebuilding farmers' houses on the battlefield of Verdun after World War I and now comprises more than 250 organizations which recruit, train, and send thousands of young volunteers every year from North America, Eastern and Western Europe, Australia, and New Zealand to developing countries.

Gillette has drawn on his wide experience in voluntary service work to make the book anecdotal and international.

He communicates the intoxication and frustration of doing hard work far from home. A surprising variety of jobs is done by volunteers today.

SINCE THE creation of the Peace Corps, volunteer work has become more specialized, talents and training are needed more than muscle power. Tree-doctoring, bee-keeping, making plastic legs for lepers, writing text books, planning the expansion of a municipal electric system, restoring endangered art treasures are some of the more unusual volunteer occupations cited by the author.

The book contains criticism of overseas service as well. There are accounts of volunteers paid more than local teachers, others who employ several servants, of insufficient training given by some organizations, and of carelessness about where help is needed and where superfluous.

There are also plenty of ideas for the future too, such as exchange of volunteers between neighboring countries in Asia, Africa, and Latin America, and the experimental use of genuinely international teams of volunteers in UN projects.

There is every indication that the ranks of volunteers are increasing. Their impact on the agony of a divided world may not be immediately apparent, but their very existence is a promise that all is not lost, not just yet.

In the Open

BY LEE SMITS
Special Writer

Michigan pheasants are reported to be in a slump. A friend whose outdoor savvy is as good as anyone's around believes that the Conservation Department should "do something." Or encourage sportsmen's clubs to "do something."

If there is anyone who can "do something" for pheasants it is the successful Michigan farmer. Part of his success is due to the high fertility of his land. Pheasants are concentrated on rich soil. Naturally, the richer his land, the less inclined a farmer is to set aside chunks of it for the birds. In fact there are farmers who regard the pheasant as a pest. Pheasants attract pheasant hunters and some pheasant hunters leave trouble in their wake as they roam the fields.

Game biologists are not in ready agreement as to reasons for the ups and downs of pheasant populations. Requirements for pheasants are the same as for other game species - food and shelter.

RICH SOIL, if not too closely cultivated, will produce ample crops of weeds and weed seeds are prime pheasant food. Pheasant killed in South Dakota corn fields will be stuffed with wild seeds.

The original home of the pheasant was the plains of eastern Asia where winters are savage. Pheasant will survive the worst southern Michigan winter - if they are well-fed and if they can take refuge from icy winds.

In South Dakota some years ago four Michigan hunters hit the jackpot. They had no trouble filling their limits. However, there was a break in their fun at the close of day when, taking turns, one member of the party had to stand in line, draped with birds, to hand them in at a cleaning station in a cold-storage plant.

He stood there for an hour or more while his pals were relaxing and refreshing themselves in the hotel. In the plant women and girls seated at long tables shucked pheasant, far into the night. Dressed birds were kept until called for, with a claim ticket.

The next year two more dressing plants were opened in the town, but there wasn't enough business to keep one plant going. Pheasant were down to about what they would be in a poor Michigan season.

Everyone you asked had a different explanation for the slump. During the winter fox hunters had flushed as many as 1,000 pheasants per square mile, so it was assumed a bad nesting season might have been to blame for the pheasant shortage.

SOME YEARS ago a book costing \$12 was published in England. The book dealt with population cycles. The book was heavy reading. The final chapter summed the matter up about like this:

"When scientists undertake the study of population cycles among wild animal species they find themselves standing on the shore of an uncharted sea, with no land in sight."

That is to say, there are mysteries that remain mysteries. The ups and downs of our ruffed grouse populations are an abiding mystery, in spite of all the theories biologists come up with.

Theories for solving the pheasant problem must start with land-use. Clean farming did away years ago with brushy fence rows. Highways, dredging, bulldozing, have diminished natural game cover in every part of the Lower Peninsula.

IT WOULD take a considerable amount of money to induce farmers to set aside areas for game habitat. Organized sportsmen might work out agreements with land owners for carrying on wildlife management.

In any event there isn't much that the state can do about it. Clamping down emergency closed seasons is no cure because game cannot be stock-piled and it is doubtful that normal harvesting of male pheasants affects the production of birds in the next season.

Chicken Raising Programs In El Salvador are Described

(Editor's Note: The following is another article submitted by Mr. and Mrs. LeRoy Mabery, Peace Corps Volunteers now supplementing Peace Corps Work with the El Salvador Agriculture Extensive Service, El Salvador, Central America. Mrs. Mabery is the former Hazel McCutag of New Boston.)

Chickens! Chickens! Chickens! This year our back porch was again filled with little chickens. Like last year we were taking care of chickens until they were one month old in order that they would receive the proper and delicate care necessary during the critical first month.

We thought last year's projects were enough. However to our pleasant surprise the demand has almost doubled. Last year we had 17 chicken projects. This year there are 28 projects consisting of 500 chickens and there are still requests for more.

We had all kinds of experiences. Five of last year's projects, which began with 12 chickens (10 hens and 2 roosters) are now between 50 - 75 per flock. These are our outstanding successes.

ON THE Other hand four projects were wiped out because of typhoid and cholera diseases. Here in the tropics great care must be taken to successfully breed chickens. There are so many diseases that careful vaccination, medication, alimentation and disinfectant programs have to be carried out to achieve any measure of success.

Besides the above mentioned adequate housing, feeding, and water systems have to be provided. Despite these requirements, the demand for chickens increased. And to our

Letters Are Welcome

Getting things off one's chest in relation to the pros and cons of everyday community affairs and municipal operations by a Letter To The Editor is an excellent method of letting us know how you feel about your town.

We welcome Letters to The Editor. It is one of the many ways of expressing your thoughts and opinions. Please keep your letter within 300 words and we request the writer to sign his letter.

Requests to withhold the writer's name will be honored. All letter matter use will be subject to our decision. Let us hear from you and how you feel about your community.

If It Fitz...

Candidate Wallace Unfair

By JIM FITZGERALD

The shame of my life is that I served three years in a segregated army without protesting one peep.

The hope of my life is that my son was amazed to learn there ever was such a thing as a segregated U.S. Army.

Onward and Upward. But man, it is a slow and agonizing trip.

I'm scribbling these thoughts after watching one of the splendid "Of Black America" TV shows. They are sponsored by Xerox, just about the only national advertiser with guts enough to lend its name to anything more controversial than "I Love Lucy."

This particular Xerox show told how the U.S. won World War II with two armies - one white and one black. Mostly, the blacks did the dirty work, finding what glory they could in toting cargo and driving halftrons. Most certainly, they lived apart from the Marvelous White Man, always in the shabbiest section of camp. This is how they fought for the Land of the Free.

Ten-year-old Eddie couldn't believe it. He also couldn't believe that, only 20 years ago, Willie Horton or Willie Mays would not have been allowed to play big league baseball simply because their skin is black.

"That sure wasn't fair," Eddie said.

Ah, Out of the mouths of babes.

It is sad that such unfair things could happen and still happen. The only encouraging thing is that, incredibly, we are a civilization which can measure fairness by the calendar. What was fair yesterday can be a dirty gyp today. We do wake up, but slowly. This is not right but it is better than a sharp stick embedded in the eyeball forever.

An earlier Xerox show dealt with slavery. A present-day plantation owner was interviewed. He mourned for the by-gone days when "our nigras" were happy and well behaved, just giggling and singing as they picked cotton all day, yassuh boss. This was before the meddling agitators came out of the north to tell southern Negroes that life looked better from the front of the bus except keep a close eye on the driver. But the plantation owner admitted he and his friends were getting "more liberal" as years passed.

"In what way are you more liberal?" asked the interviewer.

"Well," said the owner, "we are beginning to realize that Negroes are human beings."

"What did you think they were before you thought they were human?" the interviewer asked.

"Well, we regarded them as sort of big pets," the owner admitted.

No comment. I might throw up on the words.

My discouragement grows when the mail brings me such messages as this one, received last week:

"Negro crime, riots and their population explosion grow worse and worse. Our only hope is Wallace. Psalm

BY PEACE CORPS PAIR

CHICKEN PROJECT - LeRoy Mabery, Peace Corp Volunteer (left) with one of the 40C Club (similar to 4-H) members, Rene Rivas, 12; working on one of the chicken projects (raising and the care of chickens being shown to 4-C members). It is the second year for Rivas as a 4-C Club "Espana" member in the community of "La Esperanza."

great contentment, the four 4-C members who lost their projects due to diseases bought more chickens in order to continue to have eggs and meat on their tables.

Other members decided after observing the overall success of their neighbors' projects to also buy chickens.

MOST OF last year's problems were due to carelessness by the 4-C members and their families concerning proper care. This is easy to understand when one knows there had never been chicken management before our arrival to Teocuala. For hundreds of years chickens have run loose. No care was ever given. Most native chickens laid few eggs and usually died at one year of age when the hot, humid, rainy season began.

Now from last year's experiences they have learned that preventing diseases, and with proper alimentation and housing, chickens can be successfully bred and cared for.

Thus we feel last year's experimental projects were a success. 4-C members and their families have learned about proper poultry management, and are prepared to make necessary sacrifices to achieve success.

For us, the real value comes when we see them eating eggs and meat at their meals and know their nutrition and health is about to improve.

Approximately 25 cents of each dollar spent for food goes for red meats. In 1967, per capita consumption of beef in the U.S. was 105 pounds. Michigan State University home economics predict it will reach 125 pounds by 1980.

140:1, Second Corin. 6:14 & 17. Exodus 21:12,1. Amos 5:15."

There is nothing more depressing than a Bible-quoting bigot. Unless it is a Bible-quoting bigot who thinks George Wallace can save the world.

You can hit me in the head with 1500 Bibles but you'll never convince me it is Christian to judge a man by his skin. If anyone's Bible says black people are born less worthy than white, then that Bible is wrong.

And there is no way you can sell me George Wallace as anything but an opportunist who shouts "law and order" when he means "keep the niggers in their place." And his followers know exactly what he means. Along with law and order you must have equal justice for all. You are not going to get it from a man who, as governor of a state, would physically bar a public university to black skin. Old law-and-order George doesn't talk about the law he tried to break when he took his famous stand in the schoolhouse door.

But this too shall pass. Wallace is not a fair man. This will be evident when, some day, my grandchildren will be amazed to read that a racist like George Wallace could have been a serious candidate for President of the United States.

The day must come when racists of all colors will be regarded as the distasteful freaks they are. If it doesn't my great grandchildren may some day be surprised to read that the States were once United.

Yesterday's Headlines

20 YEARS AGO

SEPTEMBER 17, 1948 - Headlines proclaimed "Tiger-Eagle Gridders Clash Tonight." The old rivalry was to be fanned in an under-the-lights battle at Romulus High (which no longer is allowed night games.)

Belleville Kiwanians were sponsoring "The Light Eternal," a Biblical drama, with a cast including such familiar names as Ted Hooten (Senior and Junior), Patty Sullens, John Barber, Art Sullens, Phyllis Roberts, Bill Burhop, Gloria Krokker, Claire Wilson, Russ Seaman, and Gaal and Myrtle Young.

A \$1,200 baptistry was to be dedicated at the Grace Baptist Church, Belleville.

Romulus High's Band received a trophy in recognition of its performance at the Michigan State Fair. Their appearance was set to music in a 30-minute concert.

Belleville High School librarian Miss Dorothea Lobban sent her resignation to the School Board expressing dissatisfaction with the general handling of her department.

Registration was up in Huron Township Schools for an all-time high.

15 YEARS AGO

SEPTEMBER 16, 1953 - Photos on page one announced the new location for the Enterprise-Roman offices. The new address was 110 Fourth street (which is now part of the National Bank of Detroit.)

Rites were held for pioneer Romulus businessman, Edwin T. Taylor, who died following a seven-weeks illness.

Dr. E. S. Alford announced hopes for opening a new hospital in Belleville. Initial date for the 40-bed facility was to be Oct. 1.

Front page announcements included a new high in school enrollments for the area with 2,734 in Van Buren; 476 in Sumpter; and 276 at Rawsonville.

Society news noted the engagement of Floyd Stabnau and Peggy Akans and the Sept. 9 birth of a daughter to Mr. and Mrs. Clark Mason.

10 YEARS AGO

SEPTEMBER 24, 1958 - "On Our Doorstep - the Nation's Newest Airport" was the bold-face head which greeted readers of the E.R. one decade back. Detroit Metro was to open its runways and terminal Oct. 1.

The widening of Main street, Belleville, - sometime in 1958 - appeared to be a virtual certainty at the City Council's Monday night meeting Sept. 22.

Meanwhile, back on the sports pages there was the happy declaration of Belleville's season opener as they tripped the Lincoln eleven by 20-13. And victory, victory was the cry in Romulus, also, as they trounced over Inkster, 26-6.

IS YOUR SON OR DAUGHTER OFF TO COLLEGE?

Certainly you write as often as you can, but you just can't cover all the news the way The Enterprise - Roman does.

Send him or her a Gift Subscription. The paper will be mailed out regularly each week. It will keep your son or daughter posted on everything going on in the community. It will be a complete newsletter from home.

PLAN REVISION

PROS and CONS

Foodville's Remodeling Program in Pictorial Review

EVERYTHING FOR THE FAMILY — is available at Foodville, Belleville's largest independent store located at 524 Main Street. Above is a view of the store's well stocked produce section.

NEW MEAT SECTION — Foodville Supermarket, now under new management, has been completely remodeled. Above is the market's new meat section stocked with every known meat item that are available today.

SPACIOUS AISLES — can be found at the new Foodville Market. Cases and shelving are so arranged throughout the store as to make it a comfort to shop and easy to locate desired grocer, meat and produce products.

Grand Opening is Sept. 25

BELLEVILLE — Foodville, the largest independent supermarket in the Belleville Area and now under new management announced that Grand Opening festivities will begin Wednesday, Sept. 25.

The popular market, located at 524 Main Street, has been completely remodeled throughout for the comfort of clientele and for easy access to grocery, produce and meat items.

During the Grand Opening week, customers will be eligible for drawing of Grand prizes.

Foodville is now owned by Albert W. Rizzo, who along with his wife, Mrs. Virginia Rizzo are experienced and market operating veterans.

THEY TOOK over Foodville last June but the Grand Opening was delayed pending the installation of new shelving throughout the market, new frozen food Department and Meat Department cases. A complete line of grocery and meat items are available. The

produce section was also newly remodeled and new cases installed.

Rizzo and his family, wife, and three sons moved to

High School and James, 10; and Thomas, 8; attend the Rawsonville Elementary Schools.

Rizzo was born in Central

ALBERT W. RIZZO

MRS. VIRGINIA RIZZO

Belleville from their former home at Union Lake, near Pontiac, Mich.

The sons: Albert, 12, is a student at Belleville Junior

City, Pennsylvania and his wife in Detroit. He was a former partner in a Clarkston, Michigan supermarket prior to coming to Belleville.

Moose Lodge Notes

by George W. Steger

The Loyal Order of Moose, Belleville Lodge No. 934 held an Enrollment on Saturday Sept. 14, at the Moose Home with the ritualistic work by our own Belleville Ritual Team.

Ten new members were taken into the defending circle. They Are: Gerald Barton, James Sharpe, Donald Anderson, Russell Peabody, James Wilson, James Baundraher, John Sharrow, Eugene Hill, John Arbaugh, Kenneth Cloer with Eugene Hill as the Class Representative.

A dinner was served by the Women of the Moose. After the enrollment dancing was enjoyed to the music of "The Larry Champe Trio".

Membership Chairman Raymond Little presented Brothers Al Carothers, William

Montroy, Ed Shumbera and Dale LaPorte awards for signing up members.

Governor George Manley presented Junior Past Gov. Arthur LaPorte his Governor Merit Award and presented Secretary George Steger his seventh star for his plaque. Secretary Steger is a Seven Star Secretary.

Newly elected two-year trustee Douglas Day was installed by Junior Past Gov. LaPorte.

Tonight (Wednesday, Sept. 18) there will be an officers meeting at the Moose Home at 7 p.m.

Brother Roy Groves is in Wayne County General Hospital and I am sure he would enjoy cards. Brother Dale Schmeltz is in the Ridgewood Hospital.

Senior Club Sets Garage, Bake Sale

BELLEVILLE — The Belleville Area Senior Citizens Club is holding a Garage and Bake Sale Friday and Saturday Sept. 27 and 28, Richard Coffelt, director, announced.

The affair will be held from 9 a.m. to 8 p.m. each day either in the Township Fire Hall in Belleville or the store across from the old Township Hall (formerly occupied by the State License Bureau and Oxbow offices).

Club members are requested to supply as many items as they can for the sale. Community help is also requested in donating "something old" or bake goods for the support of this fine group of senior citizens in the Belleville area.

ITEMS FOR the Garage Sale may include anything that can be carried by one person such as — chairs, lamps, glassware,

silver, collector items — cups and saucers, aprons, jewelry — no over-stuffed furniture or refrigerators.

The Bake Sale items may be bread, pies, cookies, rolls or candies. These should be wrapped and ready for sale in half dozen or dozen amounts. Articles for the sale may be

left at the Belleville United Methodist Church during the week of the sale or contact Dick Coffees, at 697-0085.

Coffee and donuts will be sold during the two-day sale.

The local business men on their coffee break are invited to drop in and visit the sale.

New Choir Head Named

BELLEVILLE — The appointment of Alfred Hurshburger, of Ypsilanti as the new choir director at the United Methodist Church of Belleville was announced by Rev. Allen B. Rice II, pastor.

Hurshburger, who resides with his wife at 1403 Borgston, Ypsilanti was born and raised in Lapeer, Michigan.

He attended the University of Michigan Music School, receiving his Bachelor of Music

Degree in 1959 and his Masters of Music Degree in 1964.

He also received a Specialist in Art from the Eastern Michigan University in 1967.

Both Hurshburger and his wife, Eloise, are teachers in the Wayne Community School District.

Al teaches the Sixth Grade Music and Mrs. Hurshburger teaches the Fourth Grade. She holds both a BA and MA Degrees from the Eastern Michigan University.

265 Candidates Vying for County Charter Commission

A field of 265 candidates will be vying for nomination to the proposed Wayne County Charter Commission in the Nov. 5 general election.

The primary for Charter Commission nominees will be on the ballot in tandem with the question asking the voters if they wish to establish the charter body to draft the first county home rule charter in Michigan.

If a majority votes "yes" on the Charter Commission question, a final election to select its members will be held early next year, probably in February.

Two nominees will be

selected on a partisan basis in each of 35 districts.

THE HOME RULE question was put on the ballot by the County Board of Supervisors after a citizens' "Committee of 99" conducted a year-long study and concluded that "significant improvement" in the present county structure could be made under county home rule.

The Charter Commission would have six months in which to draft a county charter for submission to the voters.

The charter would set forth the structure and functions of Wayne County

government, within the limits of the Michigan County Home Rule Act of 1966.

County home rule would modernize the present "horse and buggy" structure of county government by establishing an elected county "mayor" and by streamlining the present maze of boards and commissions, according to its proponents.

ANY CHANGES made under county home rule would pertain only to county government, and would not affect city, township or village governments. Home rule would not give the county any power to take over local functions.

Also on the Nov. 5 ballot for the first time in history will be the election of members of a new 26-seat County Board of Supervisors, which will replace the present 135-member county legislative body on Jan. 1.

Voters will choose between a Republican and Democrat in each of 26 districts.

Prominent figures from many communities are among the Charter Commission candidates. A number of county employees are also in the field, including County Auditor Arthur A. Sumeracki, an Inkster resident who is one of three Democratic candidates in the 29th District.

Other well-known candidates include: Westland Mayor Thomas H. Brown, (D) 28th District; and River Rouge Mayor John F. McEwan, (D) 33rd District.

Romulus Appoints Appraiser

ROMULUS — The appointment of Harold L. Reiner, 43, of Zaneville, Ohio, as the first full time appraiser for Romulus Township was approved by the Romulus Township Board of Trustees Sept. 9.

Reiner, who will assume his township duties on Sept. 16, at an annual salary of \$9,200, holds a degree in business administration. He held the position of job supervisor for a real estate appraising firm, prior to his appointment.

He is married and the father of one child, a son.

MR. AND MRS. TERRY L. KOZLOWSKI

Central Seniors Wed In New Boston Church

Sprays of white gladioli and carnations graced the candlelight altar of the New Boston Methodist Church August 30 as Marsha C. Harris approached her waiting bridegroom, Terry L. Kozlowski, on the arm of her father.

The Rev. Frank Leineke read the double ring nuptials at seven thirty in the evening which united the daughter of former Romulusites, Mr. and Mrs. Ernest W. Harris, of 4068 Calhoun, Dearborn, and the son of Mr. and Mrs. Alex Kozlowski, of 3654 Erie road, Erie, Michigan.

Mrs. Pearl Varner was at the organ to accompany Martha Moore, who was soloist for the happy occasion.

THE DARK-HAIRED bride wore for her wedding day a toe-touching gown of organza over taffeta with appliques of lace frosting the fitted bodice. Traditional tapered sleeves and a chapel train of organza centered with floral appliques distinguished her high-necked frock.

Her bouffant veil of silk illusion cascaded to mid-back length from a headpiece of organza roses and she carried a single white orchid surrounded by stephanotis and foliage.

Pale yellow gowns of organza over taffeta were chosen for the bride's three attendants—Judy Hutchens, of Charlotte, who was honor maid; and Alice Harris and Brenda Kozlowski,

sisters of the bride and bridegroom.

Their headgear matched their dresses and they held arrangements of pale green camellias.

Larry Bulemore, of Corunna, served as best man and ushers were Dennis Grodi, of Erie, and the bride's brother, Joab Harris.

SOME 70 GUESTS gathered in the church dining room for the reception which followed. Mrs. Harris was in a metallic gold suit for her daughter's wedding and Mrs. Kozlowski chose a gold ensemble. Both added green cymbidium orchids to their frocks.

Now making their home at 10317 S. Shepherd road, Shepherd, Michigan, the newlyweds spent five days honeymooning in Northern Michigan.

Both Marsha and Terry are seniors at Central Michigan University.

St. Patrick Altar Society Show Set

CARLETON — The St. Patrick Altar Society is sponsoring a Fashion Show and Card Party — "Sugar 'N Spice 'N Everything Nice."

The affair will be held on Sept. 18, at the St. Patrick's Auditorium, Exeter and Labo Roads.

Card playing will begin at 7 p.m. with the fashion show following at 8 p.m. There will be door prizes and a grand raffle of a cedar chest filled with linen. Donation is \$1.25.

All Around The Town...

WITH LEE

WISE FAMILY MEETS

MEMBERS OF the Wise family—some 49 in all—gathered Sunday, September 15, at Lower Huron Metro Park for their annual family reunion. The pot-luck affair on one of the nicest Sundays of the year included folks from Oak Park, Lapeer, Detroit, Albion, Concord, and Toledo.

Attending from this area were Mr. and Mrs. Hugh Hurlburt (she is the former Alma Wise and the eldest of the Wise clan), Mr. and Mrs. Russel Hurlburt and daughter, and Mr. and Mrs. Bob Walton and son, all from Romulus. Those from Belleville were Mr. and Mrs. Bill Goldsmith and family and Mr. and Mrs. Dan Baily and sons.

OFF ON VACATIONS

BACK IN town after an absence of five days are the McLaughlins—John and Donelda, of Belleville road,—who traveled to Atlantic City to take part in the 50th anniversary of the Railroad Engineering Unit of World War I of which John was a member. The couple made their headquarters at the Seaside motel where the confab was held and while their men were engaged in business matters (and remembering when) the ladies took in the Miss America Pageant.

Since Atlantic City has no airport, the McLaughlins jetted their way to Philadelphia and then traveled via limousine to the boardwalk city. Next year's meeting is planned for Roanoke, Virginia.

ALSO BACK home are the Olin Wymans, of Edgedale drive, who were away for six weeks—their destination, Alaska. Journeying by train to Lake Louise, they then boarded a boat for a cruise to Juneau, then flew on to White Horse. After three weeks they were met at Vancouver by their son-in-law and daughter, Mr. and Mrs. Jerald Gill, who accompanied them back to their home in San Rafael, California.

Following a three weeks visit with their children, the Wymans made their way back to Michigan via jet.

MORE ON STUDENTS

DONNA CURRY has returned to the University of Michigan for her senior year. A music major, she is living at the Alpha Gamma Delta house which was designated Number One scholastically on the campus. Donna's parents are the Don Currys, of Robbe road. OTHERS CONTINUING their education are Wendy and Russ Quelch who've returned to classes at Michigan State University. JANIE PATTERSON is enrolled for her first year at Central Michigan, Mt. Pleasant, and also answering freshman roll call are Emily Apap, Gary Fulton, and Mike Greathouse, who are at Washtenaw Community College. DONNA GREATHOUSE, in the meantime, is a second-year student at Eastern Michigan University and is sharing an apartment just off campus with four other friends.

More next week.

FAMILY TOGETHER

THE MOODY family enjoyed a get-together September 2 at the home of Mr. and Mrs. Jimmy Moody, of Sterling street, Romulus. On hand for the pot-luck dinner and pleasant day were the Loyd Moody family, Mr. and Mrs. Verlin Moody and daughters, and Mr. and Mrs. Henry Moody and daughter, Fay, all of Romulus; the Elbert Moody family, from Fortville, Indiana; and Mrs. Ina Eastridge and son, Jimmy, from Rockwood.

A week later a going away party took place at the Loyd Moody's McBride road home, in Romulus, honoring Jimmy Eastridge, who as slated to enter the U.S. Army.

Guests included Jim's mother, Mrs. Ina Eastridge, the James Sanderson family; the Paris Eastridge, Henry Moody and Eugene Garland families; Jerry and David Henry, and from Rockwood, Bob Digue.

(continued on page 7)

MR. AND MRS. JAMES W. WILSON, JR.

New York Church Is Setting For Kruger-Wilson Nuptials

Double ring vows were solemnized at Our Lady of the Snow Church, in Bluepoint, New York, uniting Karen Sue Kruger, daughter of former Romulus residents, Mr. and Mrs. Donald Kruger, of 365 Johnson avenue, Bohemia, New York, and James W. Wilson, Jr. His parents are the senior James W. Wilsons, of 58 Greely avenue, Sayville, New York.

Father John Gabriel presided over the one o'clock nuptials at which Mrs. Margaret Romoine was organist and Mrs. Harper, soloist.

WALKING to the altar with her father, the bride appeared in an A-line creation of organza with appliques of beaded Chantilly lace. A detachable organza court train which drifted from a bow at the back, was outlined in matching lace. She carried an arrangement of white daisies surrounded by stephanotis and myrtle and her three-tiered elbow-length veil of English illusion fell from a Chantilly headpiece inset with lilies of the valley.

The bridal coterie was headed by the bride's cousin, Kathleen Sulek, of Bridgeport, Ohio, the maid of honor. Kathy Milatz traveled from Romulus to serve as bridesmaid at her friend's wedding. Other attendants were Jo Wilson, sister of the bridegroom, and Sandra Czerpinski, of Sayville, L.I., New York.

Miss Sulek appeared in a pale yellow ransu ottoman gown with Venice lace trim and appliques on the bodice and sleeves. A wide-brimmed picture hat and colonial bouquet of yellow daisies completed her ensemble.

The bridesmaids' dresses were identically styled in limette shades and their bouquets were in yellow.

Heather Wilson, four-year old sister of the bridegroom, was flowergirl in a miniature version of the honor maid's frock. She wore a band of fresh yellow daisies in her hair and carried a basket filled with matching flowers.

THE BRIDEGROOM chose Warren Mumford, of Cornwall, New York, to be his best man. The corps of ushers included Richard Beer, of Sayville, New York; Richard Hamm, of Richmondville, New York; and Michael Chater, of Mt. Vernon, New York.

The Lund's End Restaurant was reserved for the reception which followed. Some 100 guests were greeted by Mrs. Kruger in an aqua silk sheath jacket-dress with matching accessories. Her corsage was of pink and white roses. For her son's wedding Mrs. Wilson donned a pink ribbon lace frock harmonizing accessories and added a corsage of gardenias.

Following a two week honeymoon at Nantucket and Cape Cod the newlyweds made their home at 110½ Prospect street, Schenectady, New York.

The new Mrs. Wilson attended Romulus Schools before graduating from Sayville High. She later attended California State College and Adelphi-Suffolk, in Oakdale, New York. She is currently employed as a dental assistant for Dr. K. W. Purdy, in Bayport, New York.

Her husband graduated from Sayville High and is currently in his senior year at Union College, Schenectady, where he is affiliated with Delta Phi fraternity.

Oklahoma Honeymoon Follows Detroit Vows

St. Thomas Aquinas Catholic Church, Detroit, was the setting August 31 for the double ring ceremony which united Margaret Ann Willett and Donald J. Greca, Jr. in holy matrimony. Monsignor Merwin Lenk officiated the nine-thirty o'clock nuptials before an altar adorned with white gladioli and chrysanthemums.

Two solos, "Ave Maria" and "Panis Angelicus", were sung by Linda Francis.

Mr. and Mrs. James Willett, of 6267 Grandville, Detroit, and the senior Donald J. Greca, of 46912 Bemis road, Belleville, are parents of the young couple who honeymooned for one week in Oklahoma.

ESCORTED TO the sanctuary by her father, the bride was gown in a white satin frosted with rose lace appliques. The A-line frock was fashioned in the empire mode with a scalloped lace neckline, bishop sleeves, and a chapel train.

Her elbow-length illusion veil was caught to a sequin and pearl crown and she carried an arrangement of white roses, carnations and greenery trimmed with white streamers. Wearing an empire frock of sunshine orange was the maid of honor, Christine Jiepak, of Detroit. Donning yellow gowns were Linda Francis, the bride's roommate from Detroit; and her sister, Donna Willett.

Their toe-touching gowns were designed with elbow sleeves and rose braiding outlining the high-rise waistlines. Their headgear was comprised of daisies and lilies of the valley and they carried carnation bouquets—the honor maid's made up of champagne flowers with green bows and streamers and the attendants' of green carnations with yellow ribbons.

THE TRIO of flowergirls included Anita Greca, eight; Kathleen Willett, 10; and Barbara Jean Willett, eight, sisters of the bride couple, whose floor-length frocks were styled with white lace bodices banded with yellow satin bows. They wore matching bows in their hair and carried miniature bouquets of white and yellow carnations with yellow daisies attached to the long streamers.

John Willett, seven, carried out the role of ringbearer at his sister's wedding.

Charles McRitchie, of Belleville, was asked to be best man and ushers were James Morris, of Ypsilanti, and Edward Greca, brother of the bridegroom, from Belleville.

Some 100 guests gathered for breakfast at the American Lithuanian Hall following the ceremony and returned in the evening for the reception. The 200 friends and relatives were greeted by Mrs. Willett in a turquoise dress with a companion lace coat and corsage of white carnations. A similar corsage was pinned to the lapel of Mrs. Greca's off-pink sleeveless dress which she chose for her son's wedding.

THE NEWLYWEDS are now making their home at 3050 Lakeview drive, Ypsilanti.

The new Mrs. Greca is an August graduate of Harper Hospital School of Nursing. Her husband recently completed his apprenticeship in tool and die at the Ford Motor Company and is now employed as a diemaker at the Ford Rawsonville plant.

Local Couple's Jade Collection Featured At Home Arts Club

The Home Arts Club opened its 1968-69 season Monday evening, September 9, at Belleville High School with the new officers presiding: Eunice Kause, president; Marguerite Greathouse, vice-president; Flo Hudge, recording secretary; Wanda Hughes, treasurer; and Mildred Keelan, corresponding secretary.

Announcement was made of the loss of two members, Ginger Domen and Nancy Olgren, who were moving out of state. Also noted were the classes in tissue collage and tin flowers which member, Jean Hanks, will conduct in her home this fall.

Following a brief business session at which 30 members answered roll call, the meeting was turned over to program committee member, Jan Sierota, who introduced Mr. and Mrs. Warren B. Hatch, of Belleville. The Hatches displayed a portion of their jade collection and narrated colorful slides of the lapidary work which is involved in cutting and polishing jade. The couple have won high honors

and recognition at the National Gem and Mineral Show in Illinois and have exhibited at Cranbrook, Detroit, Lansing, Jackson, and Muskegon.

FOLLOWING THE interesting program the serving committee, Carol Dolph, Doreen Craven, Marge Vaughn, Marguerite Greathouse, Elaine Habel, Judy Mendel, and Wanda Hughes, served individual cream and fruit tarts, nuts and mints, and tea and coffee. The table was beautifully appointed with a fresh fruit arrangement as centerpiece.

Introduced as guests for the evening were Sandra Klepper, Laura Landis, Dorothy Curtis, Nancy Bolton, Shariene Tator, Sylvia Mills, Joy Hill, Francis Ensch, Nancy Amerman, and Marian Garlick.

Shariene Tator was the winner of the door prize for the evening—lovely jade earrings donated by Mr. and Mrs. Hatch.

The October meeting, which was closed to members only, is to be the annual smorgasbord dinner. Jan Sierota has invited the club to hold the event at her home on Quirk road. Members are reminded to bring a "white elephant" item for the silent auction which will highlight the evening.

DICK and BILL HOOK

It has been said that the modern American uses his feet only to get from his TV to his automobile. Nevertheless, walking is No. 1 among America's favored outdoor recreations (up from third place in 1960). And no wonder. It is the easiest, cheapest and one of the pleasantest forms of recreation and exercise. It strengthens body and mind alike; many cardiologists recommend it for heart patients, obstetricians for mothers-to-be. The walker is not necessarily a determined hiker; he aspires only to stretch his legs, and perhaps his soul, for a few minutes or hours.

HOOK'S CLEANERS

It only takes a few hours to have all your cleaning done expertly. Bring it in to HOOK'S CLEANERS, INC., 32328 Michigan Ave., Wayne (PA 2-0162), 35 Main, Belleville (697-8600), and 37311 Goddard, Romulus (941-1010). Drapery specialists.

HELPFUL HINT:

A small dish of ammonia left in a closed oven for 24 hours will soften stains and make them easier to remove.

WOMEN Of The MOOSE

By Marjorie Kelley

Belleville Chapter of the Women of the Moose held their Chapter Night September 9. Two new members were welcomed at this meeting, Jeanette Doman and Jean Custer.

On Sunday, September 8, Martha Morton, Senior Regent, and Helen Wiltzie, co-worker, traveled to Coldwater to a meeting in honor of Deputy Grand Regent Dorothy Devanny.

On Saturday night, September 14, the Publicity Committee members and other co-workers of the Women of the Moose served a roast beef dinner for the members and the Ritual Team who presided at the men's enrollment. There was a large turn-out and the dinner was a sell-out.

On Friday, September 20, the Women of the Moose will start their fish fries. The dinners will be served every Friday night with a selection of fish, shrimp and a meat. Come out and join the fun.

Connie Ely To Be Installed Worthy Advisor

Connie Ely, daughter of Mr. and Mrs. Kenneth Ely, of 19765 Crandall court, Belleville, will be installed as Worthy Advisor of Belleville Assembly # 49, Order of the Rainbow for Girls. A public installation will be held Sept. 21 at 7:30 p.m. in the Masonic Temple for the new officers.

WRAP-UP MEETING—Members of the Tri-County Osteopathic Auxiliaries met with Mrs. L. L. Lorentson, of Harmony lane, (third from left) last Thursday for a final count-down prior to their big fall benefit. OPUS IV, their annual fashion show luncheon, will take place at Detroit's Latin Quarter where wives of leading Detroit sports figures will appear in the dramatic finale of the show. Checking over the seating arrangements with Mrs. Lorentson, this year's chairman, are Mrs. Robert Jugan, of Wayne; Mrs. Norman Barber, of Garden City; and co-chairman, Mrs. R. L. Eilenfeldt, (left to right.) Mrs. Lorentson has accomplished a most amazing feat in securing a toumaline mink jacket and matching hat from Furs by Nathan, Inc. and an eight-day trip for two to the Grand Bahamas via jet arranged by the Book Couzens Travel Service—this season's fabulous door prizes. Proceeds from the show will benefit the Michigan College of Osteopathic Medicine. A sell-out crowd is expected.

BELLEVILLE BREVITIES

Birthday Is Occasion For Dearborn Luncheon

By MRS. JOSEPH SPRING
OX. 9-4021

On Friday, Sept. 13, Mrs. Victor Hopeman entertained at a luncheon at her home on Cherry Hill Court, Dearborn, in celebration of the birthday of a friend and former neighbor, Mrs. Russell Wilson, of Elwell road. Also present were the honoree's mother and sister, Mrs. Emmer Sheats, of New Boston, and Mrs. Elmer Kerbes of Milan.

Mr. and Mrs. Leon Nye and daughter, Mrs. Elaine Davis, of Milford, were Thursday afternoon callers on Mrs. Orrin Post and Mr. and Mrs. R.G. Atyeo.

A former Elwell Road resident, Mrs. Vernon (Julia) Dean, will have a birthday Saturday, Sept. 21, and all her former friends are urged to send her a card. Address: Bancroft Nursing Home, 4262 West Fort St., Detroit, Michigan 48209.

Mr. and Mrs. Henry Deering motored to Chelsea Sunday and enjoyed dinner with Mrs. Deering's sister, Mrs. Addie

Chilson, and other former Belleville residents who are at the Methodist Home, Mrs. Imogene Cole, Mrs. Rose Anderson, and Mrs. Jenny Richards.

Mr. and Mrs. Walter Nollf

guests of Mrs. Nollf's brother and wife, Mr. and Mrs. Lloyd Baylis, of Lake Columbia, Brooklyn.

Mrs. Duane Bastian and two children, of Roscommon, spent several days this past week with her mother, Mrs. M. C. Fielder. Duane joined them for the week-end and all returned home Sunday.

Mr. and Mrs. Henry Sager received word last week of the death of Mrs. Sager's sister, Mrs. Edith Youmans, of Ashford, England at the age of 85 years.

Mrs. S.C. Pierman and daughter, Carrietta, spent from Tuesday through Friday of last week with Mrs. Pierman's sisters, Mrs. Joseph Allen of Piqua, Ohio, and Mrs. Louis Pierman of Ottawa, Ohio.

Mrs. Mattie Simmons, who has been a patient at St. Joseph Hospital for a couple of weeks, was taken last Wednesday to Clark Convalescent Home, 34330 Van Born Rd., Wayne.

The Bernard Carnahan family moved last weekend from Inkster to a farm home outside of Ypsilanti. Bernard is the son of the Clarence Carnahans of E. Huron River drive.

Sunday dinner guests of Mr. and Mrs. Russell Wilson of Elwell road were Mrs. Elmer Kerkes and family of Milan and Mr. and Mrs. Charles Taylor of Trenton.

MISS HARDESTY Daughter's Engagement Is Told

Mrs. Freda Carter, of 19032 Jerrilyn, Huntington Beach, California, announces the engagement of her daughter, Sheri Hardesty, to William A. Jordan, Jr., also of Huntington Beach, California.

Both the bride-elect and her fiancé are former residents of this area and attended Belleville High School. He is the son of Mr. and Mrs. William A. Jordan, of 45900 Marriott, Belleville.

No date has been set for the wedding.

MISS GDULA

April 12 Is Their Altar Date

An April 12 wedding is being planned by Chris Gdula and Arthur Francis, both of Belleville. St. Stephen's Catholic Church, New Boston, is being reserved for their spring nuptials.

Mr. and Mrs. C. W. Gdula, of 41300 Willis road, Belleville, parents of the bride-elect, are announcing the young couple's engagement.

A graduate of Belleville High School, Miss Gdula is now employed at Applied Dynamics, Inc., Ann Arbor.

Her fiancé, son of Mr. and Mrs. A. G. Francis, of 7-D Burns Heights, Duquesne, Pennsylvania, graduated from Vocational High School and is currently employed in Southgate with the W. Stockton Excavating firm.

All Around The Town...

(continued from page 6)

HERE 'N THERE

THE ALPHONSE VENAS, of Clark road, New Boston, took advantage of the beautiful pre-fall weather this past week-end offered and played host at a hayride. Following the moonlight excursion the group found their way to the Bella-Hi Restaurant in Belleville for pizza and the trimmings. Friends from New Boston, Romulus, Carleton, Southgate, and Belleville answered invitations to the party... **ONE GIRL** who will long remember her 1968 birthday is Donna Greathouse who spent her birth-date week in Chicago while her dad, Pat Greathouse, was attending the Democratic National Convention. Not only did she, her mother, and sister, Karen, attended the fashion show at the Conrad Hilton sponsored by Mrs. Richard Daley, the Chicago Mayor's wife, but she met and talked with television's Martin Landau (of Mission Impossible). Capping the event was dinner for the whole family—including Mike who arrived a few days later—at the Sheraton's Kon-Tiki Ports... **AND TO ADD** a sports touch to these proceedings, we have a little news concerning golf at the Washtenaw Country Club. Seems like the Ray Florian family sorta cleaned up on the trophies last Sunday as they arrived home with five in tow. Taking part in the Adult-Junior Tournament with her dad, nine-year old Bunny tied for first in the three-hole competition. Then it was 12-year old Kitten's turn as she was named runner-up in the six-hole Junior Tournament. Not to be outdone by the distaff side of the family, Raymond, who's five, capped the putting trophy and his foster brother, Ricky, also a five-year old won the handi-cap putting contest. Whew! That's all—see you next week!

MISS HARDESTY

MISS BENNETT

Bennett-Snyr Betrothal Is Announced

Mr. and Mrs. Boyd H. Bennett, of 31234 Beverly road, Inkster announce the engagement of their daughter, Mira, to Chester J. Snyr, II, of 10249 Ozga road, Romulus.

The bride-elect is a graduate of Romulus High School, class of '68. Her fiancé, son of Mr. and Mrs. Chester Snyr, is a Romulus High graduate of 1967. He is employed at the Ford Motor Company of Wayne.

No date has been set for the wedding.

DOUBLE RING VOWS

Grishaber-Woods Nuptials Read At Bethany Church

Wendy Woods, daughter of Mr. and Mrs. James F. Woods, of 46233 Chatsworth drive, Belleville, was among the area's recent summer brides. Her marriage to Jerry Grishaber, son of Mr. and Mrs. Harry Grishaber, of 50180 Ecorse road, Belleville, was solemnized by the Rev. Sprunger at the Bethany Baptist Church.

For the double ring rite, the altar was adorned with arrangements of white gladioli and lighted tapers and organ music was played by Mrs. Ted Klein.

formerly employed by the Ford Motor Company at Ypsilanti. Mrs. Jerry Lambert, of Belleville, entertained at a shower for the newlyweds following their return from New York.

MR. AND MRS. JERRY GRISHABER

Miss Williams Is Spring Bride-Elect

The engagement of their daughter, Marilyn, is announced by Mr. and Mrs. Richard Williams, 1216 Laurel avenue, Ypsilanti. Her fiancé is J.D. Richards, son of Mr. J.C. Richards and the late Gwendolyn Richards, of 37441 VanPetten, Romulus.

Miss Williams, a 1967 graduate of Willow Run High School, is employed at Med. Drugs, Ypsilanti. Her fiancé, a 1964 graduate of Romulus High School, was discharged from the U.S. Army May 6 of this year. He is now employed at General Motors Hydramatic, Ypsilanti.

A spring wedding is being planned.

MISS WILLIAMS

Huron Valley Garden Club Opens Season

Mrs. Louis Marks was hostess to 20 members of the Huron Valley Garden Club in her home on Bemis road, last Wednesday for the first meeting of the fall season. Plans were made for members to attend the District Meeting to be held at Raleigh House October 10, the theme to be "What in the World do Garden Clubs Do?" Eight members planned to participate in the Grosse Ile House and Garden tour held on the following Wednesday.

A letter of appreciation was read from the chairman of the Hazel Johnson Scholarship Fund for the contribution made by the club in honor of Mrs. Johnson.

Mrs. Earl Smith, Civic Chairman, discussed plans of her committee for additions and improvements to the park at Liberty street and Belleville road. Mrs. John Gras, Conservation Chairman, gave a short report on humming birds and Mrs. Lavern Sayre, conservation chairman, discussed means of discouraging woodchucks and skunks, both destructive at this time of year.

Six members of the club will act as hostesses at the Charles Warren show to be held Sept. 18, 19, and 20.

Mrs. Rodney Mast will be hostess to the group Oct. 7 when Mrs. Gras, Mrs. Mast and Mrs. Melvin Budd will instruct in the making of plaques and pictures of dried materials.

A FLIGHT MANEUVER — Bill Balogh (second from left) describes an intricate flight maneuver to members of the Belleville Rotary Club following presentation of his color slide review of the Flying World. Balogh is an Associated Newspapers' staff photographer and author of "The Flying World" column appearing in the Enterprise-Roman. Left to right are Harold Harris, Rotary president; Balogh, Rev. Allen B. Rice, II, pastor of United Methodist Church; and Dr. Richard Muse, school board member.

Area Officials Ask Public Hearing With State Board on Lake Pollution

BELLEVILLE — A joint campaign by city and township officials and the Huron River Anti-Pollution Committee to get the Michigan Water Resources Commission to hold a public hearing on the polluted conditions of the Huron River Basin and especially Belleville Lake is underway.

Both the City Council of Belleville and Van Buren Township Board, by resolution, are asking for the public hearing as soon as possible in an all-out effort to be placed before the Water Resources Commission the positions of both communities. Positions that called for correcting the polluted conditions of the river and lake and the hearing to present their views and suggestions.

Louis A. Toth, Van Buren

Township Supervisor and Mayor Royce E. Smith of Belleville both seek to get (for the first time) the Water Resources Commission's report on recent conducted hearings by the commission and its recommendations, if any, on designating Belleville Lake as "total body contact" impoundment.

A NO-SWIM ban has been issued by the Wayne County Health Department several weeks ago because of a rise in pollution content of the lake. The ban is still in force.

Raymond Suliman, chairman of the Huron River Anti-Pollution Committee is also actively engaged in an all-out effort to have the lake designated as a total body contact and "suitable to support intolerant cold water

fish by the Water Resources Commission.

This committee has appealed to the city and township for support in its campaign.

TOTH REPORTED that the Water Resources Commission has been conducting hearings throughout the state on water problems and pollution. This report as far as Belleville Lake is concerned has not been made public. He hopes that the public hearing will bring this about.

Mayor Smith urges all residents to show in force at the hearing.

The Huron Water Shed Council wants total body contact for the lake as well as the township.

Toth disclosed that the Resources Commission has not to date made any recommendation on this point.

It was reported that the Resources Commission holds that the lake is an impoundment and not a natural lake.

Recently officials of city, township and from both the state and Wayne County Health Departments held a meeting at Belleville's Municipal Building on water pollution problems in the Belleville-Van Buren areas.

The executives discussed steps to clean up the river and lake and initiated their campaign by urging voters to approve a state water pollution control bond issue in the Nov. 5 election.

The American Automobile Association says the cost of insurance, registration and depreciation of a car has risen from an average of \$807 a year in 1965 to \$982.

Accountants To Meet

The Detroit chapter of the National Association of Accountants (NAA) will hold its monthly meeting tomorrow Thursday, Sept. 19 at the Whittier Hotel in Detroit.

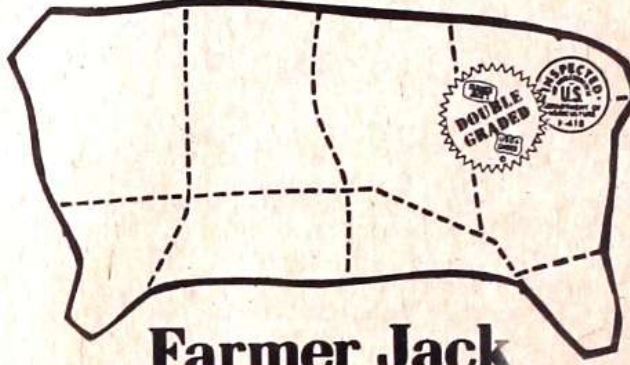

Guest speaker for the evening will be Dr. Noah Langdale, who is president of the Georgia State College, an athlete turned lawyer, turned educator. He will speak on the subject "Discoveries '68."

'REACT' Committee Urges All out Vote on City Status

EDITOR'S NOTE: This is the first of several articles that will appear regarding the issue of City Status for Romulus Township a Selection of a Charter Commission.

ROMULUS — In order to "REACT" by voting on Nov. 5, you must be a registered voter in good standing. This means if you have not voted in the past 24 months (2 years) - you must re-register.

For new arrivals, a residency in the State of Michigan for six months prior to the election is required, and a five-week residency in the township is required for those who have relocated within the State.

Voter registration closes Oct. 4, so most new arrivals will be eligible.

IF YOU will be 21 before the election, you may register in advance of your 21st birthday upon presentation of proof of your date of birth.

To all who register within 90

days of their 21st birthday, Romulus Township presents a Good Citizenship Award along with your voter registration card.

Alfred J. Perry, Township Clerk, has started an all-out campaign to get everyone eligible registered or re-registered. There will be several places throughout the township where you will be able to register.

For the hours and locations, if you missed them in last week's paper, can be obtained by calling Township Hall at 941-0666.

In the August Primary, only 41 per cent of the registered voters exercised their privilege to vote. Will less than 50 per cent decide the issues in November???

Nine members will be selected for the Charter Commission. Will you know who are the best nine candidates for this immense job???

It is the solemn duty of every voter to pick the nine people whom they believe will be best qualified to do the job of writing a good Charter.

In order to make the right selection of the Commission, you will have to make it your personal responsibility to investigate and learn everything you can about each of the candidates seeking a seat on the Commission.

The "REACT-KEEP ROMULUS INTACT" Committee will not endorse any candidate or slate of candidates. — IT IS YOUR JOB TO SELECT THE BEST!!

Which of the candidates have your interests and that of the whole community at heart???

Remember - Be able to REACT - and REACT in the townships best interests!

Sgt. Miles on Thailand Duty

CARLETON — Staff Sergeant Richard C. Miles, son of Mr. and Mrs. Carroll C. Miles, Jr., of 32 Hickory road, Leominster, Mass., is on duty at Korat Royal Thai AFB, Thailand.

His wife, Charlotte, is the daughter of Mr. and Mrs. Robert F. Herkimer of Monroe street, Carleton, Mich.

Sergeant Miles, an aircraft engine technician, is a member of the Pacific Air Forces. Before his arrival in Thailand, he was assigned to the U. S. Air Force Recruiting Office in Fitchburg, Mass.

1969 Anti-poverty Proposals Given to County Committee

ELOISE — Proposals for Wayne County's 1969 anti-poverty programs were presented for the approval of the Wayne County Economic Opportunity Committee (EOC) at a meeting last Wednesday (Sept. 11) in the Lemoyne Gardens Community Center, 30005 Pine Street, Inkster. The 1968 programs expire on Nov. 30, 1968.

Prior to being sent to the Great Lakes Regional Office of Economic Opportunity for funding consideration the proposals must be approved by the Wayne County Board of Supervisors' Special Committee on Economic Opportunity.

The proposals represent an incorporation of suggestions of the Economic Opportunity Committee, Neighborhood Advisory Councils and staff.

THE REFUNDING proposal for the Neighborhood Action Centers, Administration, Program Planning and Evaluation calls for a \$741,839 federal grant to be

supplemented by \$185,459 in local cash and services.

This proposal - reflecting the needs voiced by the target area residents in the Neighborhood Advisory Councils emphasizes on intensive manpower efforts, including job training, development and placement, transportation, medical and dental services, community organization and a youth opportunity program.

Although restricted by budget limitations, the plans are designed to reshape the Neighborhood Center program, to strengthen community participation and to change the areas of service to reach deeper into those of greatest need.

The concept of eight Neighborhood Centers indelibly staffed and equipped to serve communities with diverse needs will be discarded. Money and resources will be concentrated where the greatest need is evident and where success in delivery of service has been demonstrated.

THE FULL-YEAR Head Start program is to serve 120 disadvantaged pre-schoolers for Inkster, Romulus and Sumpter. A federal grant of \$185,249 and a non-federal share of \$40,071 are needed for the nine-month program.

The 12-month Ecorse Day Care Center program will require \$62,990 to provide care and instruction for 45 pre-school children and employment services for their parents. Of the total, \$49,522 in federal money is required.

Wayne County Suburban Legal Services, Inc. is requesting a grant of \$390,377 and local share of \$97,600 for its 1969 program to make legal aid available to indigent residents of out-county Wayne.

The Foster Grandparents project employing 50 senior citizens at the Plymouth State Home and Training School and Ypsilanti State Hospital will need a budget of \$194,507, including a \$142,951 federal grant for 12 months of operation.

NEW BOSTON EVENTS

Huron 4-H'ers Present For Denny McLain's 30th Victory

BY
MRS. WILLIAM
HAVENSTEIN
753-3801

Saturday, September 14, Lazy Daisy 4-H members numbering 38 and eight adults drove to Tiger Stadium to watch Dennis McLain and the Tigers whip the Oakland Athletics by a score of 5 to 4.

A special thrill was in store for the group as they watched McLain pitch his 30th victory, as he became the first pitcher in the major leagues to accomplish this feat since 1934. ("Sock it to em" Tigers).

The Wyandotte Community Theatre opens this year's season September 26 with the delightful comedy "Odd Couple" by Neil Simon.

The story concerns two men both refugees from unsuccessful marriages, who find it more difficult to live with each other than with their wives. The comic bickering will keep the audience in stitches throughout the show.

This delightful play has just recently been released for Community Theatre Productions.

Lead characters will be played by Jack Hassett of Wyandotte, who was named actor of the year for the 1967-68 season, and Al Castaldi of Southgate.

Many people from this area have enjoyed the plays and musicals presented by this group which also has drawn actors from our community.

"Odd Couple" will be presented September 26, 27, and 28 with curtain time at 8:30 p.m. On Sunday, September 29, a matinee performance will be given at 3 p.m.

All performances will be presented from the stage of the Abraham Lincoln Junior High School, 4460 18th street, Wyandotte.

Tickets are available at a cost

of \$2.25 for adults, and \$1.50 for students.

Advance ticket purchases or information is available by calling Mrs. Charles Elliott, 782-9024, after 4:30 p.m.

The Huron Township Health Committee held its first fall meeting September 11 at the Huron High School. A guest, Bryon Antcliff, Huron Schools Superintendent, attended the meeting.

Appointed to chairmanships for the coming year were: Mrs. Joyce Lambly, American Red Cross Blood Bank Chairman for Huron Township; Mrs. Jeanine Everingham, Family Living Chairman. She will be assisted by Mrs. Dorothy Rush and Mrs. Louise Otter. The 1969 immunization clinic chairman will be Mrs. Shirley Havenstein, assisted by Mrs. Mary Lewis and Mrs. Noreen Williams. Plans for the clinic are being made for early in May.

The Committee regretfully accepted the resignation of Mrs. Shirley Clark, who found it necessary to leave the committee due to other responsibilities.

There will be no meeting during the month of October. The next meeting will be held November 13.

Introducing 'Susie' - A New PTA Symbol

This fall the Michigan Congress of Parents and Teachers will introduce "Susie" as a symbol of their health education program directed against cigarette smoking among children.

"Susie" will serve as a gentle reminder that parents who smoke set an example for their children to follow. The little girl will grace the cover of a program planning guide which is being distributed to over 2,000 local PTA units and chapters in Michigan.

Mrs. Mary Palmer, health chairman of the Michigan Congress, is directing this project.

The Michigan Congress of Parents and Teachers is being supported in this project by the Michigan Council on Smoking and Health and its 16 member organizations.

The American Cancer Society, Michigan Heart Association, Michigan Department of Public Health, Michigan Tuberculosis and Respiratory Disease Association, Michigan State Medical Society and the Michigan Health Council are the major state-wide organizations who will be

assisting the PTA in carrying out this project.

Senior Club Will Meet Tomorrow

BELLEVILLE — The Belleville area Senior Citizens Club will meet tomorrow Thursday, Sept. 19.

Members will hear Pat Speaks tell of her once-in-a-lifetime trip to Europe.

Refreshments for the meeting will be in the form of a "pie party" - all the ladies are to bring their favorite pie - so all can try a "snip" of the many flavors.

The first trip of the new season will take the membership to the Detroit Zoo Saturday, Sept. 21. The group will travel by bus leaving the Belleville United Methodist Church at 10 a.m. A stop at the Greenfield Cafeteria near the Northland Shopping Center will be made for the noon lunch.

New members joining the Belleville Club include:

Evelyn Lenzi, Apt. 205, 250 Liberty Street; Nelson Nedeau, 361 Charles Street; Cora Bradshaw, 117 Bedell Street; Elizabeth Hunter, 23480 Karr Road; and Agnes Yorkison, 14250 Martinsville Road.

Romulus Jaycees Issue Call

ROMULUS — Young men of action, age 21 through 35, are needed by the Romulus Jaycees to make Romulus a better community in which to live. A meeting for new members is being held 6:30 p.m. September 19 at the Community Methodist Church, Olive street, near Bibbins, in Romulus.

Jaycees urge young men of the community to not be bashful or shy, but to give their organization a try. All are invited to the meeting to hear State and National officers, along with local Jaycees, give the complete Jaycee story. See you there!

Romulus' Little League Football Prepares for Season

Photos by Lothar

PROPER DEFENSE — Little League football (Varsity) practice is underway in Romulus in a serious way. Above coaches instruct players in proper defense and offense techniques. Left to right are Ron Halvin, Rotarian and head coach; and Gary Halvin, assistant coach. Two players in demonstration are left to right Dan Makowski, defense middle guard; and Conrad Jager, offensive center. Romulus Athletic Association assisted by Jaycees and Rotarians are sponsoring Little League Football in Romulus.

BALL HANDLING — Members of the Junior Varsity of Romulus' Little League Football being shown the proper methods in ball handling during a practice session held at Romulus Senior High School athletic field. Left to right are David Renke, halfback; Coach Ron Hopson, Daniel Lenossi, end; Steve Niemann, fullback; and Victor Butler, halfback. This is the first year for the Romulus Athletic Association, newly organized, to initiate recreation for Romulus Youth.

FRESHMAN AT WORK — Coach Thomas Hopson (left) and Jim LaFramboise, head coach (right) detail backfield tactics to the backfield of Romulus' Little League Freshman Team. Players left to right are Brent Hopson, right halfback; Robert Dugan, fullback; Donald McMann, left halfback and (front) is Paul Hess, quarterback. Formation of the Little League Teams in Romulus this year is the first recreation program of the Romulus Athletic Association. The teams practiced last Thursday at Romulus High Schools field.

Township Shows Gain in Building

BELLEVILLE — Building in Van Buren Township during August totaled \$141,207, the Township's Building Department reported. There were 28 building permits issued. This compares with \$113,956 during July. Total fees received amounted to \$1,655 and against \$1,084 in July.

Area PTA Reports on Meeting

ROMULUS — The PTA meeting of Mt. Pleasant Elementary School held last Tuesday, Sept. 10 was a big success in attendance and business activity.

Officials of the PTA group expressed sincere thanks to the many teachers that attended the meeting. It was announced that hot lunches at the school will start on Wednesday, Sept. 18. Children should have lunch money at school on Tuesday Sept. 11, or not later than 10 a.m. Wednesday.

The PTA also announced that it will have this year the programs of last year.

Students wanting a book to treasure for the keeping of records, pictures and other data through childhood years ask to see Sharon Cahmpagne. They are on sale for \$1.

The next meeting of the PTA is scheduled for Oct. 8, Mrs. Diana Gibbs, publicity and advertising chairman, announced. All parents are urged to attend.

Taxicab Stand License Granted

ROMULUS — Joseph Lambert of Romulus was granted a license to operate a taxicab stand at the intersection of Goddard and Sterling by the Township Board.

Lambert is to file a new name for the taxi operation, it was stated.

Rotary Holds Bar-B-Que

LINING UP for the delicious Chicken Bar-B-Que are some of the 800 diners who participated in the annual Romulus Rotary feast held Sunday, Sept. 15, at John F. Kennedy Park, Romulus. Note the loner out in the open and the crowded table at the right of picture.

PREPARING THE FEAST — Mickey Reel (standing) and Maynard Sellers, Romulus Rotarians, busy with preparing Chicken Bar-B-Que dinners at John F. Kennedy Park, Goddard and Grant, Romulus, scene of the annual Rotary event.

Modern Schools Stress Physical Fitness for All

Your youngster doesn't have to be a born athlete to enjoy today's school physical education program.

In countless schools, reports the Health Insurance Institute, youngsters are benefitting from well-planned, well-supervised physical education programs.

These programs are designed to build strong, well-coordinated young bodies. If some of the youngsters become skilled athletes, all well and good. But, the emphasis in these programs is good health.

Physical education programs for all youngsters have been mushrooming in recent years, partially because of a continuing campaign by the President's Commission on Physical fitness.

THE CAMPAIGN is paying off. Thirty-two state education departments have raised their physical education requirements. As a result, many schools are offering physical education several times a week.

Country Women of World Told Part They Can Play

"There is a growing number of people in this country who feel that the only Commandment which really should not be violated is the Eleventh — 'Thou shalt not be caught!'"

That's the opinion of Dr. Earl Butz of Purdue University, expressed before the Associated Country Women of the World.

In addressing the huge international conference in East Lansing, Michigan, Butz said that disrespect for law and order on the part of "millions of people" is one of the critical things Americans face. "This situation must be corrected. Rural people are in a unique position to give real leadership in this area," he said.

THE DEAN of Continuing Education at Purdue, Butz caused ripples of comment when he said that Americans need to spend less time selling our country to people overseas and more time selling America to Americans.

He told the more than 2,000 rural women present (representing 50 countries of the world) that they too were involved in a global struggle for power, with one power center in Washington, the other in Moscow.

"This is a battle for the hearts and minds of men from which we cannot escape. It is a particular challenge to Americans who must increasingly emphasize education toward responsible citizenship.

"We need to spend more time talking about the many good things that are right with us and less time crying about little things that are wrong for us," he said. "There are many well-meaning people in America today, both on our campuses and off, who would impair our American system of

free enterprise and incentives, one way or another.

"But those of us with a rural heritage, who understand work, who understand production, who understand the importance of giving an honest day's work for a day's wages, have a tremendous opportunity to extend that philosophy to others and to help the young people who come after us to understand these basic principles.

"Our potential production capacity in America is so great that we can never be destroyed from without, unless we first disintegrate and deteriorate from within," Dr. Butz said.

The masterpiece, The Last Supper, by Da Vinci, is painted on the wall in the convent of the Church of S. Maria Delle Grazie, Milan, Italy.

Lions Club District Governor is Thanked

Editor's Note: The following letter was received by Fred Bockhouse of Wyandotte, district governor of the Lions Club, Belleville Area. We are submitting it to our readership. A great big thank you to the Lions Club!

My husband lost most of his vision several months ago and lost his job and couldn't get another. After his compensation ceased, he tried to get help from other organizations but was always referred by them to someone else. They in turn did the same.

For many months I had been hearing of the Lions Club, without believing my husband would get any help. I called Fred Bockhouse. He had the information I needed at his fingertips and told me to call Fred Dahlquist, who in turn referred us to Dr. A. Blaize. He examined my husband's eyes very carefully and fitted him with glasses. My husband can now see better and has

attractive and proper fitting frames for glasses that look normal as compared to the others he had.

Our most sincere and grateful thanks to the Lions Club and the men who so very efficiently and with every courtesy helped my husband. Also I wish to add that no embarrassing questions were asked (by the Lions) as had been at other places — which always made us feel humiliated.

Mr. and Mrs. Ernest Livernois

NOTICE Last Day To Register FOR GENERAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 5, 1968

To the Qualified Electors of the Township of Sumpter, State of Michigan:

Notice is hereby given that in conformity with the "Michigan Election Law" I, the undersigned Township clerk, will upon any day, EXCEPT a legal holiday, the day of any regular or special election or primary election, receive for registration, the name of any legal voter in said Township not already registered, who may APPLY TO ME PERSONALLY or (Authorized Substitute) for such registration; provided, however that any registration received after Friday, October 4, 1968 will not be valid for the primary election to be held Tuesday, November 5, 1968.

Notice is hereby given that I will be at the Sumpter Township Hall, 23483 Sumpter Road on

SATURDAY, SEPTEMBER 28, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 5:00 P.M., and

FRIDAY, OCTOBER 4, 1968

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 8:00 P.M.

For the purpose of REVIEWING the REGISTRATION and REGISTER-SUCH of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefore.

The name of no persons but an ACTUAL RESIDENT of the Township at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

**WILLIAM GOUGER, Clerk
Township of Sumpter**

The Aim is Health.

tests—squat, trusts, push ups and the like—exercises are thoughtfully prescribed.

Physical education often takes non-competitive forms. Modern dancing, for instance, is one of the ways a youngster can build a healthy body without taking part in a traditional sport.

And, of course, there are all sorts of intramural games where the important thing is that everyone plays. In this way, unathletic youngsters fully participate.

THE HEALTH BENEFITS, of course, are many. Not the least important thing is the confidence that good coordination gives a growing youngster.

Educators have found that children who are well-coordinated tend to do better in the classroom.

Yet, strenuous exercise—even when well supervised—can have its hazards. Accidents do occur in gymnasiums and on playing fields. Individual and group health insurance policies that cover families can be helpful when it comes to paying for medical care in the event that a youngster is injured while playing or participating in a game.

In addition, low-cost accident plans are available to insure school children.

Matlock Receives Promotion

NEW BOSTON — James A. Matlock, 21, son of Mrs. Helen Matlock, 30183 Van Horn, was promoted to Army specialist four (Aug. 21) near Dak To, Vietnam, while serving with the 299th Engineer Battalion.

Spec. Matlock is a power generator operator with the battalion's 15th Engineer Company. He entered the Army in November, 1967, completed basic training at Ft. Knox, Ky., and was stationed at Ft. Belvoir, Va., before arriving overseas in April, 1968.

He graduated in 1965 from Huron High School, New Boston, Mich., and was employed by the Wayne County Road Commission, New Boston, before entering the Army.

183,000 JAM WILLOW RUN FOR MASA AIR SHOW

ANGELS GALORE — Seems like the real "Blue Angels" have found their niche when they met some of Wayne's own "Angels" at the air show this past weekend. The "little Angels" are, left, Jackie Thibert, Cheryl Taylor, Kathie Wielusz, all members of the Associated Newspapers staff.

AIR AND SPACE EDUCATION—This theme brought out over 200,000 aviation fans at Willow Run Airport this past weekend. They came from all points of the compass to witness the National Aviation and Space Exposition which without doubt was the greatest air event to be staged this year.

Dozens of static displays inside the old airport terminal featured, in this area, never-before-seen space exhibits and shows direct from Cape Kennedy, Fla. Outdoors on the ramp were late model military fighters and bombers, some in actual war paint just recently returned from Vietnam. Supplementing these war birds

were troop carriers, helicopters and utility aircraft. Here the taxpayer — and many thousands did — was able to inspect at close hand just where his tax dollar was being spent.

Especially pleasant for the thousands that attended the two-day event was the excellent traffic control that was set up this year. The average person who parked on the airport was able to be home less than an hour after the air show.

With the ever-increasing emphasis on aviation and space world air education through aviation exhibitions and air shows, the average public can become integrated with aircraft and space, whereas at general airport facilities they are kept at a distance due to safety and operational reasons.

The University of Michigan Airport staff and flight operations staff are to be especially commended for their tremendous support for this successful 1968 National Aviation and Space Exposition.

ANGELS TAKE TO HEAVENS — The famed Blue Angels take off in tight formation, demonstrating their fine precision abilities and perform at speeds of over 500 miles per hour never more than a few feet apart.

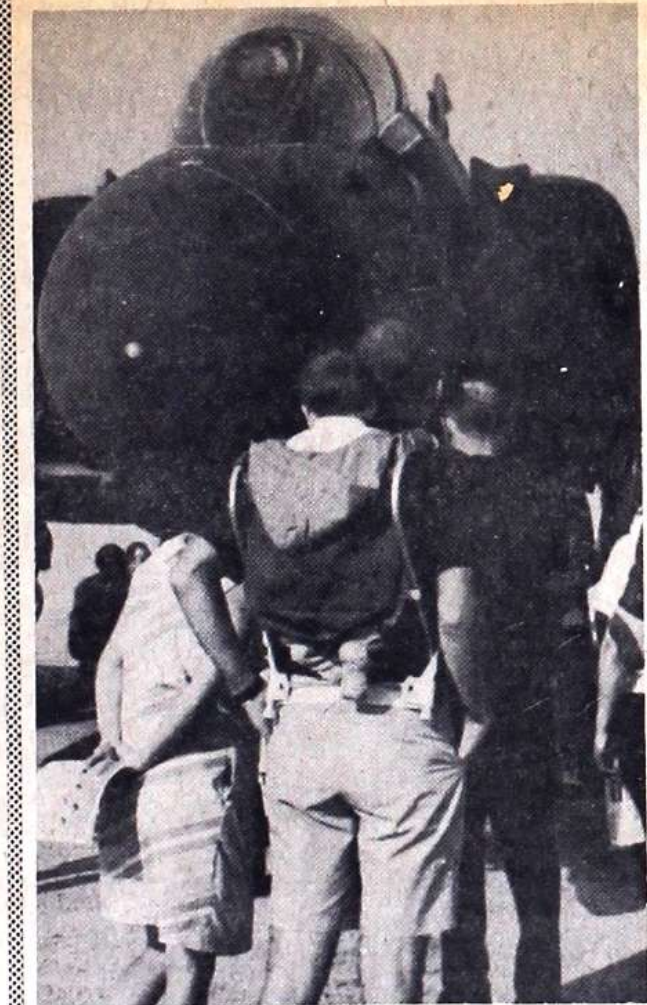

DEADLY COBRA — The latest in helicopter combat aircraft is the US Army "Cobra". This is a combat helicopter that is very deadly with its Gatling gun turret beneath its nose and can clear jungle growth with its high speed devastating gunfire.

THERE THEY GO — It was hard on the eyes and necks but the thousands of spectators crane necks and took in the sunshine during the air show.

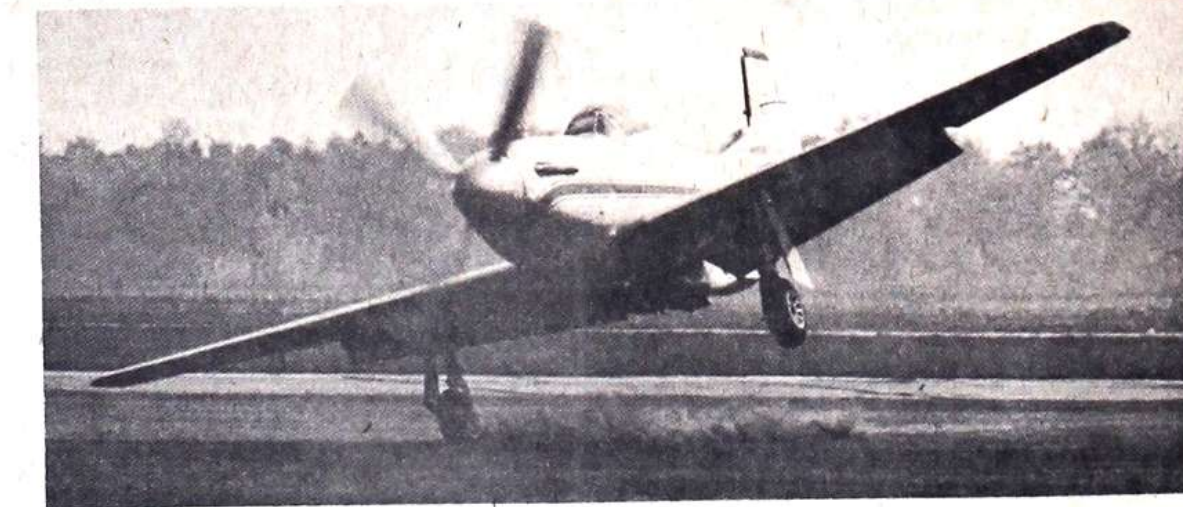

VIETNAM FIGHTER — The US Navy's A4D "Skyhawk" drew a lot of attention on the display line of military aircraft. It is the same tiny jet fighter that is being used on carriers off the shores of Vietnam.

PIGGYBACK LOOKER — This young air show spectator had no problem looking over the air show exhibits riding "piggy-back" during the long hot trek.

AIR EDUCATION — There's something about airplanes that people like, when they will stand in line two blocks long, just to go through an 20-year-old airplane.

ONE-WHEEL LANDING — Bob Hoover, famed North American test pilot, amazed the crowds when he put his World War II fighter through its paces and finished with a one-wheel landing.

TRIM LINE — The scientific beauty of this fighter aircraft was a crowd-stopper as many persons, such as this couple, pause to look it over.

PATRIOTIC OPENER — After bailing out of Bill Barber's airplane at 10,000 feet, a parachutist floats down to officially open the air show while the US Air Force Band played the national anthem.

SUNBURNED TONSILS — These were the order of the day as most sky watchers found out at the air show. Mr. and Mrs. Dennis Snyder, of 1134 Second, Wayne, soak in the sunshine as they watch some of the breathtaking aerial acts during the flight demonstrations.

ALLEN GREET'S ALLEN — It's homecoming time when two namesakes meet. Mrs. Helen Allen, of Inkster, greets Lt. John Allen of the world famous Blue Angels during the air show. Lt. Allen is one of the top decorated Navy pilots, having been decorated 11 times after flying 129 combat missions in Vietnam.

HOT SPOT BOOTH — Associated Newspapers Souvenir Program booths were a must stop for show watchers. The fine picture program was a "Hit of the Show."

The Civil Service examination will be held Saturday, Oct. 5.

To qualify for appointment to one of the service academies, an applicant must be a resident of Michigan, unmarried and a U.S. citizen. He must be at least 17 years old but not yet 22 on July 1, 1969.

Applicants are asked to notify Senator Griffin of their interest by writing him in care of the Senate Office Building, Washington, D.C. 20510.

A&P SAVES YOU MORE ON YOUR

TOTAL FOOD BILL!

King of Roasts! "Super-Right" Mature Corn-Fed Beef

Beef Rib Roast

Prices Effective thru Sunday, Sept. 22 in Wayne, Oakland, Macomb and Washtenaw Counties

A SHORT STORY!

Not a story in the usual sense . . . nevertheless, it's one we think is of interest to you.

Our story is about A&P's short-cut, 7-inch, oven-ready Ribs of Beef, and the fact that we remove the excess Short Ribs and sell them separately at the lower Short Rib price.

That's not all, though. We remove the excess wasteful chine bone. For easier carving, we remove the feather (back) bones and cover the area with a thin layer of fat to protect the meat.

As a matter of fact, on an average five-rib roast we trim up to 1½ lbs. of excess fat and bone. At rib roast prices, that adds up.

Another thing that keeps you from being short-changed on value: A&P Rib Roasts are cut from the first five ribs only.

Our short story even has a happy ending . . . your family will enjoy every morsel.

That's guaranteed . . . or your money back.

Especially drawn for Skipper's Table by Paul and Mary Smith

"Great flaming dragons! They advertise 'come as you are', but, I never leave like I was."

You, too, may find the food at Skipper's Table Restaurants so delicious that you just can't keep from going back for more. Try us, and bring along your friends, it's a 'family place to eat'. Lunch is only \$1.09. Two locations to serve you: Seven Mile block West of Liverdus and Plymouth Road at Farmington Road. Sorry, but we're closed Mondays.

VOTED BEST — "Joe Prater & The Huron Valley Boys" were voted best country and western band in the State of Michigan Contest presented by Ralph Emery of Radio Station WSM, Nashville, Tenn., at Frontier City, Onsted, Mich. Left to right are: Leon Claxton, of Belleville; Powell Conley, of Ypsilanti; Bill Sturgeon, of Flat Rock; and Joe Prater, of New Boston. It was the Second Annual Country Music Convention held and directed by Paul Wade of Wayne.

College Opens Its Cultural Series

Mercy College of Detroit, 8200 West Outer Drive, opened its 1968-69 On-Campus Cultural Series Monday, (Sept. 16) with a program by the Celeste Cole Opera Workshop. Two completely different works were presented in the Main Lounge of the Student Conference Center, at 1 p.m.

The first, a cast of 10 singers gave Act I of Puccini's "La Boheme", long a standard in classical grand opera repertoire, and a modern satirical work by Mark Bucci, "Sweet Betsy From Pike."

PLANS TO open the series with the appearance of Sheri Anderson, a finalist in this year's Young Artists Competition, sponsored by the National Association of Singing Teachers were abandoned when Miss Anderson sustained serious injuries in an automobile accident.

With the rescheduling of Miss Anderson for Jan. 20, the season's program will be as follows:

Sunday, Oct. 20 - Stecher and Horowitz, duo-pianists.

Monday, Dec. 2 - Flint Chamber Orchestra, William Byrd conducting.

Monday, Jan. 20 - Shari Anderson, Soprano.

Sunday, Feb. 23 - University of Michigan Glee Club, Dr. Philip Ducey directing.

Monday, March 17 - Ernest Lloyd, Cellist.

With the exception of those engagements marked with an asterisk, all appearances will be at 8:00 p.m. Sundays in McAuley Auditorium.

The others will be Monday at 1 p.m. in the Main Lounge of the Student Conference Center.

Attendance Exceed One Million

Admissions to Henry Ford Museum and Greenfield Village topped the one million mark for the fiscal year beginning April 1, 1968 as more than 30,000 persons attended the Village's two-day Old Car Festival.

The fiscal count as of Sunday evening, Sept. 8, stood at 1,026,402. This was 1.8 percent ahead of the same time last year. 1967 proved to be the third best attendance year in the history of the Museum and Village.

The Village's tourist information booth received 39,609 inquiries from travelers during its 86 days of summer operation. The most frequent questions, other than those about the Museum and Village, were concerned with directions to other locations and what other attractions are located in southeastern Michigan. The average number of inquiries per day was about 460.

The Old Car Festival marks the end of the summer season at the Museum and Village which are open all year around. Weekends now will become the prime time for visitors, and the Village has arranged schedules so that all of its crafts will be in operation throughout each weekend. More than a dozen crafts will be demonstrated, to be joined in October by the operation of the Village Cider Mill.

Naturalist Lectures Provided for Schools

Huron-Clinton Metropolitan Authority naturalists are available this winter season for lectures to school assemblies in the Detroit Metropolitan Area including the counties of Livingston, Macomb, Oakland, Washtenaw and Wayne during each school day from Friday Nov. 1, through Tuesday, March 25, 1969.

Naturalists from Kensington or Stony Creek Metropolitan Parks will visit the schools for only one-half day, but will provide up to three lectures during a visit accompanied by slides or films.

The illustrated lectures concern various wildlife which inhabit the woods, fields and water areas in southeastern Michigan and are available advance appointment only.

Two 30-minute programs are designed for youngsters from Kindergarten through the second grade, while the other four 45-minute programs are beneficial to boys and girls in grades three through twelve.

The lectures are entitled "Wading in a Pond", "From Nature's Nursery", "Out of an Egg", "Six-legged Animals", "Predators and Prey", and "Around the Corner".

Many schools throughout southeastern Michigan have already received 1968-69 applications for these free lectures. However, if your school has not received prior information, contact the Nature Program Services, Huron-Clinton Metropolitan Authority, 1750 Guardian Building, Detroit, Michigan 48226 or phone 961-5865 (Detroit).

Carson To Perform At U of M

Comedian Johnny Carson will perform next month at The University of Michigan.

The U-M Bands will present "Johnny Carson, in Person" in two shows at the University Events Building at 7 and 10 p.m., Oct. 5, the day of the Michigan - Navy football game.

In addition to Johnny Carson, the shows will feature Doc Severinson and Orchestra; vocalist, Marilyn Maye; and the Bud and Cece Robinson Dance Team.

3 Chimps Star in Ice Show

There's no denying it, Lew Lehr, the fellow who used to say, "Monkees are the craziest people," must have had Werner Muller's trio of skating chimpanzees in mind. They are certainly funnier than people.

Thousands of Europeans who have seen them play ice hockey attest to the fact that there's nothing like them. This laugh riot is the newest comedy act to invade the United States with the Holiday on Ice skating spectacular. They'll all be in Detroit at Cobo Arena when Holiday comes to town from Sept. 17 through Sept. 22.

Some folks think that hockey is too rough a game for girls. But strange as it may seem, two of the "chimp" hockey players are girls: Congo, age two, and Judy, age four. Johnny, the male member of the trio is six.

THE THREE simians amaze everyone with their skating and stick-handling ability. They can also get mad and sticks fly frequently. It all makes for the funniest act on skates.

Madonna's Festival Is Sept. 22

LIVONIA — Enter the world of fun and frolic and come alive at the Annual Madonna College Festival, Sunday, Sept. 22 from 12 Noon until 9 P.M.

The festivities will take place on the campus grounds, located at Schoolcraft and Levan Roads, in Livonia.

"Games, prizes, refreshments and plenty of excitement will be in store for everyone," says Joanne Redouty, publicity chairman for the affair.

This year's theme, "Menagerie" will be depicted by a variety of booths and games. The Madonna students have been busy preparing interesting booths and appropriate prizes. Entertainment by local talent will be featured as well as a Fashion Show.

Raffle tickets will be available for all on the day of the Festival. This main fund raising project will provide chances for door prizes and four grand prizes:

First Prize, \$1,000.00 in Cash; Second Prize, Weekend for two in Las Vegas; Third Prize, Portable Color Television; and Fourth Prize, Portable Dishwasher.

The Festival committee at Madonna hopes that the "Menagerie" proceeds will add considerably to the new Cultural Center Building Fund and the Student Association Budget. Come one and all and join the fun!

ALL SEATS will be reserved and are priced as follows: Events Building Floor - \$5; Blue Section - \$4; and Gold Section - \$3. Ticket orders will be accepted in person or by mail to Johnny Carson Show, 1024 Administration Building, The University of Michigan, Ann Arbor 48104. Checks should be made payable to the Michigan Bands.

Ticket orders will be filled in the order that they are received, beginning Sept. 27. General ticket sales will begin in the Student Activities Building Box Office on Monday, Sept. 30 and will run through Friday, Oct. 4 when the box office will be moved to the Events Building. Box Office hours will be from 8:30 a.m. to 5:00 p.m. daily.

Proceeds of concert will go to paying travel expenses of the Michigan Bands.

Westland Announces Art Show

WESTLAND — An exhibit of paintings and crafts will be shown at the Westland Shopping Center, Wayne Road at Warren, from Sept. 26 through Oct. 5.

Michigan artists and craftsmen will exhibit paintings, sculpture, hand-made jewelry, hand-painted china, decoupage, inlaid art, lapidary, hand-tooled leather goods, ceramics and other crafts at the spacious center.

Over 800 paintings will be shown on exhibit units in the enclosed mall.

A feature of the art show will be a group of portrait artists and caricaturists whose work always attracts the interest of the viewing public.

Westland Shopping Center is open evenings until 9 with the exception of Tuesdays and Wednesdays.

Night Hours

Beginning Sept. 25 and on Wednesday evenings for the next three months, the Professional Resources Center and Information Services of the ASSIST Center will be open until 8 p.m.

Entrance to the Center which is located in the Wayne County Library Headquarters at Venoy and VanBora roads, Wayne may be reached from the second parking lot along the Venoy parking drive.

Medics Warn Gridders To Beware Acne Skin

Dermatologists at the University of Michigan Medical Center say the fall football season in high schools and colleges regularly brings on an increase in acne problems for the players.

Football uniforms, perspiration, the dirt of the playing field, and the lack of sunlight on the skin all contribute to this seasonal increase.

The chairman of the dermatology department, Dr. E. Richard Harrell, said boys of high school and college age "may show a worsening of their acne condition if they play football, but only if the condition was already present."

By itself football equipment does not cause acne. It can, however, aggravate an existing condition — particularly of the pustular type of acne — in the upper torso.

DR. HARRELL observed that "most players would rather play the game and get rid of the acne later," and the doctors usually agree.

An important factor in acne is a mechanical blockage of hair follicles and oil ducts in the skin. Although a

microorganism — the acne dam the flow of skin oil. As the oil backs up it may rupture tiny channels beneath the skin and cause a severe irritation.

Dr. William B. Taylor, associate professor of dermatology, says the extent and severity of acne is influenced by hereditary, hormonal, and bacterial factors. "Although streptococcus and staphylococcus germs do not normally play a major role, they may become important under the conditions of football play and practice."

"When personal equipment doesn't get thoroughly clean, when the players are rolling in dust and their skin is hyperhydrated from long contact with sweaty equipment, they become much more receptive to the action of the acne bacillus."

DR. TAYLOR says that sunshine has a beneficial effect on acne, but that football helmets, chin straps, pads, and jerseys block the sun's rays at the same time they capture perspiration and skin oil to increase the irritation.

He gave one reassurance:

Football players don't catch acne from each other. "They just share the same kind of conditions which favor the growth of acne."

"It would be extremely rare to find acne so severe that it would cause a boy to give up playing football," Dr. Taylor said.

The University of Michigan doctors say the average case of acne last about two years, and is particularly noticeable from September to May. Severe cases are treated with antibiotics, with medications to promote drying or peeling, and by vigorous use of soap and water.

Search and Rescue Test Held by CAP

By CAPT. HARRY B. BELL
Commander

ROMULUS — Eight members of the Metro Emergency Services Senior Squadron, Civil Air Patrol, left Detroit at noon last Friday, (Sept. 13) to travel to Mio, Michigan, for SARCAP (Search and Rescue, Civil Air Patrol) training.

We set up camp on property owned by two of our members, who already had their trailers parked there.

After arriving about 5 p.m., we drove to the Lost Creek Sky Ranch, to pick up Lt. Col. Jim and Maj. Florence Holloway, from Wing Staff, who had flown in from Ann Arbor, in their Bonanza plane.

Following the setting up of the two campers and a tent, we had a weiner roast around a big bon-fire. Capt. Helen and Lt. Art Kaus, from Roscommon, stopped by to visit us that evening. Early Saturday morning two more members arrived.

FOR OUR SARCAP, the target was a parachute, located near Luzerne. Saturday A.M. the female members made a reconnaissance of the woods in that area, turning up no clues. In the a.m. the weather was closed in, but when it cleared,

'Red Cross' Mobile Visits Area

DETROIT — East side, West side all around the area the Red Cross bloodmobile makes calls for the convenience of blood donors. Taking the bloodmobile to people makes it easier on people to give their blood which can only be made by the human body.

The Red Cross bloodmobile will be at the West Region office of the Red Cross, 2440 South Telegraph, at Oxford for donor convenience on Thursday, Sept. 26 between the hours of 2:45 and 5 p.m. and from 6 to 8:45 p.m.

To make an appointment, to replace blood used by a patient or to build up a self or group account, call CR 4-5450.

WHOA THERE! — House moving is a task for experts. And it was aptly shown last Thursday when the former home of Harold Wetherell was raised and moved from its site at 476 Columbia to a vacant lot at 78 Wabash Street, owned by Robert A. Hay, secretary of the Van Buren Board of Education. Hay purchased the home and lot from Wetherell for use on his Wabash property. Left is a rear view of the two-story residence and right is a front view. Note the maneuvering of the tractor driver to avoid damage to house and trees.

Scout Commissioners' Conference Calls 500

Nearly 500 Commissioners, professional staff members and special guests are expected to attend the 1968 Commissioner's Conference of the Detroit Area Boy Scout Council Saturday, Sept. 21, at Oakland University.

The Council embraces all of Wayne County and parts of Macomb and Oakland Counties.

The Commissioners, who

serve the more than 2,000 Cub packs, Scout troops and Explorer units in the local council, will attend the 9 a.m. to 9 p.m. conference to learn of the important role they will play in the "BOYPOWER '76" long-range program of the boy Scouts of America to be launched Jan. 1, 1969.

Making his first appearance in Detroit since he became Region 7 Scout Executive a

month ago, will be R. Glenn Singleton.

AMONG OTHER things, Singleton will point out that the local Detroit Area Council is the second largest council in Region 7, largest Region in the nation, and that what happens on the local Scouting scene is tremendously important to the national program goals and objectives.

An added feature at the

1968 conference is the invitation that has been extended to the wives of the Commissioners to attend the evening dinner program, and sit in on the address by the Regional Scout Executives.

Detroit Area Council Commissioner F. Lloyd Smith said that his annual meeting is the most important affair of the year for his volunteer Scouters.

The new 5% passbook

it keeps your money handy.

For the first time, you can get short-term flexibility in passbook form, plus the long-term advantages of guaranteed high-return on your money all in the same package.

Passbook flexibility

You can make deposits at any time, in any amount of \$50 or more. You can withdraw quarterly, without notice, any amount that has been on deposit 90 days or more. And you always have a handy passbook record of your savings.

Highest earnings

Bank of the Commonwealth guarantees to compound 5% interest continuously to give you the highest possible earnings on bank savings programs in Detroit.

Four-year guarantee means over 5½% for you

Bank of the Commonwealth guarantees 5% for a full 48 months which will earn you more than 5½% return.

Choice of three Interest Payment Plans

You may elect to have your earned interest credited to your account, and continue to earn even more. Or, we will credit the interest to another Commonwealth account. Some may want to receive an interest check each quarter.

Money readily available

During the first ten days of any quarter, you can withdraw without notice any amount of your savings that have been on deposit 90 days or more. Or if you need money between quarters, you can get it with just 90 days' written notice.

And you can withdraw your most recently credited interest at any time.

Low initial deposit

All it takes is a \$500 deposit to start your Golden Passbook account.

You can add as little as \$50 to your Golden Passbook account at any time.

And to make adding even easier, you can start a systematic savings plan. We can transfer \$50 or more every month from your checking account—automatically.

Free checking, too

Once you're enrolled in Golden Passbook, you qualify for a free checking account. Check Free and Earn.

That means you can write all the checks you want, make deposits and get a detailed monthly statement, all free.

There's more

Your Golden Passbook is what we call "assignable." That means you can always use it as collateral for a loan at any Commonwealth office.

And, of course, Bank of the Commonwealth issues you an annual statement for tax purposes.

To open your Golden Passbook account, just bring your passbook or other funds from any financial institution into your nearest branch office. We'll make the necessary transfers in minutes.

Torch Drive Goal Set at \$27,550,000

The 1968 Torch Drive volunteers will seek a "bare minimum" goal of \$27,550,000.

That was the figure approved by the United Foundation board of directors at a recent meeting held in the Statler Hilton Hotel, Detroit.

Presiding was the UF Board Chairman Max M. Fisher, of Franklin, who expressed confidence the goal will be achieved by Victory Dinner night.

The 20th annual UF campaign is scheduled for Oct. 15 through Nov. 7. Benefiting will be nearly 200 health and community services in Wayne, Oakland and Macomb Counties.

The 1968 goal, highest ever set for any united fund campaign, is 4.5 per cent above the 1967 target of \$26,360,595.

It falls only slightly under the \$27,573,109 total reported at last fall's Victory Dinner.

The figure was recommended by the UF goal and allocations committee headed by Chairman Allen W. Merrell, vice president, civic and governmental affairs, Ford Motor Co.

WILLIS — James R. Helzerman, 21, whose parents, Mr. and Mrs. Jay W. Bardell, live at 14141 Oakville Waltz Road, was promoted to Army sergeant (August 20) while assigned to the 2nd Infantry Division in Korea.

Sgt. Helzerman is a squad leader in the division's 2nd Military Police Company. He entered the Army in December, 1964, completed basic training at Ft. Knox, Ky., and was last stationed in Detroit, Mich., before arriving overseas in September 1967.

Helzerman Gets Army Promotion

ROMULUS TOWNSHIP RESOLUTION NO. 68-28

CODE UP 203: RESOLUTION REQUESTING ASSISTANCE

WHEREAS, the Township Board of the Township of Romulus, Wayne County, Michigan has, by Ordinance Number 55-34 passed on May 2, 1955 provided for the creation of an official Planning Commission; and

WHEREAS, the Supervisor of the Township has appointed members of the Township Planning Commission; and

WHEREAS, said Planning Commission is now duly constituted and operating; and

WHEREAS, said Commission has determined that for the orderly future growth of the Township of Romulus and to prevent the spread of blight, that it is necessary that a comprehensive community plan be prepared; and

WHEREAS, the Township of Romulus has a population of less than 50,000 and does not have sufficient finances to pay for all of said comprehensive community plans; and

WHEREAS, the Planning Commission has requested the Township of Romulus to request the State Department of Commerce to enter into a contract with the Department of Housing and Urban Development for Urban Planning Assistance under the provision of Section 701 of the Federal Housing Act of 1954, as amended;

NOW, THEREFORE, BE IT RESOLVED that the Township of Romulus, Wayne County, Michigan, request that the State Department of Commerce make application to the Department of Housing and Urban Development for Urban Planning Assistance for the Township of Romulus, Wayne County, Michigan.

BE IT FURTHER RESOLVED that the Township of Romulus provide \$9,987 which represents 33 per cent of the cost of the proposed planning work.

AND, BE IT FURTHER RESOLVED that the Supervisor of the Township of Romulus be and is hereby authorized to enter into a contract for Urban Planning Assistance for an amount not to exceed the aforesaid sum of \$9,987.

This Resolution was adopted by the following vote:

Yeas: Bizek, Perry, Wallis, Stewart, Wegienka, Pennington, Raspberry

Nays: None

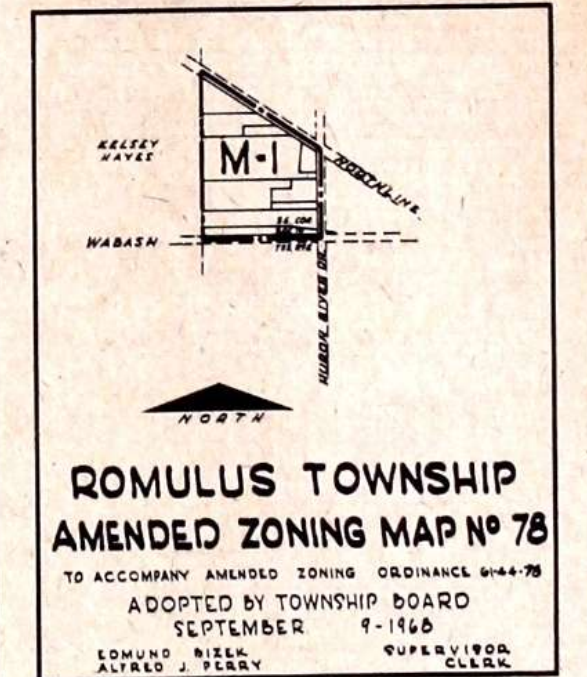

Absent: None

I certify that I am the Clerk of the Township of Romulus, that the above is a true copy of a Resolution adopted by a quorum of the Township Board of this Township of Romulus at a meeting held on the 9th day of September, 1968.

ALFRED J. PERRY,
Township Clerk

ORDINANCE NO. 61-44-78

AN ORDINANCE TO AMEND ORDINANCE NO. 61-44, BY THE ADDITION OF A NEW SUB-SECTION (a-a) TO SECTION 20.01, AND BY AMENDING THE ZONING MAP.

THE TOWNSHIP OF ROMULUS ORDAINS:

PART I. That Ordinance 61-44, known as the Zoning Ordinance of the Township of Romulus, shall be and hereby is amended by amending the Zoning Map as indicated on Amended Zoning Map No. 78 and by the addition of a new sub-section to be known as 20.01 (a-a) and to read as follows:

(a-a) Associated services such as and similar to banks and banking facilities.

PART II. CONFLICTING PROVISIONS REPEALED. Any Ordinance or part of an Ordinance in conflict herewith is hereby repealed.

PART III. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the Court to be invalid, the same shall not affect the validity of this Ordinance as a whole or any part thereof, other than the part so declared to be invalid.

PART IV. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the peace, health, safety and welfare of the people of the Township of Romulus and are hereby ordered to be given immediate effect and be in force from and after the earliest date allowed by law, and this Ordinance is hereby ordered to be published in the manner prescribed by law.

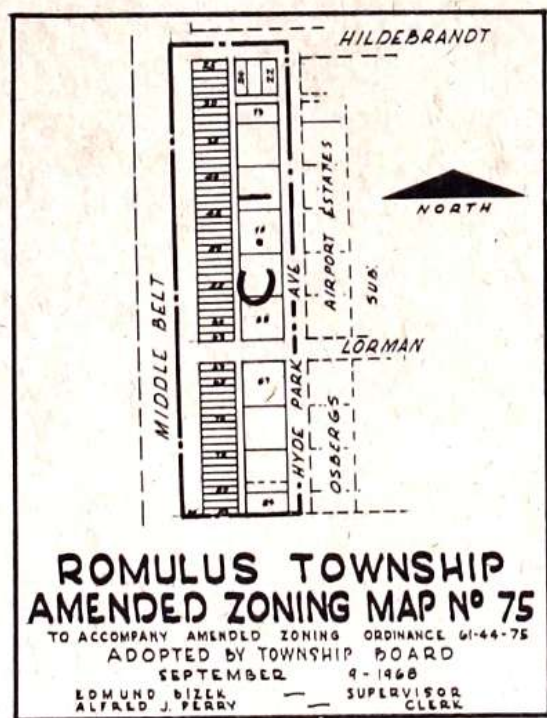

STATE OF MICHIGAN)
COUNTY OF WAYNE)

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify the foregoing is a correct copy of an Ordinance as passed by the Township Board of the Township of Romulus, at a regular meeting held on September 9, 1968.

ALFRED J. PERRY,
Township Clerk

ORDINANCE NO. 61-44-75

AN ORDINANCE TO AMEND ORDINANCE NO. 61-44 BY AMENDING THE AMENDED ZONING MAP.

THE TOWNSHIP OF ROMULUS ORDAINS:

PART I. That Ordinance 61-44, known as the Zoning Ordinance of the Township of Romulus, shall be and hereby is amended by amending the Zoning Map as indicated on the Amended Zoning Map No. 75, attached hereto and made a part of this Ordinance.

PART II. CONFLICTING PROVISIONS REPEALED. Any Ordinance or part of an Ordinance in conflict herewith is hereby repealed.

PART III. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the Court to be invalid, the same shall not affect the validity of this Ordinance as a whole or any part thereof, other than the part so declared to be invalid.

PART IV. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the peace, health, safety and welfare of the people of the Township of Romulus and are hereby ordered to be given immediate effect and be in force from and after the earliest date allowed by law, and this Ordinance is hereby ordered to be published in the manner prescribed by law.

STATE OF MICHIGAN)
COUNTY OF WAYNE)

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a correct copy of an Ordinance as passed by the Township Board of the Township of Romulus, at a regular meeting held on September 9, 1968.

ALFRED J. PERRY,
Township Clerk

ORDINANCE NO. 68-72

AN ORDINANCE TO CREATE THE OFFICE OF COMMISSIONER OF NOXIOUS WEEDS FOR THE TOWNSHIP

WHEREFORE, the Township Board hereby finds that the existence and proliferation of noxious weeds in the Township of Romulus is detrimental to the public health, safety and welfare of the citizens of the Township; and

WHEREFORE, the Township Board considers it to be in the best interests of the Township to implement Act 359, Michigan Public Acts of 1941, as amended;

NOW THEN BE IT ORDAINED:

Section 1. That the Township Board may appoint by resolution a Romulus Township Commissioner of Noxious Weeds and shall fix his compensation not to exceed \$4.00 per day for each full day necessary to the performance of his duties. The Commissioner shall, prior to receiving payment for services, file with the Township Treasurer an affidavit of the number of days spent in the performance of his duties.

Section 2. The Commissioner shall serve a term of office of two (2) years from the date of appointment and until his successor is appointed and qualified.

Section 3. The Commissioner shall have full power to implement the provisions of Act 359 of Public Acts of 1941, as amended and, in connection therewith, to notify owners or occupants of land on which noxious weeds are found growing by certified mail, return receipt requested, notice pursuant to Section 4 of Act 359 of Public Acts of 1941, as amended, to remove said weeds, and, upon failure of said owner or occupant to remove said weeds, to enter upon the lands on which said weeds are found growing, to remove said weeds, to impose and enforce a lien against said lands for the repayment of the expense of removal, and to prosecute violators of the laws concerning noxious weeds.

Section 4. The Commissioner shall make an annual report to the Michigan Department of Agriculture.

Section 5. For the purposes of this ordinance, the term "noxious weeds" shall include, in addition to those weeds mentioned in Section 2 of Act 359 of 1941, all weeds, other than grain, ornamental flowers, plants, trees, vegetables, hedges and bushes, which shall be over one foot in height.

I, ALFRED J. PERRY, Clerk of the Township of Romulus, do hereby certify that the foregoing is a true copy of an Ordinance adopted by the Romulus Township Board at its regular meeting held on the 9th day of September, A.D. 1968.

ALFRED J. PERRY, CLERK
Township of Romulus

CAMPAIGN OPENS OCT. 15

Three Youngsters to Serve As Torchlighters This Year

DETROIT — A 2-year-old Detroit, Nancy De Jour, of 8740 Dumbarton, and two suburban youngsters will serve as Torchlighters for the 1968 Torch Drive.

The Torchlighters will play a history-making role calculated to give visible proof to the 1968 Torch Drive theme: "Everybody Benefits; Everybody Gives."

They will make history as the first multiple Torchlighters not members of a single family to be selected by the UF since its first campaign in 1949.

Nancy is the daughter of Mr. and Mrs. Lionel De Jour, who migrated here from Haiti following the political assassination of Mrs. De Jour's father, a prominent attorney

A CEREBRAL palsied child, Nancy is a patient at Detroit Orthopaedic Clinic, where she has been fitted with braces and now is learning to walk. The first Negro to serve as a UF Torchlighter, she will represent Wayne County.

Her father is employed with Ford Motor Co. while studying electrical engineering at Wayne State University.

Representing Macomb County will be Douglas Gentry, five, son of Mr. and Mrs. Ronald Gentry, Mt. Clemens.

The Oakland Torchlighter is Ann Marie Botham, four-year-old daughter of Mr. and Mrs. James G. Botham, of Berkley.

THE GENTRY youngster also is a cerebral palsied child and is a patient at the United Cerebral Palsy Association of Detroit.

Ann Marie, who was born with only a partial left arm, is a patient at the Detroit Orthopaedic Clinic where she has been fitted with a prosthesis and is receiving therapy.

The choice of the three youngsters marks the third time in UF history that multiple Torchlighters have been selected for the campaign symbol, traditionally a single youngster until the 1965 drive.

That year, Janice and JoAnn Taylor, twin daughters of the Ellsworth Taylors, of Livonia, became the first to break the precedent.

In last fall's campaign, the Melvin J. Georges, of Southfield, became the first "Torchlighter Family" in the UF's 19-year history.

THIS YEAR'S campaign will be held Oct. 15 through Nov. 7 to raise operating funds for nearly 200 health and community services including the two clinics represented by the newly named Torchlighters.

The 1968 campaign promotion chairman, Sheldon Moyer, credits a scientific

study completed last spring with leading to the choice of both the drive theme and of a Torchlighter from each of the three counties comprising Metropolitan Detroit.

"We set out to establish the 1968 theme immediately after last year's campaign ended," Moyer, who is president of D.P. Brother & Co., said.

"DISCUSSIONS at that time led to our asking MacManus, John & Adams to undertake a study of population trends in the tri-county area as they relate to availability of Torch Drive services."

The project was conducted under the guidance of the UF's year-round public relations committee headed by Theodore H. Mecke Jr. Mecke is vice president of public relations for Ford Motor Co.

He said the findings reflected rapid growth in Oakland and Macomb Counties while indicating that Wayne, particularly the Detroit area, is tending to decrease proportionately.

MOYER ALSO said the research project revealed that the nearly 200 Torch Drive services not only had followed population moves but, in most instances, had anticipated them.

"Today, these services appear equally available throughout the three-county area," Moyer declared. "Every contributor to the UF can be assured that his city or town and, indeed, his family and himself benefit from the Torch Drive."

State Bar's 33rd Meet Announced

More than 1500 of the state's leading lawyers and their wives are preparing to attend the 33rd annual meeting of the State Bar of Michigan to be held Sept. 24-27, at the Pantlind hotel, Grand Rapids.

John G. Starr, Grand Rapids, state bar president, has announced that highlighting the nationally prominent speakers slated to address the sessions are: retired Supreme Court Justice Tom Clark; ABA president William T. Gossett, and David Schoenbrun news commentator and world affairs analyst.

TAYLOR COUPLE HONORED — Governor George Romney presents an award to Mr. and Mrs. Kenneth Evans of 5850 Ziegler, Taylor, for their activity in the Michigan Republican Party's program of involvement with the problems of people at the individual and community level. Mr. and Mrs. Evans were honored for their work with a group of 150 local underprivileged children, including a Christmas party, a beach party, a pancake supper and a hot dog roast for the youngsters. Mrs. Evans also teaches a crafts class for the children once each week. The couple also have obtained sewing materials for a local nursing home so that the inmates can make clothing to be sent to orphaned children in Vietnam. Their latest project is the making of 250 quilts for a crippled children's camp.

Library Association Announces 2 Events

DETROIT — "Religious education for all people of a parish requires a really good church library run by knowledgeable workers and we can help them gain the knowledge," is the promise of the Catholic Library Association Michigan Unit Parish Section chairman Sister Rosemarie, HVM, in announcing two upcoming events.

Msgr. F. X. Canfield, rector of Sacred Heart Seminary, will be the guest speaker for the Michigan unit of the CLA's annual meeting, Saturday, Oct.

5, at Port Huron's Catholic Central High School, 8:30 to 4:30.

His address will follow morning workshops including one by the parish section for church librarians and aides.

Speaker-consultants will include Sr. Elizabeth Marie, CSEP, of Bishop Gallagher H.S. religious program, Sr. Anne Veronica McNulty, of the field staff of the archdiocesan religious education office, and Mrs. Frank Schuler, religious education coordinator for St. Kieran, Utica.

A more extensive training

course is also being offered by the Catholic Library Association's Michigan Unit Parish Section in cooperation with the Metropolitan Detroit Council of Churches and the Jewish Community Council. This will be Oct. 9, 16, 23 and 30, from 10 a.m. to 2 p.m. at the University Center for Adult Education, 60 Farnsworth, Detroit, 48202.

Taught by professional librarians, the course will provide details on organization and operation of church libraries for a fee of \$20 due during September.

If you want a double front door but can't remodel the entrance to allow for one, try this trick. On either side of the present door, mount a panel matching the present door's styling. Or use door-height louvered shutters. Both produce the wider, elegant look of a double door but involve little cost or work. Be sure to finish the panels or shutters to match the present front door.

Royal Tribune
AMERICAN OF MARTINSVILLE

Today's bedroom isn't just for nighttime dreaming. It should be a haven from the distractions of the outside world at any hour. A place to go and glow in your own magnificent little castle. Royal Tribune's castle-building comes at a cost that's not way up in the clouds. Full of romance, radiant character and Italian reveries. Start with Royal Tribune's master-crafted bedroom basics -- bed, dresser and chest -- then add the little heart-to-heart tables and chairs that give a room its sunny Mediterranean disposition. Choose from rich amber traditional tone or light decorator pumice on walnut and pecan. . . beautifully accented with genuine elm burl overlays. From every standpoint, including price, Royal Tribune by American of Martinsville is furniture you'll want to have. . . for a long, long time.

THUNDERBIRD'S "Unique in All the World" image is enhanced for 1969 with design and engineering improvements and new options. Two-door Landau models (above) feature a more formal roof line with wide pillars replacing the rear quarter windows. Highlight of the 1969 options is the electrically-powered sun roof (below). Available on Landau models, the sun roof is opened and closed by the flick of a switch on the roof console.

FORD'S 1969 LTD — A classic automobile that won't be upstaged even by a beautiful girl is Ford's 1969 LTD. This four-door hardtop leads off with a unique full-width recessed grille. The lower, longer car with a wider stance displays all-new design from front to rear. The new cars can be seen at Atchinson Ford Sales, Inc., 9800 Belleville Road.

Accident Fund Changes Weighed

Wide sweeping changes to the state's Motor Vehicle Accident Claims Fund are being weighed by Secretary of State James M. Hare, originator of the Fund law.

The new proposals were "thrown open for discussion" by William N. Hettiger, deputy secretary of state, speaking for Hare at a Governor's Regional Traffic Safety Conference held at Cadillac, Mich.

Among them is, making the dollar insured fee optional. Only vehicle owners who paid the fee would be eligible to make claims against the Fund. Uninsured drivers would also be eligible by paying the additional dollar over and above the \$35 fee.

"It would be interesting to see how many persons would gamble on this kind of

situation," Hettiger said.

Another suggestion being studied is, doing away with the dollar fees and "trying to make it with the unappropriated money in the Fund plus the uninsured fees," said Hettiger. He noted there was a \$20-million balance in the Fund but that \$9-million of this was represented in filed claims.

HE SAID Hare was also looking into combining removal of the dollar along with hiking the insured fee to "perhaps \$50 or \$75," adding, however, that the present \$35 represented a "realistic figure."

He said raising the uninsured fee was an open invitation for the "chiselers."

Yet another proposal embodied dropping property damage limits from the present

\$200 minimum to \$100. He said that this "might be begging an administrative problem of monumental proportions because the volume of claims might balloon to twice what we now have. Since each claim, large or small, must be checked out, investigated, and adjusted, the cost for handling a smaller claim is often as much as for some large personal injury claims."

HETTIGER SAID his Department was also mulling over possibly trying to increase limits of the Fund from the current \$10,000 for one person and \$20,000 for a single accident. "In the face of rising costs, perhaps this merits consideration. There are cases where people are seriously injured or a wage earner is killed."

He said this could be coupled with limiting Fund claims to actual expenses for bodily injury or death, including

Lower Wheat Prices Seen Unless Plantings Are Cut

For the second year in a row, the board of directors of the Michigan Farm Bureau has urged Michigan farmers to substantially cut back the number of acres intended for fall wheat planting, or expect continued depressed prices.

Taking note of the lowest wheat prices in decades, the farm leaders say that only through reduced planting can growers gain better prices next year. They made the statement after checking domestic wheat stocks, bumper wheat crops over much of the world, and total wheat consumption.

Although there is wide variation in individual production costs over the state, most experts consider it costs more than a dollar to produce a bushel of wheat in Michigan—wheat which has sold this year for as little as 92 cents, and which is currently bringing only about 94 cents on the glutted market.

THIS YEAR many farmers lost money with every bushel of wheat sold, several Farm Bureau leaders observed, noting the dramatic drop in

wheat prices over the past two years.

Wheat which was \$1.70 per bushel in the 1966 harvest, dropped to \$1.30 per bushel at time of last year's harvest, and from there to the present less-than-a-dollar figure - lowest price in 26 years.

The farm leaders attribute this decline directly to excess supplies of wheat in Michigan, the United States and the world. Bumper crops in nearby Canada are part of the problem, as were the excellent yields in North Africa and western Europe. In the United States, a July 1 "carryover" totalled 537 million bushels, up by 112 million bushels from the year previous.

In Michigan, 7,420,000 bushels were on hand, compared to 4,674,000 bushels on July 1, 1967... an increase of 59 per cent!

It all adds up to a continuation of low wheat prices for Michigan growers, unless, unless, the Farm Bureau leaders say, growers voluntarily reduce their plantings now by a substantial amount.

Church Schedules Dr. J.E. Hoskins

ANN ARBOR — "Parents Without Partners" will meet Friday evening Sept. 27, at St. Andrew's Episcopal Church House, 306 North Division Street, at 8:15 p.m.

Speaker of the evening will be Dr. John E. Hoskins, Grosse Pointe, Executive Director of the Good Will Industries of Detroit. His topic will be "Sex and Single Parent."

Meeting on Diabetes Announced

DETROIT -- The Southeastern Michigan Chapters of the Michigan Diabetes Association will hold their first combined meeting on Thursday, Sept. 26, at 8:00 p.m. in the Lecture Hall of the

Detroit Institute of Arts, Woodward at Kirby. Guest speaker will be Buris R. Boshell, M.D., Professor of the Ruth L. Hanson Chair of Medicine, University of Alabama, and Diabetes and

Metabolism Chief of Medicine at the Veterans' Administration Hospital in Birmingham, Alabama.

Dr. Boshell's topic, of great interest to diabetics and their families, will be "Recent Advances in Diabetes and Hopes for the Future." A question and answer period will follow. Introducing Dr. Boshell will be Fred W. Whitehouse, M.D., Chief of Metabolism, Henry Ford Hospital in Detroit and President of the Michigan Diabetes Association.

The meeting is open to the public at no charge and free pamphlets about diabetes will be available.

Michigan Diabetes Association is supported by the Torch Drive and the Michigan United Fund. Chapters represented will be from Wayne, Oakland, Macomb, Sanilac, Monroe, Washtenaw and St. Clair counties.

For further information write to Michigan Diabetes Association, 6131 W. Outer Drive, Detroit, Michigan 48235 or call 342-9333.

CITY OF BELLEVILLE COUNCIL PROCEEDINGS

SPECIAL MEETING
SEPTEMBER 10, 1968

A regular meeting of the City Council for the City of Belleville, County of Wayne and State of Michigan was called to order by Mayor Smith, with Councilmen Walters, Palmer, Boone, and Amerman present.

This was the time designated for the Public Hearing, on the Adoption of Ordinance designating a district area pursuant to Act 189 of Public Acts 1968, due, Notice of Publication was given on August 21, 1968, the Council listened to the comments of the people present and the hearing was terminated at 9:30 P.M., September 10, 1968.

Upon Motion by Walters, and supported by Palmer that the following Ordinance was adopted:

CITY OF BELLEVILLE
ORDINANCE NO. 68-103

A N ORDINANCE TO DESIGNATE A DISTRICT AREA SURROUNDING URBAN RENEWAL PROJECT NO. 1 AND TO DESIGNATE THE DEVELOPMENT AREA WITHIN SAID DISTRICT.

THE CITY OF BELLEVILLE ORDAINS:

Section 1. That in accordance with the provisions of act 344 of the Public Acts of 1945 as amended and as last amended by Act 189 of the Public Acts of 1968, the district area within the City of Belleville is hereby created and designated as:

That portion of the City of Belleville lying on both sides of Liberty Street between Belleville Road and Huron River Drive; and Northwesterly of that portion of Huron River Drive South of Liberty Street; and that portion lying West of Sumpter (South Street) extended Northwesterly to a point where it intersects Huron River Drive.

Section 2. That a development area (Urban Renewal Project No. 1) within the above district is hereby designated as:

Lots 249 through 256 both inclusive of Assessor's Belleville Plat No. 5.

Section 3. That as the time requirements set forth in Act 189 of the Public Acts of 1968 have created an emergency affecting the public peace, health and safety, this Ordinance shall take effect upon publication.

AYES: WALTERS, PALMER, BOONE, AMERMAN, SMITH

NAYS: NONE

Upon Motion by Amerman, supported by Boone, that the following resolution was offered:

RESOLUTION

WHEREAS, the Wayne County Health Department has determined that Belleville Lake is polluted; and

WHEREAS, as the causes of said pollution are outside the City of Belleville; and

WHEREAS, the pollution of Belleville Lake is affecting the health and general welfare of the City of Belleville.

NOW, THEREFORE, BE IT RESOLVED, that the Water Resources Commission of the State of Michigan be and it is hereby requested to immediately investigate the conditions relating to the pollution of Belleville Lake and that said Commission conduct a hearing preliminary to the issuance of an order by the Commission to correct the conditions contributing to and causing the pollution of Belleville Lake.

BE IT FURTHER RESOLVED, THAT THE City Clerk be and he is hereby authorized and directed to forward a copy of this Resolution to the Water Resources Commission of the State of Michigan.

AYES: WALTERS, PALMER, BOONE, AMERMAN, SMITH

NAYS: NONE

Motion by Boone, seconded by Amerman, that Henry E. Graper Sr. be appointed Urban Renewal Director for the City of Belleville.

Carried unanimously.

Motion by Palmer, seconded by Boone, that the meeting be adjourned.

Carried unanimously.

IRWIN W. STECH,
City Clerk

Boy Scout Troop 793 Elects Slate

BELLEVILLE — Boy Scout Troop 793, sponsored by St. Anthony's Catholic Church of Belleville, elected new troop officers at their weekly meeting held Sept. 9.

Bernard Polzin was elected as Senior Patrol Leader, Tom Branscomb as Assistant Senior Patrol Leader, Tim Branscomb as Troop Scribe, and Greg Ivan as Quartermaster.

In addition, the Panther Patrol elected John Creith, Patrol Leader; Larry Bell, Assistant; and Ken Dryer, Patrol Scribe.

New officers in Buffalo Patrol are Wayne Sommers, Patrol Leader; Dale Dunaycan, Assistant; and Randy McNally, Scribe.

Flaming Arrows selected Charles Polzin, Patrol Leader; Phillip Grillo, Assistant; and Tim Branscomb, Patrol Scribe.

...

THE TROOP meets every Monday evening at 7 in St. Anthony's School, and invited boys who would like to join them to attend one of their meetings.

The troop is directed by their scoutmaster Mr. Tony Talea, and are now preparing for the Huron District Camporee, to be held the weekend of Oct. 11-12-13.

Troops from Belleville, New Boston, Romulus, and Taylor will compete against each other, at this Camporee, in tests of Scouting skills.

Urge Tool Check For Safety

The thousands of Michigan residents who use portable electric tools on the job or around home should check their equipment regularly for defects, advises the Bureau of Safety and Regulation.

As a precaution against electric shock, the tools should be inspected for defective or broken insulation, improper or poorly made connections to terminals and broken or defective plugs. Other danger signals are loose or broken switches and sparking brushes.

If any of these defects are spotted, the tool should be taken out of use until proper repairs are made.

Each tool should be properly grounded. Three-wire ground-

ing, properly connected, or use of approved double insulated tools will greatly reduce the hazard of electric shock. The Bureau also cautions against using portable electric tools while standing on damp or wet surfaces, situation which can produce an accidental ground-

ing. Proper care and maintenance of tools is not only important as a safety factor, but it also contributes toward long and economical usage.

There are about 11 million victims of leprosy in the world. For 75¢, UNICEF provides enough sulfone to treat one of them successfully for three years.

CITY OF BELLEVILLE ORDINANCE NO. 68-104

AN ORDINANCE ESTABLISHING THE METHOD OF SELECTION OF THE CITIZENS DISTRICT COUNCIL AND THE APPOINTMENTS THERETO.

THE CITY OF BELLEVILLE ORDAINS:

Section 1. That there is hereby created a Citizens District Council for the district area established by Ordinance No. 68-103, which shall consist of fifteen (15) persons living within the said district area.

Section 2. That a majority of the members of the Citizens District Council shall be composed of citizens living in a development area designated within the district area established by Ordinance No. 68-103, provided, however, if there are not sufficient citizens living in a development area so as to comply with this section then the Citizens District Council shall be composed of as many citizens living in a development area as are willing to serve on said Citizens District Council.

Section 3. That the term of office of the members of the Citizens District Council shall be two years. Vacancies created by any cause or reason shall be filled in the same manner as the original appointment for the unexpired term.

Section 4. That the members of the Citizens District Council shall be appointed by the Mayor with the approval of the City Council.

Section 5. That as the time requirements set forth in Act 189 of the Public Acts of 1968 have created an emergency affecting the public peace, health and safety, this Ordinance shall take effect upon publication.

AUTHENTICATION

This is to certify that the undersigned do hereby authenticate the foregoing record of the Ordinance therein set forth.

City of Belleville

Area Obituaries

BABY LEE ANN LAKE, daughter of James and Janet Lake, of 200 Montague st., Belleville, died the day of her birth Sept. 13 at Beyer Hospital, Ypsilanti.

Services were held Monday, Sept. 16, from Roberts Bros. Funeral Home, the Rev. Richard C. Welsh presiding. The baby's grave is in Michigan Memorial Park.

Surviving with the parents are the grandparents, Mr. and Mrs. Joseph Lake and Mrs. Maxine Carter, all of Detroit, and Max Carter, of Traverse City.

MCCALPIN, James Olan, 56, 46570 Willis rd., Belleville, died Sept. 9 in Garden City Osteopathic Hospital. He was born Nov. 18, 1911, in Alabama and was an assembler at the Ford Motor Co., Rawsonville.

Surviving are his wife, Deacy; a daughter, Angie, at home; his father, John McCalpin, of

Littleville, Ala.; and four brothers and sisters, Gillie V. McCalpin and Leonard McCalpin, both of Alabama; Albert McCalpin, of Dearborn Heights; and Mrs. Dessie Dorres, of Indiana.

Services were held at Sparks Chapel, Red Bay, Ala. under the direction of the Highsmith Funeral Home of Russellville, Ala.

Local arrangements were by Roberts Bros. Funeral Home.

FENN, Bertha May, 72, 10520 Willis rd., Willis, died Sept. 14 in St. Joseph Hospital, Ann Arbor, following an illness of two weeks duration. She was born April 30, 1896, in Indianapolis, Indiana.

Survivors are her husband, David; five children, William Clapper, of Saline; Mrs. Margaret Kloehamer, of Davisburg; Mrs. Maxine Howard of Willis; and Mrs. Shirley Straub and David Robert Fenn, both of Belleville. She also leaves 20 grandchildren and nine great-grandchildren. A daughter, Mrs. Beverly Supina, preceded her in death.

Services were held Tuesday, Sept. 17, from Roberts Bros. Funeral Home. The Rev. Paul Hoffmaster presided and burial was in Alban Cemetery.

Contributions may be given to the Willis United Methodist Church or the Cancer Fund.

Finishes Unit

ROMULUS -- Airman Henry J. Freitag, son of Leo Freitag of 15237 Huron River Drive, has been graduated from a U.S. Air Force technical school at Sheppard AFB, Tex.

The airman, an Air National Guardsman, was trained as an aircraft mechanic and has been assigned to a Michigan ANG unit at Inkster. He attended high school in Romulus.

How to find an appliance dealer who applies himself:

Just shop where you see the Namco seal. Local firms that earn the Namco endorsement have pledged to do business ethically and helpfully. To give you service. Value. Courtesy.

Namco: your guide to reliability... and to stores and services that will do right by you.

The Computer Becoming Tool Against Accidents

Computerization of all Michigan driver and vehicle records will be vital not only to

the state's law enforcement community but could also be an invaluable tool in accident prevention as well.

This prediction was made by Secretary of State James M. Hare.

Mechanization program of the Michigan Department of State was outlined. Hare said that nearly 10-million records of drivers and vehicle is will be processed and computerized by mid-1970. He said that presently, about 70 percent of all records including driver, vehicle, accident, problem driver, and others had been mechanized.

more traffic convictions on their records and that only six percent have 15 or more convictions.

A study bore out the premise that excessive speed is by far the largest type of infraction committed by Michigan drivers.

STILL ANOTHER revealed that more than 50 percent of Michigan drivers who

accumulate enough points for action in the state driver improvement program are between 19 and 24.

Teenage drivers... although they comprised only seven percent of Michigan's licensed drivers... were involved in 15.5 percent of all accidents.

According to Hare, "we are only scratching the surface on the possible studies we can conduct."

IN REDFORD

Ford Motor to Expand Development Facility

Ford Motor Company will increase by 35 per cent the size of its Manufacturing Development Center in Redford Township, Mich., Marvin L. Katke, vice president - Manufacturing Staff, has announced.

"Enlargement of this facility will help insure Ford's continuing leadership in the research and development of product quality improvements and new manufacturing techniques, methods and materials," Katke said.

H. F. Campbell Company has been awarded the contract to design and build the 32,360-square-foot addition. The facility will be expanded to 126,090 square feet. It is located on an 11-acre site on Glendale Avenue.

CONSTRUCTION is expected to begin next month with completion planned for next May.

The 390-foot-long building will be extended about 80 feet to the west. The expansion will include additional laboratories, development facilities and offices. Construction also will include a new entrance to the facility and added employee parking facilities.

Engineers at the Manufacturing Development Center research and develop new techniques, methods and materials for improving welding, machining, metal forming and assembly processes for Ford Motor Company worldwide.

D.O. College Enrolls Parent

NEW BOSTON -- Jeffrey Parent, son of Mrs. Herbert J. Parent, of New Boston, enrolled for the first year of study at the College of Osteopathic Medicine and Surgery, Des Moines, Iowa.

The College is one of five osteopathic medical schools in the United States offering a four-year course leading to the Doctor of Osteopathy degree.

Parent completed his pre-professional training at Eastern Michigan University where he received his B.A. degree before enrolling at the College of Osteopathic Medicine and Surgery.

THOUGHTS THAT LIVE FOREVER

This is thy hour, O Soul, thy free flight into the wordless,
Away from books, away from art,
the day erased, the lesson done,
Thee fully forth emerging, silent,
gazing, pondering the themes thou lovest best,
Night, sleep, death and the stars.

Van Buren Township Board Minutes

REGULAR MEETING
AUGUST 13, 1968

The meeting opened with pledge of allegiance to the flag. Supervisor Toth called the meeting to order at 8:00 P.M. Board members present were: Toth, Stoelton, Hogan, Maton, Domcik, Birk and Pence, Deputy Clerk. Payne was on vacation. Also present were 10 citizens.

Motion Hogan, support Domcik to approve the minutes of July 23 as presented. Carried unanimously.

Correspondences from the United Foundation requesting permission to solicit during their drive October 14 to November 7. Was Read and approved, Motion Stoelton, support Birk.

Mr. Toth read the final Audit report of the statement of Cash Receipts and Disbursements - Water and Sewer Funds for fiscal year ending March 31, 1968. Moved by Stoelton, support Domcik, that the report be accepted. Roll call vote was taken. All yes carried.

Mr. Toth read a letter from the Van Buren Township Planning Commission recommending the Board approve the rezoning to R-M, 10 acres on Beck Road, south of Tyler Rd. for site of Nursing Home. Motion Hogan, support Birk, to rezone said property. Carried unanimously.

Letter read by Mr. Toth from the Wayne County Road Commission concerning the payment of the Township share of the installation of Railroad crossing flasher at Elwell Rd. that was installed over a year ago. The cost to the Township being \$3,745.57. Motion Hogan, support Stoelton, to pay our share. Carried unanimously.

Deputy Clerk Pence read a damage claim for \$40 for 40 chickens killed by stray dogs. Moved Stoelton, support Hogan, to pay claim. Motion carried.

Motion Hogan, support Maton, that Mr. Louis Toth or Mrs. Erma J. Payne be delegated authority on Water and Sewer estimates as required by Wayne County Road Commission.

Motion Stoelton, support Domcik, to purchase Interstate Photo Copy Machine for Township Office. Motion carried.

Motion Stoelton, support Domcik, to send proposed ordinance on distribution of hand bills to Attorney Hopson for legality. Motion carried. Mr. Toth asked that copies of the ordinance to be sent to each Board member for them to read before next Board meeting.

Discussion of the purchase of Porta-John to use at the boat launching site on the tennis courts or wherever needed. Explanation of the equipment was given earlier to all Board members. Motion Hogan, support Domcik, to table matter until Spring. Motion carried. Mr. Toth asked that a letter be sent to the Company for a report from the conservation department on said Porta-John.

Motion by Stoelton, support Hogan, to reapprove previous ordinance on Plat No. 6, Lake View Court Subdivision.

Moved Stoelton, support Hogan, to pass Resolution on Pollution. Drawn up by Attorney Hopson on the pollution of Belleville Lake. Mr. Toth talked about the pollution of Belleville Lake, what has been done and what will be done in the future. He has appeared before the Board of Public Works asking that work be started immediately on plans for the Interceptor and not wait until 1980.

Appointment of George Hammond for one year to the Board of Appeals. Moved by Hogan, supported Stoelton. All agreed.

Reports of Water, Building and Treasurer were presented. Motion Hogan, support Stoelton, to accept, as presented, the reports. Carried unanimously.

Motion Stoelton, support Birk, to accept Fire Department No. 1 reports as presented. Carried unanimously. Mr. Toth asked the Clerk to contact Engineer for plans of Fire Hall No. 2 Annex.

Motion Domcik, support Birk, to accept Dog Warden's report as read. Carried unanimously.

Mr. Toth asked each member to read their copy of the Willow Run Creek Report to be discussed at the next meeting.

Motion duly made, supported and carried, the meeting adjourned at 9:40 P.M.

Respectfully submitted,
Imogene Pence,
Deputy Township Clerk
Approved as presented
Date 8-27-68

REGULAR MEETING
AUGUST 27, 1968

The meeting opened with pledge of allegiance to the flag. Supervisor Toth called the meeting to order at 8:00 P.M. Board members present were: Toth, Birk, Stoelton,

Hogan, Maton, Domcik and Payne.

Motion Hogan, support Domcik, to approve the minutes of August 13, 1968 as presented. Carried unanimously.

Correspondence were read acknowledged and filed.

The Township Board reviewed agreements between Quality Construction Co., Morris Levine and Associates and Van Buren Township pertaining to the construction of water and sewer lines to service a proposed subdivision in an area N. W. corner of I-94 Expressway and Haggerty Road. After the reading of the agreements and discussion on same, a motion was made by Hogan, support Stoelton, to execute the agreements and refer same to the Township Attorney for legal procedures. Roll call vote, carried unanimously.

An Ordinance for the distribution of hand bills was postponed until the next regular meeting.

The Willow Creek Report was discussed and Mr. Toth urged all Board Members to study the report at great length. Also a meeting was set for 6:00 P.M., September 4, 1968 to tour and inspect Willow Creek.

The condemnation of Kiscaden was discussed due to a high accident area, littering of glass, cans and etc. Motion by Domcik, support Hogan, to table for next regular meeting to give the Board a chance to inspect the area. Carried unanimously.

A letter from the Recreation Commission was read asking for the operation of a year round recreation program and 1 (one) mill for purchase and acquisition of land and facilities, to be put on the November ballot. After much discussion, a motion by Hogan, support Maton, to put the question to the tax payers of 1 mill for 5 years for recreational purposes. Carried unanimously.

A letter was read from the Wayne County Drain Commission listing the drains in Van Buren to be assessed at large, in the amount of \$2,176.91. A discussion followed pertaining to an agreement entered into 5 years ago where Van Buren Township would handle all drain problems in the area. The people would petition the cleaning of the drains and Van Buren would authorize same. A motion was made by Domcik, supported by Birk, to direct a letter to the Drain Commission asking for an explanation, a break down and maps of the areas to be assessed. Carried unanimously.

Motion Hogan, support Stoelton, to advertise for bids for construction of a water line on Sumpter Road from the City Limits to Spencer St. Carried unanimously.

Motion Maton, support Domcik, for Stan Price to attend the Building Officials Conference September 19 and 20 in Lansing. Carried unanimously.

Supervisor Toth reported on the sewer and water bond sales and the fence and nets being erected this week on the tennis court.

Motion Stoelton, support Domcik, to pay bills as per vouchers.

Motion duly made, supported and carried. The meeting adjourned at 9:50 P.M.

Erma J. Payne,
Van Buren Township Clerk
Approved as Presented

Appoints

A 1968 graduate with a bachelor of science degree from Wisconsin State University in Oshkosh, Wisconsin, has been appointed to the naturalist staff of the Huron-Clinton Metropolitan Authority.

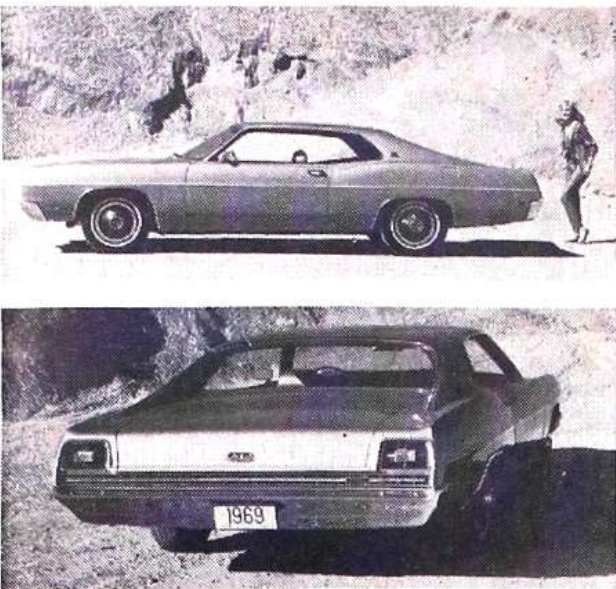

He is James A. Jagdfeld, who has been assigned to the Nature Center of Kensington Metropolitan Park near Milford. As a park naturalist, his primary duties will be to prepare and explain exhibits at the Nature Center, to interpret the plant and animal life of Kensington Park to visitors and provide lectures to school-age youngsters visiting the nature center.

Jagdfeld claims Appleton, Wisconsin, as his home town, where he attended St. Joseph Grammar School and was graduated from Appleton High School - West in June of 1960.

Previously he was employed with the Department of Fish Management, Conservation Division of the Wisconsin Department of Natural Resources.

Jagdfeld resides at 9664 Silverside Drive, South Lyon. The Huron-Clinton Metropolitan Authority is a five-county agency with wight recreational sites throughout the counties of Livingston, Macomb, Oakland, Washtenaw and Wayne.

The Authority operates nature centers at Kensington Metropolitan Park near Milford and Stony Creek Metropolitan Park near Utica which are open year-around.

THE NEW 1969 XL - Ford's 1969 XL two-door Sports Roof model displays all-new design including ventless side glass for cleaner lines and better visibility. An increase in the windshield's rearward slant adds to XL's new swept back appearance. A grille-like applique over the rear bumper as well as a tunneled backlight (below) are two new features for 1969.

Academy Issues Call

All young men who are interested in a Naval career and an education at the U. S. Naval Academy may apply now for admission with the Class of 1973 which enters the Academy in June of 1969, Captain George J. Wallout USNR-R, announced.

Applications for nominations may be sent to local Congressmen as soon as possible. Applicants need not know their Congressmen personally to apply.

Standards for admission are based on good scholastic record, participation in extra-curricular activities, and leadership potential, as well as physical fitness.

Further information on the Naval Academy program can be obtained from the U. S. Naval Information Officer.

Army Reserves to Hold 16 Classes During Year

LIVONIA - Two hundred and fifty Army Reserve, National Guard and Regular Army Officers from the Detroit area are scheduled to attend 16 classes being conducted by the 5032nd USAR School during the 1968-69 school year.

The classes are to commence during the second week of September and will conclude during the last week of May.

The 5032nd, with headquarters in Livonia, has the mission of qualifying officers for higher staff and command positions.

It conducts meetings at the following locations: Livonia USAR Center (Livonia); Zussman USAR Center (Inkster); Sherwood USAR Center (Detroit); Fraser USAR Center (Fraser); Army Tank Automotive Command (Warren); University of Detroit ROTC Bldg. (Detroit); National Guard Armory (Southfield); Light Guard Armory (Detroit); and National Guard Armory (Ypsilanti).

Starts Training

ROMULUS - Army Private Gregory E. Mahalak is assigned to Company B, 13th Battalion, 4th Brigade, in the United States Army Training Center, Armor (USATCA), at Fort Knox, Ky.

Pvt. Mahalak, the son of Mr. and Mrs. Edward E. Mahalak, 10154 Miriam, will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify him in a specialized military skill.

OFFICERS IN the lower grades are enrolled in the basic officer courses of infantry and artillery instruction. Those officers who have completed the basic course are enrolled in the branch officer advanced course. Upon successful completion of the three-year BOAC program of instruction officers are enrolled in the command and general staff course which is normally five years in duration.

Successful completion of the C & GS course qualifies an officer to hold command or staff positions through the rank of general officer.

The reserve duty phases of the training are conducted at the locations listed above, while the annual active duty training phases are conducted at various posts, camps, and stations in the continental U.S.

In addition to the courses for officers the 5032nd is conducting five courses for 315 enlisted men in the Detroit area. Selected personnel from major U.S. Army Reserve units in metropolitan Detroit area are enrolled in the following courses: NCO Leadership (Basic); NCO Leadership (Advanced); Clerk-Typist; Medical Specialist; and Supply.

APPLICATIONS FOR enrollment for the 1968-69 school year are still being accepted at the school headquarters located at 34451 Schoolcraft Road, Livonia. Details as to qualifications for enrollment and the schedule for the meeting times and

places can be obtained by contacting Von Fattal at 427-1747.

The 5032nd is commanded by Colonel Arthur B. Johnston, of 28687 Bannockburn, Farmington. The assistant commandant and C & GS department director is Colonel William M. Spurgeon, of 24799 Edgemont Road, Southfield.

NOTICE OF PUBLIC HEARING

There will be a Public Hearing on the following described property zoned R-1C (Residential) to amend the Zoning Ordinance No. 9-20-65 by amending the zoning map.

The South 650 ft. of the North 1234 ft. of the East ½ of the S.E. ¼ of Section 14, T 3 8, R 8 E, Van Buren Township, Wayne County, Michigan, containing 20 acres more or less. The above described being a parcel of land lying North of and adjacent to land in the E ½ of said Section 14, which is presently zoned R-M (Multiple Dwelling) the N.W. corner of I-94 Expressway and Haggerty Road.

Public Hearing will be held in the Council Room, 46425 Tyler Road, Van Buren Township, Wayne County, Belleville, Michigan, Wednesday, September 25, 1968 at 8:00 P.M.

ERMA J. PAYNE, Clerk
Van Buren Township

Yocum Sparkles In Opener

WAYNE — Coach Vas Badalow was one minute and nine seconds away from the magic hour — of turning Wayne Memorial into the "Cinderella" team, but Belleville's sophisticated quarterback John Yocum waved his hand, went back to pass then slipped around right end to score the decisive touchdown in the Tigers' 18-13 victory over the Zebras Friday night.

Thanks to Bob Mercado's 57 yard run on the third play of the third quarter, Wayne grabbed the lead after trailing Belleville 6-0 early in the second period. The Zebras tied it up at halftime at 6-6.

Belleville dominated the final eight minutes of the game after receiving the ball via a kick on its own 23-yard line. Yocum immediately went to work on Wayne's secondary, passing to Norm Harrington for a first down at advancing the Tigers to the 36.

The senior quarterback then broke loose on a sweep and raced 50 yards to the Wayne 10 yard line. He tossed to Jerry

Boone for a five-yard TD, after three attempts of crashing the Wayne defensive line failed.

When Lee Schmidt's second conversion attempt failed, Wayne had a 13-12 edge on its traditional rival.

With less than six minutes on the clock, Belleville kicked to Wayne which put the ball in play at their 36-yard line. But the Zebra offensive machine didn't move and the Zebras were forced to kick.

Belleville started its winning drive from their own 33 and Yocum took to the air routes again. After a pair of passes which brought his team to midfield, Bruce Bara got into the act and picked up a crucial first down with 1:40 left in the ball game.

The Tigers found themselves on the Wayne 32 yard line where Yocum then chose Steve Hampton and Ed Gielinski as his receivers. They moved the Tigers to the seven where Yocum got a first down and goal to go situation to work with.

He went back on the first play from scrimmage, looked

Associated Newspapers SPORTS

Wednesday, September 18, 1968

for his receiver, found none and tried the right end where he went over with the winning touchdown.

Belleville was the first to get on the scoreboard. After a battle of equals in the first period, they got the first break when Wayne, after driving to the Tiger 11-yard line fumbled and Derek King hauled in the ball and raced to Wayne's 20

before Jim Green caught up to him and brought him down.

Yocum took to the air and after two successful passes to Harrington and Gielinski, he moved the team to the one where he went over on a quarterback sneak.

With 3:04 on the clock, Green rallied his Zebras back with a drive that finished in the end zone. Green, using

halfback Bill Hood and Bob Mercado advanced to the 29 yard line where he selected end Bill Eisminger as his receiver.

Green hit Eisminger with a 29-yard toss for the tying TD, Wayne failed to get the extra point which would have given them the lead and settled for a 6-6 halftime score.

Immediately after halftime, Mercado got away on his sparkling touchdown run to move the Zebras out in front.

"I'm sorry that we lost," said coach Badalow who was approximately a minute away from making his debut as head Wayne coach a successful one. "I'm sorry, however, for various reasons."

"I feel we let our school down and our fans, and I'm sorry for those boys out in the field who tried their darnest to win," said Badalow. "And I think people around here realize that we are going to win some games before this season is over."

The Wayne coach commended the job his safety, Dennis Berard, turned in.

(continued on page 22)

ON THE RUN — Quarterback John Yocum (15) breaks loose on the above play for a 15 yard gain as Wayne gridders trail in his footsteps. Yocum led his team to an exciting victory over the Zebras, passing and running for 175 yards of his team's total 307. He also scored the decisive touchdown in the last minute of play.

THE SPORTS MERIDIAN

By Tom Mooradian

Principals And Principles

It's been traditional for the three and some years I've been pounding this typewriter in this area that I've always started the high school football year up in the press box at Robichaud High.

And I found Pavlov aiming my car in that direction Friday afternoon. Sure enough, nothing has changed. The gridiron is there, the press box, awaiting; the fans, eager.

Nothing has changed. Except for maybe a couple of men who were well-dressed, polite, and eagerly going about their business. Why they were at the field, I know — were they needed? That's the question!

The men in question were plain clothes cops from Dearborn Heights police department. They were called in to see that law and order prevailed.

It did.

There is a new atmosphere at Robichaud — a good one. Sure there have been a few incidents where students have been beaten up, pocket money taken. But what school can say it doesn't have these muggings? These fights?

Robichaud took a beating on the field — one of the worst I've ever seen the Canines take from any non-league rival. No one, of course, likes to lose. But for some reason I didn't look at Robichaud in the win-or-lose sense. Rather, it was some sort of revival — a spiritual one if you want to call it that.

And I feel the way Jim Dickerson, one of the janitors at the school, felt after the game.

"You have to give these kids credit for even being out in the field," he said. "They're a swell bunch of boys and their parents should be awfully proud of them."

From Robichaud, of course, the road led to Wayne Memorial where no effigy was burned this year of the Sports Meridian. But the Sports Meridian may do a little "burning" if the Wayne Community School District doesn't get on the ball.

Has any member of the school board ever tried to take notes of a football game sitting amongst the fans? Try it sometime and see what happens.

From The 'Press Box'

The "Press Box" at Wayne (match box would be more appropriate) only accommodates three, four at the most, people. And no one in his right sense (get that, Dick Miller) would be up there trying to write or broadcast the game because of its shabby construction.

Gee, do we need another millage to get a decent Press Box over there?

As it was, I was forced to sit among the sweetest and more charming Belleville girls you could find. And they don't think Denny McLain is the greatest, or the Sports Meridian, but quarterback John Yocum.

Yocum played one heck of a ball game for the Tigers to save his team from Wayne Friday night.

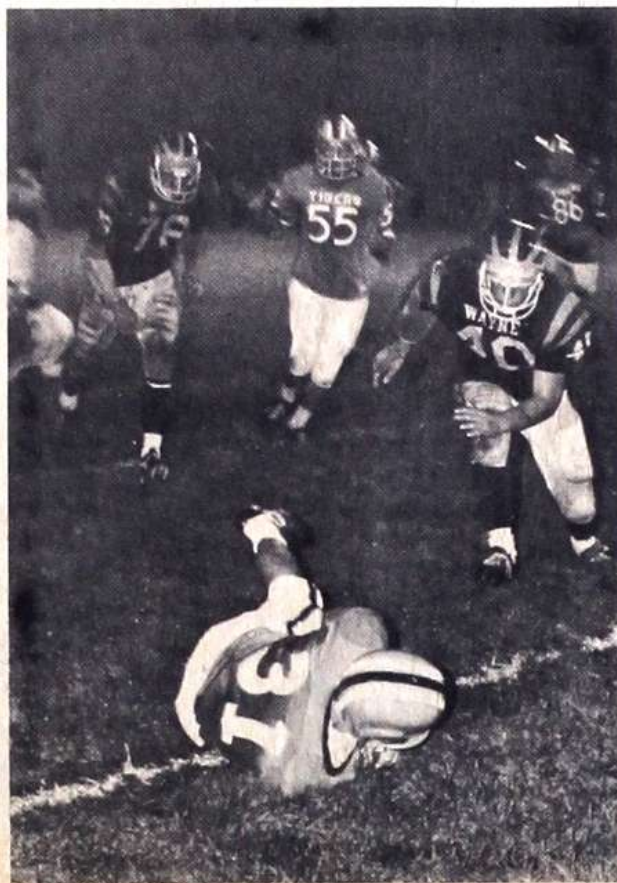

There were also plenty of "celebrities" at the game also. Divine Child's Tony Versaci who coached the Falcons to an unprecedented, undefeated season last year, (which included the Double A, Catholic League and Goodfellow Game championships,) dropped by to see his former line coach, Vas Badalow, make his debut as Wayne head coach.

Belleville (and Yocum) of course spoiled that debut.

No Names And No Double

Speaking of spoilers how about that No double? If ever any horse spoiled a day for so many, that's that four-legged critter from down South. Never did I see so many ambulances heading for you know where when he pulled that upset over Damascus at the Michigan Mile.

Someone said it, I'll repeat it — "the Mile has been the graveyard for so many favorites." And, believe me, as they whizzed me through the crowd on that stretcher I thought it would be mine.

ON THE LINE — Belleville's punt-receiver Mike Fant (31) falls with the ball in Friday's action which saw the Tiger rally to a thrilling 18-13 victory over non-conference rival, Wayne Memorial.

Gibraltar's Bombs Rip Huron In League Debut

HURON — Coach Tom Grange and his Chiefs received their first taste of Huron Conference football competition and, although the does didn't exactly cause indignation, it hurt.

Gibraltar Carlson dished it out in large TD proportions and Huron took it on the chin 42-13. Whether the Chiefs will be kayoed from their first encounter in the newly established league will not be known until later in the season.

"I know the score is a lopsided one," said Grange. "But we started six sophomores who played one heck of a ball game for us. And being young and green we made plenty of mistakes which ended up in touchdowns."

Grange pointed out that he thought the mistakes were of a nature that could easily be corrected.

Carlson, one of the pre-season favorites to win the inaugural Huron championship, didn't waste any time with the young Huron club. It leaped to a 28-0 halftime score before

coasting to an easy 42-13 win.

Four long passes paved the way for the Carlson attack with John Coleman throwing three "bombs" to Dean Rudy and Paul Montry, which went for 42 and 39 yard TDs, respectively.

Quarterback Randy Clark got the Chiefs on the scoreboard with an 18-yard pass

Romulus Makes Little League Football Debut

Romulus made its debut in the Western Suburban Junior League football conference Sunday with the Varsity coming up with a six-all tie with their Northville counter-parts.

Northville, however, turned back Romulus 14-7 in the Junior Varsity bracket while the freshmen lost a 6-0 decision to the Colts. Romulus takes on Livonia's Falcons Sunday at the Senior High School.

Kick-off is at 1 p.m.

Woman's Bowl Congress

Team	Won	Lost
R & J Super Serv.	7	1
Krueger Hydraulic	7	1
Canton Auto Parts	5	3
Memerings Marathon	4	4
Earl's Mobil	4	4
Dudick Const.	1	7
Rogalles	1	7
Travel Queen	0	8

A 2207 team series registered by Earl's Mobil Service sets the pace in the Woman's International Bowling Congress although R & J Super Service and Krueger Hydraulic, with 7-1 records, hold down first place.

Earl's also has a 764 team game which is the pace-setter with R & J in the runnerup berth in that category with 729.

Carol Lundine, who shot a 197 for the individual high game, carded a 519 for the high series also while Kitty Chudzinski's 486 is good for second in the high series bracket and Barb McArthur's 193 is second best for high series.

Romulus In Trouble Again

LIVONIA — The land of football again looks extremely bright for Livonia Franklin and awesomely dark for Romulus as the Eagles spread their wings only once Saturday afternoon in an attempt to trip the fast-moving Patriots.

For a brief moment about 80 yards to be exact Romulus looked as if it had an organized offensive machine. But after that brief span, the Eagles nose-dived and only time will tell if they will recover.

Franklin bombed Romulus 38-6 to shatter head coach George Pratt's hopes of bringing grid respectability back to his team. Franklin grabbed the opening kick-off and marched 75 yards in 10 plays with Danny Thorpe going the final three yards for a touchdown.

Jeff Kind missed his first conversion attempt and the Pats retreated to defend their 6-0 lead.

Romulus stunned rookie coach, George Lovich, and his

team with a sparkling play after kick-off. The Pats booted the ball into the end-zone and the Eagles got the ball on their own 20-yard line.

On the first play from scrimmage, Eagle right half Rance Thomas on a hand-off from quarterback Paul Seestadt, slipped off tackle and sprinted 80 yards for a TD while the shocked Franklin stood by.

Chris Glinski missed the extra point attempt and the

Eagles found themselves with a "new ball game." But they failed to take an advantage of the situation as Franklin came back to ground out 60 yards and its second touchdown on an eight yard off tackle run by Archie Lieb.

Romulus offered little resistance from that point.

The Patriots increased their margin to 25-6 at halftime and added single touchdowns in each of the final two periods of play.

Jerry Sabo, a 208-pound senior, scored three of the Patriots' six TDs, going three-yards, then breaking loose for an 80-yard TD and crashing over from the three for his final one.

"I know we were playing one of the better teams in the area," said coach Pratt after the game. "But I'm still disappointed in our performance. I know we can play a much better brand of ball than we did."

Aside from having one of his top linemen, Nate Williams, ejected from the game, Pratt also lost the services of Jim Bird, a 6-3, 195 pound right tackle who injured himself previously in a lawnmower mishap.

"We're going to go back to the fundamentals again," said Pratt to the where-do-we-go-from-here-question. "And we're going to have to dig in and play ball or Wayne will do the same thing to us."

Wayne's next for the ailing Eagles. They'll play on Friday at 3:30 at Romulus.

Trap Shooting Momentum

Trap shooting in Michigan has picked up considerable interest among sportsmen in recent months and whether the increase in the numbers of people going out to the firing ranges can be laid to a natural growth of the activity or trouble in the urban areas sparked the big influx, it still remains evident present

facilities provided for the public are inadequate.

Private clubs have seen their membership rolls swell to capacity in many cases with the interest in guns. Public firing ranges have always been limited and we know of only one in this area.

An over-crowded firing range in posing some problems for the Michigan State Natural Resources Department in Lansing, we're speaking of the particular range they have in operation at the Proud Lake Recreation area.

Altogether there are four ranges being used at Proud Lake and only one is designed for trap shooting. The other are for rifle marksmen and pistols.

WHEN WE visited the range last Sunday, a capacity crowd was on hand and only one State Conservation officer was there to coordinate things on all of the firing ranges. We know the State is anxious to save money and manpower, too, is probably short but this particular firing range, at a cost to the sportsman of one dollar per visit or three dollars for the season, showed every indication of being a real money-maker.

There are two very important reasons why at this time it would be both prudent and resourceful for the State to exercise more energy in this activity. The danger of accidents, especially with so many neophytes being attracted to the sport, is always a threat wherever people are uncaring firearms.

And aside from this prime concern for gun safety is also the strong possibility that legislation pending on the registration of long guns could be greatly facilitated by incorporating the enforcement checks right in with the operation of the ranges.

We don't feel sportsmen who use the firing ranges for trap

and skeet shooting or zeroing in rifles for hunting season will object seriously to inspection and registration of their firearms. If this legislation is necessary, and we won't argue that point here, sportsmen should be willing to conform with the law.

WE WOULD hope that State Conservation officials would look into possible expansion of the firing range facilities and at the same time devote some thought to increasing the supervision at the ranges now in operation, at least during the peak hours of use on the weekends.

Hey, Tiger Take A Chair Along

Belleville football fans heading for the game against Columbia Central this week should take along chairs or prepare to stand. That's the word out of Central High.

The school is presently constructing a stadium and, although the field is in good condition, the seating room is limited — very limited. The game, to be played Friday night begins at 7:30 p.m.

Located in Brooklyn, Michigan, Columbia Central is the consolidation of three area schools into one. The best way to get there is to take the I-94 to the Hudson Exit (M-50) and drive 15 miles south to that little town of Brooklyn.

Apex Extends Win Streak To 8 in ABC

American Bowling Congress		
Team	Won	Lost
Apex Rubbish	8	0
St. Horvath	7	1
Lawson Realty	7	1
Riteway Excavators	6	2
Team No. 8	5	3
Joyce Expediting	4	4
Chemics, Inc.	4	4
Vigos Lounge	1	7
Sesi Lincoln Mercury	0	8
Team No. 11	0	4
Team No. 12	0	4

Apex Rubbish Construction bowlers maintained a perfect 8-0 record in the American Bowling Congress League standings, but Joyce Expediting, seated in sixth, turned in a 2929 for a three-game series high. That's the mark the 12 team field is eyeing presently.

Bennett Meyer's 682 series is tops in the league while trailing in the runnerup spot is Gary Johnson with a 639 and Ed Williams with 636.

Joyce Expediting also has a high team game of 1081 with 1019 registered by St. Horvath's Masonry good for second and Riteway's 1009 good for third.

The individual high game of the league is a 245 by Gary Johnson who nipped Bill Lowek's mark of 241. John Bowen and Ed Williams have fired games of 236.

Ron Pichan At Hillsdale

HILLSDALE — The Hillsdale Chargers will have a former Romulus grider doing most of their signal-calling for them again this season. He's Ron Pichan, a senior who lettered in the past two campaigns.

More than 100 players turned out to battle for starting positions as Coach Frank D. "Muddy" Waters went to work in getting his team in shape for the season.

Yocum Sparkles

(continued from page 21)

Bernard, aside from intercepting a pass, chalked up 40 yards in four tries. Also earning praise from his coach was Eisminger, a defensive end, who also caught a TD pass.

Offensively, the zebras netted 283 yards, 232 rushing and 51 from their passing game. Hood picked up 85 of those in 17 carries while Mercado had 69 on five tries. Dave Shoptaw handled the ball five times and earned 39 yards for his team.

Wayne should edge its way into the winning columns this week when it takes on a listless Romulus which surrendered to Livonia Franklin in the league opener, offering little defense.

The Zebras clash with their non-conference rival on Friday at 3:30 in their first away from home game.

Belleville second year coach Jim Richendollar said he and his Tigers expected a good battle at Wayne and got one.

"We were fortunate to come out of it with a victory," said Richendollar. "They are a much improved ball club and we realized it, but our boys stayed in and fought to the last second and that made the difference."

Chris Boyd and Rick Mussehl did an outstanding job at linebacker while defensive end Andy Krawulski made the Zebras think twice before trying to run his end.

Yocum, the impetus of the Belleville offensive machine, ran and passed for 175 of the 307 yards his team gained against Wayne while completing 10 of the 20 passes he tried.

It's off to Brooklyn and Columbia Central this week for Belleville who'll play another non-conference match before opening up at home a week from Friday against Suburban Six Conference foe, Livonia Bentley.

Game time this Friday is at 7:30 p.m.

Coffman Plays at Hillsdale

HILLSDALE — Bill Coffman, son of Mr. and Mrs. Guestel Coffman, 47169 Ecorse Road, Belleville, begins his first year of football for the Hillsdale College Chargers.

Coffman, a 6-0, 185 pound end, is expected to help bolster

BILL COFFMAN

the 94-31-5 mark of head Charger coach Frank D. "Muddy" Waters.

Coffman attended Belleville High School where he played under former Hillsdale Little All-American, Jim Richendollar. Coffman earned two letters and capped off a fine high school career by being selected Most Valuable Player, All-Area and All-Suburban Six Honorable Mention.

SAYS PROFESSOR

Dearborn Area Hunters Upsetting Biology Studies

"Hunters in the Dearborn area are ruining their own sport," says Dr. Calvin DeWitt, biology professor at the Dearborn Campus of The University of Michigan.

Hunters have been giving their dogs a little pre-season exercise in the wooded area of the Dearborn Campus near Fair Lane. "It's ironical," says DeWitt, "that while the hunters are getting ready for the season by running the dogs, they are destroying their own game supply."

DeWitt and the other professors and students in the biology department have been using the wooded area to study the behavior of animals and the development of plants. In order to do this, they must establish a natural setting so they can observe the animals at close range.

"I don't have anything against dogs," says DeWitt. "After all, dogs have the same drives as any other animals. But, when the dogs are run out here, they upset the natural equilibrium here."

THE BIOLOGY students have been studying the rabbits, foxes, deer, and other game animals that inhabit the

grounds. The students are trying to determine the animals' relation to their environment, how they set up the boundaries of their territories, how they mate, and so on.

The dogs on the property have in many cases scared away the animals in the middle of important studies. In addition, ground-nesting birds have had their nests destroyed and rare flowers and plants have been trampled.

"Motor cycles are a problem too, but dog running is the biggest problem," says DeWitt. "Anyone who seriously wants to study the wildlife and is

Applications for Turkey Hunting Permits Ready

LANSING — Sportsmen may start applying for 1,500 hunting permits covering Michigan's Nov. 1-10 wild turkey season in the Mio and Baldwin areas, the Conservation Department announces.

Setting the stage for their applications is the Department's mailing of 1968 small game licenses which have reached most dealers in the state.

Eligible applicants, those residents and nonresidents at least 14 years old, may get in the running for free turkey permits by postmarking their entries before midnight, Sept. 23. Their applications, limited to one per hunter and to only one of the two areas, are to be mailed to the Department's Lansing office.

In the offering are 500 permits for the Mio hunting area (No. 1) which takes in most of Oscoda and northern Ogemaw counties plus parts of Alcona, Iosco, and Montmorency counties.

The other choice is the Baldwin area (No. 2) for which 1,000 permits will be issued to hunt turkeys in all of Lake County and portions of Newaygo, Oceana, and Mason counties.

AS LAST year, the procedure for making permit applications is relatively simple. It works this way:

On the blank or back side of a 5-cent U. S. Government postcard, the applicant prints the area of his choice (1 or 2), writes down his 1968 small game license number below that, and then signs his name in ink.

On the postage side, he pre-addresses the card to himself, typing or printing his name and address there. Final step before mailing is to stuff the filled-out card in an envelope addressed to:

Wild Turkey, Michigan Department of Conservation, Lansing, Michigan 48926.

If applications outnumber permit quotas for either of the

BY STATE GROUP

Bond Issue Endorsed

The clean water issue which will appear on the November ballot was endorsed Monday by the Michigan Water Pollution Control Association.

Meeting in Lansing, the Association's executive committee voted unanimously to support both the \$335 million clean water bond and disseminate information on the \$100 million recreation bond.

The committee also urged each of the 780 Association members to work for the passage of the clean water bond.

The Michigan Water Pollution Control Association is composed of municipal and industrial sewage treatment plant operators, design consultants, engineers, city managers, state officials, and university teachers and researchers.

"OUR BUSINESS is clean water," commented Charles L. Sereu, Association president, "and we know Michigan's needs. The clean water bond will go a long way toward fulfilling them."

The \$335 million clean water bond will provide the cornerstone for the disbursement of \$1.2 billion in local, state and federal money in Michigan communities. It will be used to build 210 new sewage treatment plants, improve and modernize nearly all existing plants, and install sewers to serve 3-1/2 million residents.

The Association's executive committee also approved the creation of an informational program. A key feature is expected to be a speakers bureau which can provide informed speakers to groups throughout the state.

AT BETHANY BAPTIST

Robert Wagner Will Be Ordained Sunday

BELLEVILLE — Mr. Ronald Wagner, 26, will be ordained into the Gospel Ministry, Sunday, Sept. 22 at 7 p.m. at the Bethany Baptist Church, 810 East Huron River Drive.

Mr. Wagner is the son of Rev. and Mrs. Edward Wagner, of Long Beach, California. He is a Graduate of Bob Jones University, Greenville, South Carolina and has served the Church as Youth Pastor and Assistant to the Pastor since Dec. 1, 1966. He resides at 828 East Huron River Drive.

A Council of ten Independent Baptist Pastors convened at the local Church on Tuesday, Sept. 10 to examine Mr. Wagner concerning his Conversion Experience, his Call to the

Gospel Ministry, and his Doctrinal Statement.

After a two and one-half hour examination the Council then recommended to the local Church that it has found the Candidate thoroughly prepared and Doctrinally correct to enter the Gospel Ministry as an Ordained Baptist Preacher.

The Ordination Service will consist of special music, a charge to the Candidate by the pastor of the Church, the Rev. A. B. Sprunger, a charge to the Congregation by the Rev. James Phillips, pastor of the Rawsonville Community Baptist Church, and the "Laying on of Hands" at the conclusion of the Service.

The public is invited to attend this Service.

Ronald Wagner

Revival Set

BELLEVILLE — The Emmanuel Baptist Church, 960 East Huron River drive, will begin a revival services Sunday, Oct. 6 and continuing through Oct. 12. Rev. H. Mark Holladay, pastor, announced.

The evangelist at the services will be Rev. W. L. Shipman of Benton, Tennessee.

Motion by Draper, seconded by Morris, that we accept the recommendations of the Superintendent as far as budget cuts is concerned and authorize him to obtain one more football coach if possible. Nays: Lovette. Ayes: 5. Motion carried.

Motion by Morris, seconded by Oakley, that the Board enter executive session. Motion carried unanimously.

The Board entered executive session at 11:05 p.m.

The Board returned to regular session at 11:50 p.m.

Motion by Draper, seconded by Morris, that the meeting be adjourned.

The meeting adjourned at 11:51 p.m.

Respectfully submitted,
David B. Draper, Secretary
Board of Education

SPECIAL MEETING

August 26, 1968
The meeting was called to order by the President, Gerald Budd, at 7:30 p.m. in the offices of the Board of Education. Roll call showed Members Oakley, Hoffer and Canejo absent. Messrs. McConeghy, Jakad and Janack were present.

CORRESPONDENCE:

A letter dated August 15th from Mrs. Delores Minard relative to the Headstart Program.

OPENING OF BIDS FOR PROJECTS 4, 5 and 6.

Bids were received from: The Dawley Company, Roth, Wadkins & Wise, Inc.; Cox & Schimmel, Derin Construction. Motion by Morris, seconded by Draper, that the bids be referred to the Architectural Firm of Eberle M. Smith. Motion carried unanimously.

PERSONNEL RECOMMENDATION:

The Assistant Superintendent presented the resignations and recommended that they be accepted.

Mr. Canejo entered the meeting at 7:44 p.m.

Motion by Morris, seconded by Draper, that the resignation of Terrel LeCesne, Charles Cresswell, Carol Harrington and Johnny Carson be accepted as recommended by the Assistant Superintendent. Motion carried unanimously.

The Assistant Superintendent presented recommendations for contracts.

Mr. Oakley entered the meeting at 7:50 p.m.

Motion by Morris, seconded by Draper, that we take the Assistant Superintendent's recommendation and hire Patricia Gavet, Hauke Sahrakar and Greg Kazmierski. Motion carried unanimously.

Administrative Recommendations:

The Assistant Superintendent recommended that a contract be offered to Nick Tottis as Assistant Principal at the Junior High School.

It was the consensus of the Board that this recommendation be referred to Executive Session.

REQUEST FOR BIDS OR QUOTATIONS

Sidewalks — A discussion was held relative to the need for new sidewalks at the Mt. Pleasant School.

Motion by Draper, seconded by Morris, that we authorize construction of sidewalks as recommended by the Director of Maintenance and Operation at the Mt. Pleasant School; the amount not to exceed the price of \$1,000.00. Motion carried unanimously.

SOUND SYSTEM AT THE HIGH SCHOOL

The Superintendent requested authorization to secure new bids for this sound system.

Motion by Draper, seconded by Canejo, that the Superintendent be authorized to obtain new bids in accordance with existing specifications for the sound system at the Senior High School. Motion carried unanimously.

SEWER CONNECTION AT SPECIAL SERVICES

The Director of Maintenance and Operation requested authorization to obtain bids on the sewer connection at the Special Services Building.

Motion by Draper, seconded by Morris, that the Superintendent be authorized to obtain bids for the sewer connection work at Special Services Building. Motion carried unanimously.

EQUIPMENT PURCHASES

The Board discussed the possible purchase of a 30" surface planer. Following the discussion it was the consensus not to purchase.

A discussion was held relative to the purchase of two pianos for the Senior High School.

Motion by Morris, seconded by Oakley, that the Superintendent be authorized to purchase two pianos for the Senior High School. Motion carried unanimously.

The Board went into executive session at 8:45 p.m. with Member Hoffer absent.

The Board returned to special session at 8:50 p.m. with member Hoffer absent, to review with Mr. Connolly, Beverly Elementary Principal, items discussed with a group of Beverly School parents at the regular meeting on August 12, 1968.

Mr. Stallings, wrestling coach at the high school, was present and stressed the importance of this sport to certain students at the high school. He stated that if the Board would authorize the sport for the 1968-69 school year, he would coach the boys without compensation.

Motion by Lovette, seconded by Draper, that the Board accept Mr. Stallings offer to coach wrestling without compensation and that the program be authorized for the 1968-69 school year. Motion carried unanimously.

Motion by Draper, seconded by Oakley, that the Board go into executive session. Motion carried unanimously.

The Board entered executive session, with member Hoffer absent, at 9:34 p.m. to discuss personnel and status of negotiations.

The Board returned to special session at 11:27 p.m. with member Hoffer absent.

Motion by Morris, seconded by Draper, that Gerald Nault be named acting Principal at the high school. Motion carried unanimously.

Motion by Oakley, seconded by Canejo, that the Superintendent be authorized to appoint two or more administrative assistants at the high school until such time the total administrative staff has been appointed by the Board. Motion carried unanimously.

Motion by Draper, seconded by Oakley, that Nick Tottis be appointed Assistant Junior High School Principal. Motion carried unanimously.

Motion by Lovette, seconded by Draper, that Val Connolly be transferred to Hayti School and Eugene Barr be transferred to Beverly School as building Principals, effective immediately. Nays: Morris; Abstain: Oakley, Yeas: 4.

Motion by Lovette, seconded by Draper, that the position of Director of State and Federal Relations be posted. Motion carried unanimously.

Motion by Morris, seconded by Draper, that the amendment to the contract between Local 64 and the Board of Education relative to wages and fringe benefits as negotiated be approved. Motion carried unanimously.

Motion by Oakley, seconded by Lovette, that Carl Morris be the Board's representative in Washington, D.C. to support the educational effort to obtain more money for education. Motion carried unanimously.

Motion by Oakley, seconded by Draper, that the meeting be adjourned. Motion carried unanimously.

The meeting was adjourned at 11:42 p.m.

Respectfully submitted,
David B. Draper, Secretary
Board of Education

ROMULUS PERSONALS

Members-- Old And New-- Expected At JC Corn Roast

By Pearl Morris
WH-1-1187

The annual Romulus Jaycees corn roast for past, present and prospective members, will be held at 8 p.m. September 19 at Bennett Dugan's home, 36709 Romulus avenue (behind Huron Cleaners and north of the Wabash Railroad). Tom Michniewicz is chairman of the event. Fellowship will be enjoyed by all.

Mrs. Augst Kadau, Sr., of Ecorse road, and her daughters-in-law, Ruth Kadau, of Inkster, and Penny Kadau, of Romulus, and her daughter, of Benton, Tennessee.

John Kahl, of Romulus, enjoyed dinner last Friday night at the Skipper's Table on Plymouth road. Meanwhile their husbands were attending the Father and Son Banquet at the Calvary Baptist Church.

A baby was born Wednesday, September 11, to Mr. and Mrs. Thomas Lanson, of 14363 Huron River drive. The infant arrived at Ridgewood Hospital, Wayne, and weighed 9 pounds, 9 ounces.

Mr. and Mrs. Jack DeMara, of Huron River drive, Belleville, were host and hostess at the family party held recently in honor of Lt. Colonel and Mrs. Deuchele, son-in-law and daughter of Mrs. Walter DeMara, of Porter street. Due to a slip-up, their names were omitted in last week's news item.

Mr. and Mrs. Keith VanAernum and daughter, Vanessa, were weekend visitors at the Grant VanAernum home, on Romulus avenue. Mr. G. VanAernum accompanied the family to their home in Palatine, Illinois, by air. This week he will fish with his son, Keith, in Wisconsin.

Friday evening Mrs. Flora Morris, Miss Pearl Morris, Mr. and Mrs. Carl Morris and sons, Larry and Jamie, all of Huron River drive South, and Miss

Flora Diepenhorst, of Northline road, enjoyed dinner "out" at the Sheraton Restaurant near Trenton. This week Larry leaves for his sophomore classes at Michigan State University.

Last Sunday Mr. and Mrs. Harry Jones and Mr. and Mrs. Maurice Tabernie and son, Randy, all of Leslie, were visitors at the Grant VanAernum home on Romulus avenue. Mrs. Jones is a sister, and Mrs. Tabernie, a niece, of Mrs. VanAernum.

Over the weekend Mr. and Mrs. August Kadau and family of Huron River drive South visited friends at Standish.

Charles J. Dick, Sr., of California street, suffered a stroke August 27 and is now a patient at Detroit Osteopathic Hospital. Mr. Dick would enjoy hearing from his friends. Address mail to the hospital in Highland Park, Michigan; Room 272. His son, Ronald E. Dick, who is in service, has been called home from San Diego, California, because of his father's illness.

The annual summer reunion of the Oakley family was held Sunday, September 8, at Hines Park, Plymouth. About 60 relatives enjoyed pot luck dinner and an afternoon of visiting.

DeMolay Installs Officers

BELLEVILLE — The officers of the Belleville Chapter of the Order of DeMolay for the ensuing term were installed at ceremonies at the Masonic Temple Tuesday, Sept. 10. The installing officer for the evening was Kenneth P. Noll of Belleville. He was assisted by Marquis Delafayette Court of Chavalliers.

Officers installed were Craig Stabnau, master counselor; Ken Quinley, senior counselor; Jeff Miller, junior counselor; Bill Whicello, senior deacon; Greg Crowe, junior deacon; Mike Weiss, senior steward; Bill Hidenfelter, junior steward; Brad Whitehouse, scribe-treasurer; Paul Hall, chaplain; Mark Williams, marshal; Joe White, standard bearer; Rick Hendricks, orator and preceptors Paul Smith, Wilbur Currier, Dan Well, Richard Riggs and Amos Johnson.

Outgoing Master Counselor was Richard Riggs. Soloist was Ada Sager who sang "My Task" and "Just for Today." Accompanied by Pianist, Doreen Post.

Rev. Allen B. Rice II, pastor United Methodist Church of Belleville gave the Invocation and Benediction.

THE 'FLOWER TALK' was given by 'Dad' Scott of Wayne, Michigan.

Attending were George Witzgall, dad advisor and Chapter Sweetheart, Darlene

New Areas Listed for Sportsmen

EAST LANSING — The Public Access Program administered by U.S.D.A. is providing Michigan sportsmen access to 250,000 acres of farmland free of charge, Frank Light, Chairman of the Michigan ASC State Committee, announced.

This land is privately owned and the owner receives \$1 and \$3 per acre compensation from the Federal Government.

The Michigan Department of Conservation recommends the maximum number of hunters per day. All State conservation laws apply to the sportsmen.

Two-thirds of this area is in the lower one-third of Michigan. These farms that are enrolled in the Public Access Program can be readily identified by a large green and white sign which says "Hunting Permitted."

The signs are generally posted at the farm headquarters. All hunters should call at the farm headquarters and identify themselves, as the "Horton Trespass Law" applies to these farms as well as all others. This will also improve hunter-farmer relations and regulate the number of hunters at a given time.

A list of these farms may be obtained from your local county ASCS office which is listed under U.S.D.A. in local phone books.

The largest diamond ever found in South was the Cullinan, weighing 3,106 carats, or about one and a third pounds. It was discovered near Petroria in 1905.

Informed sources, available energy as it did in 1880, just to The Detroit Edison Company, before the electric utility industry have predicted that, by the year try was born. About half the 2000, the United States will be energy used in 2000 will be using 28 times as much total converted to electricity.

ORDINANCE NO. 61-44-76

AN ORDINANCE TO AMEND ORDINANCE NO. 61-44 BY THE ADDITION OF A NEW SECTION 2.621; BY AMENDING SECTION 4.14 SUB-SECTIONS (a) AND (e); AND BY AMENDING SECTION 18.01 (b).

THE TOWNSHIP OF ROMULUS ORDAINS:

PART I. That Ordinance 61.44, known as the Zoning Ordinance of the Township of Romulus, shall be and hereby is amended by the addition of a new section to Article II, to be known as Section 2.621, and to read as follows:

Section 2.621 PET SHOP. A retail establishment wherein only such pets as may commonly be housed within domestic living quarters are kept and offered for sale. This shall include commonly recognized domesticated animals, birds, fish and small reptiles. This shall not provide for the sale, barter, give away of baby chicks, rabbits, ducklings or other fowl as pets or novelties, whether or not dyed, colored or otherwise artificially treated.

PART II. That Ordinance 61-44, known as the Zoning Ordinance of the Township of Romulus, shall be and hereby is amended by amending Section 4.14 and Sub-sections (a) and (e), to read as follows:

(a) In R-1-A, R-1-B, R-1-C, R-1-F, R-1-P, R-2, R-3, R-4 and PB Districts, no fence, wall or structure shall be erected in the front yard nor shall any fence extend beyond the front or side street building line, except an ornamental fence or stone or brick masonry wall, which will not exceed thirty (30) inches, in height, after approval by the Board of Appeals as being in harmony with the structures and character of the neighborhood.

(e) Corner Visibility. Within any required front yard or side street yard of any corner lot no obstruction to visibility shall be permitted between the height of two and one-half (2½) feet and ten (10) feet above the existing street grade within the triangular area formed by the street property lines and a line connecting at points forty (40) feet from the intersection of the street lines or their extension. This shall not prohibit the use of an ornamental street tree with side branches kept trimmed to a height of ten (10) feet above the existing street grade, nor prohibit an ornamental fence or masonry stone or brick wall which does not exceed thirty (30) inches, in height, after approval by the Board of Appeals as being in harmony with structures and character of the neighborhood.

PART III. That Ordinance 61.44, known as the Zoning Ordinance of the Township of Romulus, shall be and hereby is amended by amending Section 18.01 (b), to read as follows:

Section 18.01 (b) Retail stores, business and professional offices, newspapers, distributing stations, hotels, restaurants, theatres, assembly halls, dance halls, recreation buildings, trade schools, mortuaries, pet shops, veterinary hospitals, research and testing laboratories, parking lots, motor vehicles, sales rooms, open air sales and display of motor vehicles, or other machinery and equipment, provided this shall not include drive-in food sales, including open air hamburger stands, root beer stands, dairy bars, soft drink stands, restaurants, sale of frozen desserts and hot or cold drinks and other retail sales of food which are consumed on the premises and not entirely within the principle building located thereon, and further provided, this shall not include outdoor or open display of used parts of motor vehicles or other equipment, or any open storage yards for coal, oil, lumber, contractor's machinery or equipment or used building materials.

PART IV. CONFLICTING PROVISIONS REPEALED. Any Ordinance or part of an Ordinance in conflict herewith is hereby repealed.

PART V. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the Court to be invalid, the same shall not affect the validity of this Ordinance as a whole or any part thereof, other than the part so declared to be invalid.

PART VI. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the peace, health, safety and welfare of the people of the Township of Romulus and are hereby ordered to be given immediate effect and be in force from and after the earliest date allowed by law, and this Ordinance is hereby ordered to be published in the manner prescribed by law.

STATE OF MICHIGAN))
COUNTY OF WAYNE)) SS.

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a correct copy of an Ordinance as passed by the Township Board of the Township of Romulus, at a regular meeting held on September 9, 1968.

ALFRED J. PERRY,
Township Clerk

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Romulus Township Planning Commission will hold a Public Hearing on September 26, 1968, at 8:00 P.M., Daylight Savings Time, at the Township Offices, located at Goddard and Sterling, Romulus, Michigan, on the following proposed Amendment to the Zoning Map:

To rezone lot 1007 consisting of 37.99 acres, of Supervisor's Romulus Plat No. 15, to an M-1 Zoning District.

This property is located on the south side of Van Born Road west of the UAW-CIO Local Hall in Section 2.

A copy of the Tentative Zoning Map may be examined at the Township Offices during business hours from 9:00 A.M. to 4:30 P.M. on weekdays until date of the Public Hearing.

AA Conference Set In Detroit Sept. 27

Detroit has been selected to host the 16th Michigan State Conference of Alcoholics Anonymous.

The Conference will open with registration at the Sheraton Cadillac Hotel starting at noon on Friday, Sept. 27, and continue through Sunday.

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others recover from alcoholism.

AA MEMBERSHIP is estimated at more than 350,000 recovered alcoholics in the United States, Canada and in over 90 other countries. The 16th Annual Michigan Conference will be attended by AA's from Michigan and from neighboring cities in Ohio and Canada.

All interested persons are invited to attend the 1968 Conference. A \$4 registration fee will be charged covering all Conference activities. Registration fees can be paid at the Conference, or in advance, to the local AA group Conference representative.
